H. J. MILLS MAKES SOME COMPARISONS RE CARETAKING AND CONSTABLE POSITION

Editor The Liberal Sir: May I point out to the ratepayers through your paper a comparison in cost to the village of employing one man to act as caretaker and constable, and in employing two men, one to act as caretaker and one to act as constable.

Table with 3 columns: Item, Amount 1, Amount 2. Includes Salary of caretaker and constable, County grant, Estimated revenue from fines, and Cost to village.

It will be seen the saving by having two men is \$20.00 per year. The revenue from fines is estimated at twenty per cent less than last year.

AS THE FARMER SEES IT

Editor The Liberal Sir: Many and varied are the re-actions of the average farmer to press accounts of Board of Trade banquets in the city, of speeches at motor show, and the sonorous pronouncements of the great and supposed to be great on sound money and what-not.

When the farmer finishes his day's work of feeding and caring for his two-cent cows and three-cent hogs and sits down to read the paper in which the day's supply of bread came from the store, decked out as he is in last year's shirt, the year before's overalls and the tattered vestiges of a sweater with an origin lost in antiquity, it cannot but do his heart good to view the page-wide photographic line-up of industrial moguls and dignitaries of state gracing the salons and banquetting boards of these great social and business events every individual a dazzling example of sartorial perfection.

Surely if full dress linen, glistening and expansive, is any cure for the economic ills from which the world suffers, the mythical too long delayed, "good times" should soon become a reality.

But as the farmer reads the brave assertions of these leaders he begins to wonder—in all those hundreds upon hundreds of car prospects, how many farmers are there—speaking for himself—with three gallons of gas costing a bag of wheat and a good set of tires the best part of a ton of hogs, it is not a question of a new car at all, but of any possible continued operation of the present one, if any.

And he wonders, have these wise-aces any real basis for their oozing optimism or are they simply whistling to keep up their courage or going on the principle that if a thing is repeated often enough it will become a reality? They certainly enjoy making speeches about it all. To the farmer it means more than talk—it has become harrowing tragedy, with himself playing the stellar role of understudy to the toad. It is little wonder he wonders.

Vaughan Twp. Council

The problems of relief occupied the attention of the Vaughan Township Council at the regular meeting on Monday last. January is as a general rule one of the heaviest months of the year, as far as relief expenditure is concerned, the cost of fuel being a large factor. All cases were carefully reviewed by the council and the passing of the accounts took a large part of the members time. The trustees of Maple Police Village appeared before the council relative to the matters pertaining to the Police Village. It was decided that the members meet in special session with the Maple trustees at an early date for a full discussion of Village affairs. Dr. W. S. Caldwell, M.O.H., was present and addressed the council relative to certain features of health administration and relief. Routine business and passing of accounts occupied the major part of the meeting. J. C. Saigeon, representing the Globe Indemnity Company, was present re the renewal of the public liability and property damage insurance on the roads of the township for the coming year. The insurance was renewed.

MELVILLE

Robert West says,— Nothing is easier than fault finding, no talent and no self denial, no brains, no character are required to set up in the grumbling business. Miss Milroy of Agincourt spent Friday evening with her niece, Mrs. Fleming.

The Messrs. Clarence and Roy Housser and Miss Dorothy Housser of Dunville visited with Mrs. Gayman and family on Monday.

We are pleased to report the recovery of Mrs. A. D. Bruce after her recent illness.

Mrs. W. Topham is in the market for a real watch dog and a gun as 75 of her choice rock hens were taken one night last week.

The sympathy of the community goes out to the relatives of the late Mr. Donald MacKinnon.

The Rev. McEwen purchased a new Durant car recently.

Don't forget there will be a progressive crokinole party held at the home of Mr. W. J. Powells on Tuesday evening, Feb. 14th. Everybody welcome. The Cashel cupboard is not bare now, it has been replenished since the raid made on it one night last week by four hungry local men. We have it on good authority that they devoured a ham, a crate of eggs, 4 loaves of bread, 3 doz. cans sardines and a case of pop. Sounds like exaggeration, but they say not. Their wives are still wondering why they couldn't eat any breakfast next morning.

Mrs. W. Carruthers spent a few days with her daughter, Miss Ethel and son O. K. Carruthers and family in Toronto last week.

Mr. Robt. Ratcliffe must believe that signs point to an early spring for he has purchased a new motor for his boat.

Mr. and Mrs. Norman Hisey and daughter visited at Mr. Percy Spof-Miss Blanche Topham, nurse in training at the Ontario Hospital, Whitby, spent the week-end under the parental roof.

We understand Mr. Harold Powell of Oshawa has been very sick with the flu. We hope for him, a speedy recovery.

The Melville W.A. held their regular monthly meeting at the home of Mrs. W. Carruthers last Tuesday evening. Preparations were begun by this wide awake band for a big event which will be staged in the Spring. Watch this column for further announcements.

NEWTONBROOK

The Womens' Association of the United Church held a very successful Valentie Birthday Tea last Thursday afternoon and evening. Dainty refreshments were served and a social time spent. Those contributing to the afternoon musical program were: Mrs. Earl Bales, soprano, and Misses Eileen Kirby and Eleanor Innes who played piano duets. In the evening the following artists took part: Miss Grace Jolly, elocutionist, Mr. Tees and his string quartet consisting of Miss Greenway, Miss Porter, Miss Wheatley and Mr. Ratcliffe of Toronto, who gave quartets, violin solos and vocal solos. A hearty vote of thanks was extended to the artists for their very splendid program.

The W.A. has accepted the kind invitation of Mrs. J. Dean of Thornhill to her home for the March meeting.

Missionary Sunday was observed last Sunday morning in the United Church S.S. The Missionary Supt. gave an illustrated address on "Italian Missions in Toronto" and "The Story of Little Benpo" whose parents emigrated to Canada.

Miss Cora Good was in charge of the Y.P.S. meeting last Monday evening, and a very fine inspirational program was presented. After the business period, Mr. Hicks Smith gave a very graphic essay on "The Life of Holman Hunt" and his great masterpiece "The Light of The World," after which the picture was shown on the screen and its significance fully explained. Miss Sybil Skelly read the Scripture Passages which inspired the artist to paint this picture. A duet "The Light of The World is Jesus" was sung by Miss Eleanor Moore and Miss Margaret Shaw. An interesting paper on "The Great Faith of Some of The Worlds Greatest Leaders" was read by Miss Good. The meeting closed by singing a hymn and the mizpah benediction.

The Y.P.S. will hold a Valentine Party next Monday evening, with the Social Committee in charge.

Mrs. M. Sutterby has been confined to her home with the flu. Rev. A. H. Halbert attended the funeral in Toronto last Thursday of Dr. S. D. Chown.

Mrs. A. W. Galbraith is recovering after her recent illness.

Misses Jean and Dorothy Dermott returned home to Everett last Thursday after spending a month with their sister, Mrs. Knipe on 40th Ave.
