MAPLE

The Maple groups of the C.G.I.T. and the Young People's Societies of Teston, Edgeley, Hope and Maple held a very successful Rally in the United Church on Sunday evening with Rev. Mr. Christie as special preacher. The different societies took part in the service.

A large number attended the Dance given by the Women's Institute in the Community Hall last Wednesday evening. Max Cameron's orchestra of Aurora furnished excellent music.

The members of the Women's Institute wish to thank all those who contributed to the success of the Olde Tyme Dance.

There was a good attendance at the Community Hall last Friday evening when the Young People of Laskay presented the play "Wild Ginger."

The W.A. of St. Stephen's Church held its regular meeting on Thursday last at the home of Mrs. H. Bryan. After quilting and general business, tea was served by the hostess.

Mr. and Mrs. F. Hadlow returned last week from Kingston where they had spent the winter with their son and his family.

Mr. F. Hadlow purchased the residence of the late Louise Kaake, which was sold by public auction last Saturday. All the household goods brought a good figure.

Mrs. J. Manning is spending the week in Hamilton with her son C. W. Manning and family.

We regret to state that Rev. W. F. Wrixon is unable, on account of illness, to attend his regular services. His many friends hope for a speedy recovery.

A good time is expected at the Irish supper at Hope on Friday, March 17th. The three-act play "Only Me" will be given by the Young People of St. Columba's Church, Toronto.

The junior group of C.G.I.T. entertained the seniors at the home of Mrs. Routley one evening last week. A playlet showing the good effect of sunshine soap, fresh air and hot water, on "Jimmy Germ" was given by the girls, after which refreshments were served.

About forty-five from here visited the Young People's Society at Richmond Hill on Monday evening, and gave the Missionary program. After the opening exercises, Mrs. H. Alexander, convener of the missionary committee, took charge of the meeting. The program began with A Call to Prayer by Miss Agnes McLean, and a number of hymns were sung. After prayer the Scripture lesson was read by Mr. A. Forrest, and Mr. M. Kinnee took the topic which was of a missionary character. Solos were sung by Mrs. H. Alexander and Douglas Crooks and trios by Marjorie In-

gram, Agnes McLean and Earl Cooper. Miss Minnie Line, Miss Agnes McLean and Mr. C. Roberts gave instrumental selections, and several readings were given by Miss Ella McIntyre. Rev. A. M. Partridge then introduced Rev. T. Wallace, who gave a very inspiring address. A helpful talk on home missions was given by Alfred Forrest. Prayer was offered by a number of the Maple ladies. Dainty refreshments were served by the Richmond Hill Society, after which the company was led in a spirited sing song by Rev. T. Wallace. An invitation to the Richmond Hill Society to make a return visit to Maple on April 3rd was given by Mr. I. B. Musselman. The utmost good feeling prevailed and all returned home delighted with the evening's visit.

Car and Cash Disappear In Early Morning

FORD GARAGE BURGLARIZED WEDNESDAY MORNING

The garage of Little Brothers, local Ford dealers, was burglarized sometime early Wednesday morning and a 1932 Ford V8 car and about \$50.00 in cash stolen. The car was found by city police abandoned in Toronto on Wednesday, but so far no trace of the burglars has been obtained.

The intruders gained admission to the garage by breaking a rear window. The safe was broken open and cash taken, papers and documents sorted over and thrown around, but apparently the thieves were only interested in taking cash.

It is unusual for the firm to leave this amount of cash in the safe, and it was an unfortunate coincidence that this was probably the largest sum ever left in the garage over night. Mr. Little was in the garage after midnight, so it is certain that it was in the early morning hours the robbery took place. No one in the neighborhood reports hearing or noticing any unusual happenings during the night.

Constable Barraclough was called in the morning and investigated. City and provincial police were notified and later in the day the car was reported found in Toronto.

Bro. David Hill; D. of C. W. Bro. W. A. Wright; S.S., W. Bro. E. R. Metcalfe; J.S., W. Bro. J. A. Monkman; I. G., W. Bro. T. H. Trench. Following the work in the Lodge room a pleasant banquet was enjoyed in the lower hall.

FAIR BOARD HELD MEETING

The officers and directors of the Richmond Hill Fair held an enthusiastic meeting last Saturday afternoon. A horse show including a number of classes for saddle horses and hurdle events will be a feature of the day. A Polo game by two outstanding ladies teams is also under consideration and will probably be one of the attractions of the fair.

MAPLE PROPERTY SOLD

The property of the late Louisa Kaake, which was up by auction last Saturday, was sold to Mr. Charles Hadlow Sr., and has since been rented to Mr. Quinton. The household goods and furniture were also sold and realized excellent prices. There was a large crowd in attendance and the sale was capably handled by auctioneer J. Carl Saigeon of Maple.

SOME LEMON

A lemon measuring 14 inches in circumference and weighing one pound ten ounces is now on display in The Liberal Office window. It is so large that at first glance you would take it for a grape fruit. It was brought from Florida by Mr. George Chadwick.

CARRVILLE

Let it rain, let it pour, it doesn't matter at Carrville. Despite the weather on Monday night, we had a good turnout at the Y.P.S. The program, without a doubt, was the best in a long time. We had several speakers and all were the very best, in fact you really missed something by listening to the rain on the window at home. So take a tip from someone who knows and be sure to come next Monday night and we will welcome you.

Mrs. Jensen of Toronto sang a beautiful solo "The Ninety and Nine" at church on Sunday night, which was very much appreciated by all.

Mrs. A. Ridley of Oakville spent Tuesday at M. L. Burtons.

TESTON

Men and teams are busy getting the church wood lot in McCabe's bush cut and hauled to the church for cutting into stove lengths.

Mr. R. Hall wears a very pleasant smile—its a boy.

About a dozen of our men journeyed to King City on Friday evening for the service for men only. Mr. Gould of Uxbridge spoke. A good time is reported.

Teston was well represented at the Y.P.S. Rally in Maple Church Sunday evening. Next Sunday evening Miss Marie Castator, vice-president of the Citizenship Department, announces that the feature of the evening will be a set of slides and will be very interesting.

We are told that when the Millennium comes, spears will be turned into pruning hooks, etc. There seems to be a movement that way here for axes are being turned into horse-shoes.

Mr. Walter Monk is still under the Doctor's care.

Master Wilbur Hadwin is around again after being laid up for a short time.

Miss Mildred Monk, having been listening to some music from the coast, heard the broadcast of the earthquake at Long Beach, Cal. The crashes and noise of the aeroplanes taking pictures could be plainly heard.
