Vaughan Farmer Suffers Loss By Mysterious Fire

LARGE BARN WITH SEASON'S CROP AND SEVERAL HEAD OF LIVESTOCK BURNT

Fire of unknown origin completely destroyed the fine large barn of Jacob Reaman, Vaughan Township early Wednesday morning. With the barn was burnt the whole season's crop including several hundred bushels of grain and seed, four horses, four cows, twelve pigs. The threshing machine of Nelson Kerr which was in the barn was also destroyed. Mr. Reaman had been threshing a like the previous day and had stopped work about 5 o'clock. Mr. Reaman retired late on Tuesday night and about midnight was outside and everything was alright. About one o'clock he was awakened by neighbours who came to raise the alarm and on rising saw his barn a mass of flames. The Richmond Hill Fire Brigade was immediately called and arriving in short order did excellent work in keeping the fire under control and preventing its spread to other buildings which were threatened. The cause of the fire is unknown. The loss is estimated in the neighborhood of \$10,000, which is partly covered by insurance.

LOOK FOR SURPLUS FIRST YEAR FROM STREET CAR LINE

While no official statement has as yet been issued, a satisfactory financial showing on the North Yonge radial line is indicated by advance reports. Reeve James Muirhead, of North York is of the opinion that the line is operating satisfactorily. "Every thing looks very promising," he said this week. "I understand that the line will show a surplus at the end of the year. I think that the opinion held by many that the line would pay as far as Richmond Hill will be borne out by the statement at the end of the year." The township of North York will receive 55 per cent. of any surplus which the line may accrue, under the agreement; Markham and Vaughan 11 per cent. each, and Richmond Hill 23 per cent.

Jail: A late substitute for spanking.
