At this juncture the following pet tition was presented to the council by Mr. P. Forsyth, one of the road foremen of the township: "We, the undersigned, being ratepayers of the township of Markham, with the view towards reducing needless expenditure and altering a condition which will be in a short time unbearable owing to reduced income and business depression, do make the following request for your approval: That whereas one W. G. Maxwell holds the office of road superintendent in Markham township at a salary of \$1500.00 per year and is paid for full time work together with serving on the jury and attending various plowing matches throughout the Province, and is not in our opinion a man qualified for the position, we ask that his resignation be demanded, same to take effect April 1st, 1933."
