ALBERT E. GLASS HEADS LACROSSE CLUB

An enthusiastic meeting of the R.H. A.A.A. was held last Tuesday evening to organize for lacrosse for the coming season. Officers for the year were appointed as follows: honorary president, Bill Neal; president, A. E. Glass; vice-president, Bert Cook; secretary, J. E. Smith; treasurer, Harold Clark; executive, Fred "Dempsey" Armstrong, Dave Middleton.

Percy C. Hill was selected as manager of the Young Canadians, senior team. Whether last year's Tri-County champs and winners of the McCarthy trophy will again be playing in the same company depends on how the league lines up. Anyway, it is assured Richmond Hill Young Canadians will be playing senior lacrosse, whether in the Tri-County or in some O.A.L.A. grouping.

A meeting of the Tri-County is expected any day now, and the woods are full of rumors about what is going to happen. One guess is about as good as another, but it appears likely all will be in the O.A.L.A. Richmond Hill delegates will hold up both hands for joining up with the provincial body.

"Charlie" Rowntree, Young Canadian stalwart has been transferred from Woodbridge to Newmarket. Charlie, aside from playing lacrosse and coaching hockey teams, is a representative of the British-American Oil Co., and in future will look after the interests of that company in the Newmarket district. It is a safe bet that Newmarket will soon be as famous for lacrosse as for junior hockey.

Orillia is a real lacrosse town. This year they are starting out in real earnest and have set for themselves the goal of winning the provincial championship. Norm Cook will pilot their senior team, which has this ambition.

Orillia club wants a new name for their team. A firm there is offering a prize for the best suggestion—"Colts," "Terriers" and a host of other names have been submitted. If the contest is open we might recall some of the names which the Orillia team was called throughout the circuit last fall and maybe win the prize.

Elmore Harding was named as assistant manager for the "Young Canadians." Junior and juvenile lacrosse which will also be sponsored this year was placed in the hands of Bert Cook, James Ellis, James Pollard and Bert Middleton.

History of man: At age six climbs a tree and cries: "Look at me, where I'm at." Repeats, with slight variations, for 64 years.

GARAGE BURGLAR CONVICTED

Leonard Bowen has pleaded guilty to the robbery of Little Brothers garage here recently and is now awaiting sentence. Bowen was identified and afterwards convicted largely on the finger prints taken at the Little garage by Constable Barraclough on the morning following the burglary. Bowen has a record in police court dating back to 1926. Constable Barraclough was highly commended by court officials for his work on this case.

UNITED CHURCH Y.P.S.

Junior Farmers News

March the twenty-first may not mean much to most people, but to the Junior Farmers it is the most significant date on the calendar. March the twenty-first means the arrival of Spring, and the arrival of Spring means—work for the Unionville Juniors. Spring rode into this year on a panorama of clouds in a swirl of rain, but in she came, nevertheless, and with her coming we are reminded that enthusiasm is on the up and, incidentally, our coffers are lack. So, on with the dance! If we are to give relief, we must have money. If we are to have money we must earn.

The executive committee on the evening of the twenty-first was rife with the talk of our Spring dance at Falvern, but first we must inaugurate our new orchestra—give it its debut, as it were. On the evening of April twenty-first the hall of "Cap" Adams Milliken will be treated to a dance for club members and friends. There will be a nominal charge of twenty-five cents for boys.

The April meeting was also a subject for a great deal of discussion. It will be featured by the visit of E. Archibald, famous dog trainer, who will give us an hour's talk and demonstration. The only remuneration required is farm products for city relief. The members are requested to bring potatoes, beans, carrots—whatever you can spare. There's a better system to club meetings now, with a quick-change-no-waste-time method calculated to give more educational opportunities and social communion at one and the same meeting. Meetings henceforth will commence at 8:15 sharp. Members please note.

GEORGE SMITH IS CARETAKER AND CONSTABLE

VETERAN MUNICIPAL EMPLOYEE NAMED TO FILL POSITION—TWENTY-EIGHT APPLICANTS

George Smith who for a number of years has served as caretaker, was appointed caretaker and constable for the village at a special meeting of the Richmond Hill council held Tuesday evening. Deciding to combine two positions of caretaker and constable the council advertised the vacancy and received twenty-eight applications. Fourteen were from Richmond Hill and fourteen from outside the village.

Following the reading of the applications councillor Little suggested that those to be considered be confined to Richmond Hill residents. The other members agreed and Reeve Greene and councillor McLean commented on the fact that a fine lot of applications were received. Councillor Mills pointed out that when the former caretaker was discharged nothing was said against him and apparently there was no complaint concerning his work. The only idea in discharging him was to have one man do both jobs in the interests of economy. It was then moved by Councillor Mills that George Smith be appointed caretaker and constable for Richmond Hill. The motion was seconded by councillor James McLean. Councillors Little and Middleton voted against the motion, making it a tie, and Reeve Greene cast the deciding vote in favor of the appointment of Mr. Smith. The salary as advertised will be \$90.00 per month.

HORTICULTURAL SOCIETY

The regular meeting of the Horticultural Society was held in the High School on Tuesday evening, March 28th, with a good attendance. Owing to the absence of the President, Mr. T. H. Trench, 2nd Vice-President, occupied the chair. The special speaker of the evening was Professor Howitt of the Ontario Agricultural College, Guelph, who gave a splendid and most interesting lecture on "Control of Weeds and Fungus Diseases in the Gardens" stating causes of disease in plants, environment, virus and parasites, and also gave general principles in disease control, prevention, prompt measures, planting of resistant varieties, sanitary measures, destruction of refuse and destruction of weeds. A vote of thanks to the speaker for this interesting talk which has given rapt attention by those present, was moved by Dr. J. P. Wilson, seconded by Mr. R. D. Little.

A membership campaign has been planned by the Society and canvass made before Easter when it is hoped all citizens will join this worthwhile organization. The annual fee is \$1.00.

A quiet, but pretty wedding took place at the home of the bride's parents, Victoria Square, on Wednesday, March 22nd, when Margaret Helena, second daughter of Mr. and Mrs. Angus Valliere, was united in marriage to Franklin John Brumwell, son of Mr. and Mrs. Wilmot Brumwell, Rev. Percy Peacock officiating. The wedding music was played by Miss Dorothy Valliere, sister of the bride. The bride, who was given in marriage by her father, wore a gown of peach colored flat crepe. She carried an arm bouquet of Talisman roses and Maidenhair fern, and wore the gift of the groom, a silver bracelet. She was attended by her sister, Miss Grace Valliere, as maid of honor, who wore a frock of tropic green crepe, and carried a bouquet of Briarcliffe roses and fern. The groomsmen were Mr. Gordon Mortson. After a dainty wedding supper the happy couple left for a trip to Montreal and Eastern points. For travelling the bride wore a blue ensemble with hat and accessories to match. On their return they will reside at Victoria Square.
