Where Will You Be At Seventy?

Recent investigations have shown that a large number of persons are dependent on relatives or charity in their old age.

When the autumn of life approaches, and the leaves of youthful vim and enthusiasm fall, it is extremely difficult for any person, no matter how able, these investigations prove, to compete in the world of business and commerce.

940 to 60% on FUEL COSTS

SILENT, efficient automatic equipment easily and quickly attached to any style of furnace. Not only supplies sufficient draft to burn Buckwheat Anthracite and other small grained coal, but gives you 100% service in economy and heating value. You get 2,000 lbs. in a ton of buckwheat anthracite-

identically the same coal as the larger sizes, equal in every way in heating qualities, and at about \$8 a ton, compared to \$15.50 for the larger sizes. Sufficient air forced through the grates will burn Buckwheat Anthracite and give you a more even, intense fire than you can get from any grade of coal; and you save 40 to 60% in costs.

Automatic control of heat and regulation of draft. The automatic Thermostat located in the hall, dining-room or kitchen permits you to regulate your heat supply with the minimum of attention to the furnace. A silent, alert fireman that saves you money and gives you the exact amount of heat you require.
