## Council Engages Constable on Same Terms As Before

COUNCILLOR CHAPMAN MOVES FOR NEW AGREEMENT AND STATED SALARY BUT MOTION NOT SECONDED

Richmond Hill council met in special session on Wednesday night in consideration of police matters which have been the subject of contention in municipal circles since September 1st. At the September meeting Constable Barraclough was given thirty days notice and applications for the position were called for. Several meetings have been held since that time & applications have been received including a communication from S. A. Barraclough stating that he was willing to continue in the position and to meet the council in any rearrangement of his agreement or duties. Although different meetings have been held since September at which the matter was considered nothing definite was accomplished until last night.

Constable Barraclough attended the meeting and gave a detailed report of his work as constable during recent months. His account for services for the month of October was presented and amounted to \$90.

On motion of councillor Davis and seconded by councillor Middleton it was decided to engage Constable Barraclough at the rate of fifty cents an hour, and that he will use his own judgment as to the hours he is needed. Councillor Chapman suggested that the constable should be hired in a new agreement with a definite salary, but his motion to this effect was not seconded.

The agreement under which the constable will carry on is similar to the arrangement under which he has worked since commencing his duties for the village.

It was agreed that the final collection of garbage in the village will take place on Tuesday, November 25th.

On motion of councillors Chapman and Middleton it was decided to purchase an additional 50 yards of gravel from G. S. Reaman.

## PETTY THEIVING PREVALENT IN RICHMOND HILL

There has been an apparent epidemic of thieving in Richmond Hill of late which is causing the people and the authorities some concern. Clothes lines have been robbed of wearing apparel, small articles have been missed from various places and there have been mysterious disappearances from back yards and gardens. Even the stores have not been immune and last week an alleged offender was caught, but let go with a stiff warning. The authorities are working on several well established clues and in connection with some of the recent robberies arrests are expected at any time. Such thieving as has been noticeable here in recent weeks and is a menace to the peace of mind of the community and the offenders when caught should be made an example of as a lesson to others who may be tempted to engage in the game.

## VICTORIA SQUARE

The ideal weather for the past fortnight has done well its share in reducing the expenses of fall heating. Wells in this district that never failed before are going dry. This gives extra employment to those who do not know what unemployment means. Fall ploughing and other fall work is completed. Several farmers purchased disc plows and report they did excellent work where other ploughs failed.

The second Sunday of the Golden Jubilee services in the United Church were well attended. In the afternoon Rev. J. J. Coulter, President of Toronto Conference, preached a thought provoking and inspiring sermon to an attentive congregation that filled the house. In the evening Rev. Dr. Addison, of Toronto, a son of Rev. Peter Addison who was pastor when the church here was built, gave a helpful and instructive sermon on "The Church," taking for his text, "I was glad when they said unto me, let us go into the house of the Lord." Mr. Barber, of Toronto, assisted the choir in the evening in service of song.

The crowning services of the Jubilee celebration will be conducted next Sunday afternoon by Mrs. Aikenhead, of Toronto, the wife of a former pastor. In the evening by Rev. Ernest Payne, one of our own township boys will have charge of the service. Evening service at 7.30. Come early to secure your seat!

Mr. Frank Brumwell returned with his deer from his hunting trip on Saturday. His many friends were glad to see his smiling face again. He very graciously remembered the Liberal scribe and we are enjoying a fine roast of venison.

Mr. John Hickson, of Richmond Hill gave us an interesting message at Sunday school on Sunday.

Forster, Miss Kaiser, Toronto; Mr. John Holmes, Meaford; Mr. and Mrs. Lorne Perkins, Toronto; Miss Gussie Fierheller, Toronto; Mr. and Mrs. Herbert Sanderson, and two sons, Mr. and Mrs. Frank Sims, Mr. and Mrs. Stallibrass, Mr. A. Wright, Mr. and Mrs. John Hickson, Mrs. Comisky, Mr. and Mrs. Geo. Gee, Miss Evelyn Neil, Richmond Hill; Mrs. Stewart Page, Barrie; Mr. Parry Thomson, Parkhill; Mr. and Mrs. Arthur Thomson, Thornhill.

Rumour says that no one has as yet captured Mr. Bruin, although more than one claim they have met the right intruder. Some would have us believe he is a black fox, others a large dog. In the meantime the young chaps around Gormley move quickly on the way home after nightfall.

Messrs John and Wellington Mortson, of Saskatchewan, are visiting their parents and other friends here during the Royal Fair.

The unique part of the program at the United Church last Wednesday evening was a carefully prepared history of the church in this part of the township dating back ninety-eight years. After a thorough study it was prepared by Mr. E. J. Hitchcock. Mr. V. Boston from Napanee district is visiting his brothers here this week.
