Richmond Hill Fair Best In Many Years

Fine Horse Show Wins Approval of Visitors—Hurdle Events and Ladies Polo Premier Attractions—List of Prize Winners

Richmond Hill 84th Annual Fair was a notable success. A sharp thunder storm in the early morning and numerous showers throughout the forenoon threatened to spell disaster to the hopes of the officers and directors but by noon the overhanging clouds had cleared away and in the early afternoon the weather was ideal for a fair. The sun shone brightly and the air freshened by the morning showers was fresh and springlike. Undoubtedly the threatening weather of the morning kept many away and the attendance while large did not reach the record point which it probably would have touched had the weather early in the day been more promising.

The grounds of the Agricultural park never looked better, and the very noticeable improvement was commented on by the many visitors to the fair. The showing of horses was the feature of the day, and the horse show was one of the best held in many years. This was especially true in the heavy horse and saddle classes, the competitors in the roadster classes not being so numerous.

The saddle classes, the hurdle events and the ladies polo game proved the popular attraction during the afternoon and the people were delighted with the events and admired the fine horses and the superb horsemanship of the fair contestants. The polo game was staged by the Red and Blue teams of the Eglinton Hunt Club, and the "Reds" won by a score of 6-3, after playing three five minute "chuckers" or periods. The jumping events were keenly contested and were followed with great interest by the spectators.

The judging of the horse classes attracted the interest of a large crowd throughout the day, and the fine quality and performance of the equines delighted the visitors. A. J. Mitchell, Richmond Hill, won 1st for his Clydesdales E. T. Stephens took the red ribbon for the team in the Percheron, Farm Chunks and General Purpose classes, and John D. Patterson 1st for the Agricultural team. There were five teams in the Percheron team class and there was much interest and speculation among the spectators concerning the outcome. J. Torrance, Markham, won the sweepstakes for heavy classes with his fine imported three year old mare, G. A. M. Davison, Unionville, was a prominent winner in the roadster and pony classes.

Football was the main sport attraction during the day and in the final game of the tournament Richmond Hill and Emery were tied 0-0, and ten minutes overtime failed to bring a score from either team.

The athletic events, sponsored by the Spartan Athletic Club, were keenly contested and brought out some excellent competition.

Prize winners at horseshoes were: doubles 1st, G. Walwin and G. Yerex, Richmond Hill; 2nd, Messrs. Golden and Lenningham of Islington; consolation 1st, Messrs. Horseley and Dundas, Toronto; 2nd, W. Orr and Neil Malloy, Maple; 3rd, Messrs. Steel and McDonald, Islington. Singles 1st, G. Walwin; 2nd, J. Dundas; 3rd, W. Steel.

The exhibits in the main building were the best in several years, the exhibitors including F. Y. W. Brathwaite, Hardware, Richmond Hill Knitting Mills, Hydro Electric, Richmond Tailors, Department of Agriculture, David Hill and Co., Little Brothers and Richmond Hill Concrete Block Co.

An exhibit of more than passing interest was the old bus, which was operated as a vehicle of transportation between Toronto and Richmond Hill in the period 1880-1896. It was exhibited through the courtesy of the T.T.C. who were responsible for having the old bus preserved as a model of transportation of a by-gone day.

In the evening the lacrosse game attracted a crowd of about 500 when Mount Dennis won the first round of the junior play-off by a score of 6-4 from the fast Oakwoods aggregation.

Another popular attraction was the archery competition. The contest attracted a large number of spectators throughout the afternoon and the fine marksmanship and skill of the fair contestants was much admired. Miss

Besco of Port Credit won the silver cup donated by Mr. J. S. McNair having a score of 847. Miss Knight of Toronto was second with 737.

The centre of much attention in the main building was the Tulip Show staged by the Horticultural Society. A large number of beautiful blooms were exhibited which added much to the attractiveness of the fair. A full list of the prize winners will appear in our next issue.

President J. A. Greene, the other officers and directors had a busy day, but the wonderful success of the 84th annual fair reflects much credit on their efforts.

Tri-County League Official Opening Held Here Next Saturday Night

TORONTOS OPPOSE YOUNG CANADIANS IN
OPENING GAME—TRUMPET BAND IN
ATTENDANCE

The Tri-County Lacrosse League will be officially opened here Saturday night when Torontos play Young Canadians in the first league game of the season.

Torontos are rated as the best senior team in the Queen City and Young Canadians intend to go the limit to register a win in this initial encounter. Not at all discouraged over their 12-6 defeat at the hands of Orillia's imports last Monday, Young Canadians practice to-night (Thursday) and are confident they can give a good account of themselves in this spring series.

Cavallo will likely hold down the net guarding position and last Friday's line-up will be strengthened by the addition of "Shorty" Turan of Newmarket and Gapp, husky defence star of the Celery Kings.

Reeve Greene and A. E. Glass, president of the lacrosse club, along with officers of the Torontos club will take part in the official opening ceremonies Saturday night sharp at 8:30 p.m., daylight saving time. The Richmond Hill Trumpet Band will be in attendance.

The junior game here Wednesday night between Mount Dennis and Oakwoods was one of the best of the season. It was a real lively battle with lots of thrills and excitement. Mount Dennis won and on the night's play looked a little the better team and are now favorites to win the series.

Defeating Young Canadians by a score of 12-6 last Monday night Orillia demonstrated that the northern town is going to make a determined bid for lacrosse honors in this section of the province. Young Canadians played far from their best lacrosse and they are capable of giving the "Imports" a much better battle. For the winners Scott, formerly of Mimico, and Clark, notorious defence ringer of the 1932 fall series, were outstanding and accounted for a majority of Orillia's counters. Orillia management when going into the import business must be given credit for picking some good ones. They have a good team and will be hard to beat, but we will be surprised if Young Canadians don't hand them a trimming before the series ends.

Monday night Thornhill defeated Richvale in a North Yonge Softball league fixture by a score of 20-13. The game by innings:

Thornhill	5	0	2	1	0	5	0	2	20
Richvale	0	0	1	0	5	2	5	0	13

Close Race Between Contestants In Good-Will Club Campaign

Candidates Should Work Hard This Week to Collect
Arrears Which Carry Big Votes—Another
Special Prize, Lady's Manicure Set

Any one of the first nine or ten candidates is in a position to win first prize in the Good-Will Club competition, so close are the total votes recorded at this time. The ultimate result depends entirely upon the work accomplished between now and the end of the campaign. This work depends not only upon the contestants themselves, but also on the subscribers who are supporting them. Every subscription paid before the close of the contest can be credited to any candidate whether paid to them or at this office. Subscribers who have paid before during the contest can add another year if desired. This counts big votes and will help your favorite to win.

Extra Votes on Back Subscriptions
The largest credit of the entire campaign is given on arrears this week. 50,000 extra votes is added for each year back subscription. This represents big votes for practically every dollar secured, and certainly the workers this week will be the winners of the grand prize awards. Also the 50,000 extra votes for new subscribers will be extended until next Monday night.

Last Week for Coupons
To-day's issue carries the last coupon of the campaign. All coupons should be turned in with next week's report.
