The Fair Presidents' Message

On behalf of the officers, directors and members of the Richmond Hill Agricultural Society, I extend to all the people of the district a cordial invitation to attend the 84th annual Fair next Wednesday, May

It's going to be a great show, and I know if you come you will have an enjoyable afternoon. The Horse Show and other attractions will be outstanding and in addition to sights of the Fair I know that you will meet many old time acquaintances and will receive warm handclasps from friends you haven't seen since last 24th of May.

A splendid program has been prepared and personally I wish to thank the officers and directors for their untiring efforts to make the 1933 Fair a success. I sincerely trust that the splendid public support which has been given the Fair in past years will be continued in increased measure this year, and that 1933 will establish a new attendance record.
