Last Friday evening the "Mirth Quakers" of Thornhill, called at a number of the homes of the village in the usual hallowe'en style and gave a short entertainment hoping to have the usual night's fun and at the same time do somebody some good by asking donations for the Star Santa Claus Fund. "The Mirth Quakers" were very much pleased with the reception they got at every home and when every one was so tired they had to drag weary feet toward home, the box was emptied out and over nine dollars had been received. Time would not permit them to call at every home, but "The Mirth Quakers" would be very pleased to receive any donations between now and Christmas. The box is at the home of Ede Luesby, drop in your pennies and no one will know what you gave as all Mirth Quakers are sworn to absolute secrecy. Although the money will be for the Star Santa fund it is not necessary that it will go from our own community for should you know of any one needing Santa's help send in the name to "Ede" and they will be passed on with the money.
