

WEEKLY NEWS NOTES FROM THE UNIONVILLE DISTRICT

HIS MOTHER She asked no station by His side, When He was glorified of men, Who saw His miracles She claimed No credit then.

Most of all the other beautiful things in life came by twos and threes by dozens and hundreds. Plenty of roses, stars, sunsets, rainbows, brothers and sisters, aunts and cousins, but only one mother in all the wide world.

The regular monthly meeting of the Women's Association of the United Church was held on Wednesday, May 3rd, at the home of Mrs. F. Pollard. There was a good attendance. Mrs. G. Compton read the scripture lesson and the Bible talk was given by Mrs. A. Coulson.

A delightful spring day and a splendid program brought a large attendance to the annual May meeting of the local branch of the W.I. held at the home of Mrs. Rev. D. A. MacKeracher, Main St., on Thursday afternoon, May 4th.

The Horticultural Society met in the Township Hall on Tuesday evening, May 9th. The program was given by the losing side in the membership contest, the captain, Mr. Fred Leaf, acted as chairman. Mr. John Moscow, of Agincourt, accompanied by Miss Armstrong, rendered several beautiful violin solos.

Mr. Stuart Thompson of Toronto was the guest speaker of the evening and the crowd that turned out to hear him were most interested in his illustrated lecture on our Canadian Wild

Flowers. The pictures were all taken by Mr. Thompson on some of his trips through the woods. Some of the flowers we knew quite well but others were not so common, but all grown in Canada.

The most novel item on the program was Mr. Thompson's imitation of the call of birds which was so real we almost thought it was the birds themselves. He is quite familiar with the haunts of all these birds and gave a description of each.

Mr. Leslie Miller, president of the Society, moved a vote of thanks to Mr. Thompson and all the other artists who assisted in making the program so interesting. The singing of God save the King brought the meeting to a close.

ESSAY CONTEST Approved by the Honourable George S. Henry, Premier and Minister of Education, an essay contest for cash prizes totalling \$200 is now being held among the school children of the Province as part of Canada's celebration of the fiftieth anniversary of her nickel industry.

"What Nickel Means to Canada" is the subject upon which all pupils in the day sessions of the high, continuation and vocational schools in this Province are invited to write in competition for a first prize of \$100, a second prize of \$50 and two additional prizes of \$25 each. The International Nickel Company of Canada, Ltd., is offering these prizes.

Napier Moore, editor of MacLean's Magazine, Brigadier General Charles H. Mitchell, C.B., C.M.G., Dean of the Faculty of Applied Science and Engineering at Toronto University, and Dr. C. W. Drury, chairman of the Toronto branch of the Canadian Institute of Mining and Metallurgy, will serve as judges.

The Department of Education has issued a memorandum to the appropriate school authorities, announcing the contest and giving its terms. The preamble to this announcement reads:

"During the past twenty-five years, the Ontario mining industry has attracted world-wide attention. The output of the various mines has increased in volume by many millions. To-day, the production of the mines in Northern Ontario places Ontario among the foremost countries of the world.

Eighteen eighty-three, fifty years ago, saw the commencement of the nickel industry in Ontario. This year, Ontario celebrates the Jubilee. With a view of fixing interest in nickel and its uses, and to promoting a knowledge of the nickel industry, the International Nickel Company has offered to institute an essay competition among the pupils of the High, Continuation and Vocational Schools of the Province.

"The Honourable George S. Henry, Premier and Minister of Education, is in full sympathy with the proposed competition and recommends it to the favourable consideration of Boards of Trustees and the principals of the schools concerned."

A similar contest is being organized in co-operation with the Department of Education of the Province of Quebec.
