About 50 members were added to Horticultural Society on Monday night. The Town Hall was filled when the president called a meeting to order. The magnificent landscape garden of Mr. Herbert Begg on Lytton Blvd., Toronto, was shown from many different angles. The gardens of Mr. R. S. McLaughlin, such beautiful color effects in a garbly think it was possible to get such beautiful color effects in a garden. At the conclusion of the address a hearty vote of thanks was extended to Mr. Hall who offered a collection of roots or plants by May 24th to the member who can between now and May 24th secure the greatest number of members.

THE TASK OF THE ANGLICAN CHURCH IN CANADA

(By the Rector of St. Mary's Church, Richmond Hill, Ontario)

Everybody knows the shock that came to members of the Church of England in Canada when it was learned that all the endowment and beneficiary funds of the Church in the West had completely disappeared; that the great life work of the late Archbishop Machray and his successors had been dissipated; an amount of almost One Million Dollars of Church funds could not be accounted for all because the trusted, cultured Chancellor of the Province of Rupertsland, thenephew of the heroic Archbishop, Mr. John Machray M.A., K.C., L.L.D. had betrayed the trust and confidence placed in him by all those heroes of the Gospel of the Prairies, the mountains, the Arctic and the great Kinterlands.

The money had come originally from England and Scotland collected as Missionary money from the poor as well as the rich of the British Isles. These, with their loved ones in Canada were anxious that the ministrations of the Church of pure British Tradition should be available for every citizen of the Empire.

What Is Being Done The first thing to be done was to provide for the carrying on of the work until such time as the enormous amounts could be replaced. This was done in two ways—the Missionaries and office helpers of the Missionary Society were asked to contribute seven per cent of their salaries. Then the Bishops and Clergy of the Church throughout the Dominion were called upon to contribute over a period of three years as much as possible. It is gratifying to know that this fund to provide for the carrying on of the work was over subscribed.

The Replacing Of The Funds Now comes the great effort on the part of the Lay Men and Women of the Church. Mr. Machray is now in the penitentiary dying slowly of cancer. He was not prosecuted by the Church but by other bodies who had trusted him. It is said the Britisher is at his best when confronted with a real difficulty so in the midst of a period of economic depression a tremendous effort is being made by the whole Church to replace the funds upon which the whole work depends.

The Campaign has been thoroughly organized, each Diocese has its own machinery. In Toronto, Sir Henry Drayton, a former minister of finance is directing the campaign together with men of every walk of life. The Diocese of Toronto is asked for about quarter of a million dollars. Every Parish has been allotted an amount as its own objective. This is the great task of the Lay Men, and in a most noble and sacrificial manner these men and women of the Church, with characteristic British determination, are facing the difficult task.

The Appeal To All Anglicans The appeal is to all Anglicans; men, women and children. Of course, that such a task is necessary is regrettable in the extreme. It is a most unpleasant task. But then life provides its unpleasant work for every one of us. It is not a question of fairness, there is no time or place for arguments pro or con. There is but one thing to do. Only one thing for every individual lover of the Church of this tradition to do, and that is for everyone to do his or her very best before God and the cause by Prayer and Sacrifice.

St. Mary's Church Organizes St. Mary's Church, Richmond Hill, has organized for their effort. Under the chairmanship of Mr. H. V. Armstrong assisted by Mr. T. Carter, and Mr. Donald Frisby as Secretary-Treasurer. A band of canvassers will receive credentials and instructions before proceeding to call upon the members of the Parish. A large number of whom have been completely deprived of income, some have had their salaries considerably reduced, a few remain with enough of this world's goods and to spare. Everything is being taken into consideration. Nobody will be embarrassed, no pressure will be brought to bear—only to everyone will be presented the golden opportunity of having a part, even a small part, in a great task for Christ and His Church. The message of Good Friday is ever with us, the unpleasant task, the result of a tragic blunder, is our task. May every member of the Anglican Communion, and every erstwhile member rise to the occasion in a manner worthy of our best traditions.

Anyway, business giants no longer have the nerve to call poets and such "impractical visionaries."

The proof of growth is the fact that you now pick bigger people to envy.

On Monday evening there will be a supper and concert.

The concert is to be given by forty-five male voices of Toronto under the leadership of A. E. Bowles of Runnymede United Church. This program for Sunday and Monday offers to be a real treat, so be sure and keep this date open, May 7 and 8. "The Adventures of Grandpa" a play given by Willowdale Presbyterian Church which was to have been presented in Eversley Presbyterian Church on Monday evening, April 24th, is cancelled until a later date.

The funeral of the late William Green of Aurora took place to King Cemetery on Saturday afternoon. The late Mr. Green lived for many years just out of King and was widely known in this vicinity. Deepest sympathy is extended to his widow and daughters.

**"Americans Come To Me".**

George Bernard Shaw, whose pungent wit has enlivened the world cruise of the Canadian Pacific liner "Empress of Britain" when he arrived at San Francisco recently, denied he had ever said "what never visit America."

"What I said," the Irish dramatist remarked, "was there was no need for me to visit America, as all interesting Americans come to see me."

That this was true is proved by the picture, for here in the Mayfair lounge of the 42,500 ton liner, he is seen with Mayor Angelo Rossi, who not only went to Shaw, but dressed himself in his cutaway and wore a carnation.
