Rev. Edward Kelly Moves To St. Clare

Rev. Edward Kelly, who for the past eighteen years has been in charge of St. Mary's parish, Richmond Hill, has been appointed by His Grace Archbishop McNeil to the pastorate of St. Clare's Church, corner of Westmount and St. Clair Avenues, Toronto. The change will become effective on Sunday, November 9th.

The change for Father Kelly coincides with the twenty-fifth anniversary of his ordination to the Holy Priesthood. A quarter century of service will be celebrated with special services in St. Mary's Church, Richmond Hill on Tuesday, November 4th when Rev. J. P. Treacy, D.D., will deliver the sermon.

Father Kelly was born in Toronto in 1876 and received his education in the separate school there, at DeLaSalle Institute and St. Michael's College, and the Grand Seminary, Montreal. He was ordained in 1905 and since that time has successfully occupied charges at Dixie, Barrie Grimsby and the present incumbency of Richmond Hill, Thornhill and Lansing.

During his eighteen year pastorate in Richmond Hill he has won the respect, admiration and affection not only of those within his own parish, but throughout the entire community. His many friends in the North Yonge Street district while regretting his removal join with The Liberal in expressing congratulations to him on his entry to another field of labor with increased responsibilities and wider opportunities for service. In Richmond Hill he took an active interest in local events and was a keen student in early York County history and on which he is a recognized authority. For a term of years he was a member of the Richmond Hill Board of Education.

During recent years Father Kelly has devoted much time to archeological research and to-day prizes a rare collection of relics of early Indian life in Canada which he has picked up in various parts of York County. The collection includes pipes, arrow heads, needles, and many and varied specimens of pottery. Historical records have also benefitted by his researches and he has contributed several articles to various publications. "The Story of St. Paul's Parish" from his pen has been published in attractive book form and is a valued history of that parish, the oldest in Toronto.

Father Kelly will be much missed in this district but while there are feelings of regret on his removal it is also felt that the call which he has received to a larger field of endeavour has been justly earned and well merited. The best wishes of a host of friends here accompany him to his new charge.

MAPLE
The deepest sympathy is felt for Mr. and Mrs. W. Oliver in the death of their younger daughter Marion, who passed away on Monday at noon, after a few days illness of infantile paralysis. The funeral took place on Tuesday afternoon at the Maple cemetery, Rev. A. S. Kerr having charge of the service.

Large congregations were present at Hope Church on Sunday, when impressive sermons were preached by Rev. G. E. Coulter, of Richmond Hill. The male choir which was composed of voices from Hope, Maple and vicinity gave several good selections and their singing was greatly enjoyed. At the afternoon service a historical sketch was read, which recalled the work of the church at its building and opening sixty years ago, the names of the ministers of that time and in the succeeding years, also the names of the members of the early years. It included with most of the early pastors, and the early members and many of the later ones have passed away, but the work still goes on. The church has had its ups and downs, but has always managed to keep afloat. We should be encouraged to continue the work begun so many years ago, allow the Rector to be present.
