In Whitchurch Township no money will be paid for weed cutting this year according to a recent decision of the council. Each farmer is expected to cut the weeds opposite his own property.

Stouffville School Board is considering reducing the public school staff from 5 to 4 teachers. There are approximately 165 pupils at the school.

Hen coops are being raided in the

celebration this year on August 5, 6 1933. and 7. It will be under the auspices of a veterans organization.

L. J. C. Bull, magistrate of Peel County Police Court, has become the possessor of an old hayfork, evidently dating back to pioneer days in the county. The fork was discovered in a barn in the rear of the Victoria Hotel, once the Revere House, under a pile of ancient chaff. The tines on the fork alone weigh ten pounds, being fabricated from hand-wrought iron.

York Market

Barrister, Solicitor & Notary Public Big bunches of blossoming tree Toronto branches and flowering shrubbery at ADelaide 4140 North York market this week added their beauty to the stands already gorgeous with trilliums, marsh marigolds, violets and other wild flowers as well as their cultivated sisters and an endless variety of boxed annuals, and perennial plants. To attempt to quote prices would be useless, but the

Foodstuffs seemed of secondary importance, nevertheless they presented not only a good supply of what might be expected, such as eggs, butter, home baking and all the seasonable vegetables and meat, but some new low prices and a few "finds." Among these latter were morels, 15 cents for a pint box, and two aristocratic pom-Office-711 Dominion Bank Building eranian puppies, for which only four southwest corner of King and Yonge dollars each was asked.

Spring lamb was \$2.50 for hind W. B. Milliken, K. C. Herb. A. Clark quarters, \$1.50 for legs and \$1.50 and 22c. leg and 8c. for stewing meat.

With a greater supply, vegetable prices are coming down. Asparagus from Cancer rose from 2200 to 3100 Ontario was plentiful at 4 for 25c. with some while those of Tuberculosis fell from Office over Davies Dry Good Store only 5c. bunch; hothouse tomatoes could be had at 30c. lb., and large cucumbers were 25c. each, smaller ones selling at 15 and 20c. each. The first delicate little Canadian head lettuce attracted attention and a crateful went quickly at 5c. each. Green onions were 2 for 5c.

LIFE'S DRAMA

(By Edgar A. Guest) "Hello life," I thought to say As I got out of bed to-day. "Hello world, with all you hold, Ever young and ever old; Background for the drama played Here by men by passions swayed, Torn by doubts and hopes and fears, Glorious setting for our years.

"Here beneath a lovely sky Anxious men go hurrying by, Seeking something out of strife To enrich their days of life. Here amid a blossomy scene Some are selfish, some unclean, But the most of men believe There are triumphs to achieve.

"Trees and streams and fields re Backdrops for man's loss and gain. All we are and all we do Sun and moon in silence view. Summer roses watch us play, Watch us put our dead away. Wheresoe'er mankind has gone

"Fascinated oft I stand Watching toil of brain and hand, Love and hatred, joy and grief, Saint and sinner, sage and thief, Frenzied mob and courage great Battling with the odds of fate; And, entranced, I wait to see What the next great act will be."

Is life's drama running on.

GEMS FROM LIFE'S SCRAP-

Ambition "Unselfish ambition, noble lifemotives, and purity,-these constituents of thought, mingling, constitute individually and collectively true happiness, strength and permanence." -May Baker Eddy "If you wish to reach the highest,

ASHPHALT ROOFING, GYPDOC. begin at the lowest." "Take away ambition, and where will be your heroes and patriots?"

"Ambition is the germ from which all growth of nobleness proceeds." T. D. English. "Be always displeased at what thou art, if thou desire to attain to what

thou art not."

> Dr. W. C. Trotter, D.D.S.—Regularity of inspection of the teeth from the age of two by the family dentist will prevent 99% of the conditions requiring dental care in adult life. Dr. T. E. C. Butler, D.D.S.—The pre-

mature extraction of deciduous (baby) teeth tends to improper direction of the permanent teeth. Tooth-brush care, while important, is not so important as diet in preventing decay of deciduous teeth.

Dr. Wallace Secombe, Principal, Ontario Dental College—Biological experiment has clearly shown that the quality of tooth tissue and the presence of development defects are directly influenced by food.

Dr. E. W. Paul, Extraction Specialist ! -Except where there is fever or other evidence of marked constitutional reaction a tooth causing pus formation should be extracted at once.

Thumb and comfort sucking, mouth breathing, resting chin on one or both hands, rickets and faulty diets, etc., are causes of malocclusion (improper coming together of the teeth).

Dr. Vernon Fisk, Orthodentist-Most cases of malocclusion can be corrected in from three to twelve months. Dr. Harvey G. Bean, Orthodentist-

Orthodentia (straightening the teeth) adds to health, to beauty, to opportunity, to advancement. Dr. A. D. A. Mason, D.D.S.—A gold! crown is not a menace to health,

providing the tooth it covers is Dr. Gordon McLean, D.D.S .- It is far better to be ultra-radical in the matter of teeth extraction than to

be ultra-conservative. Dr. W. M. Seymour, Staff Dentist in Ontario Hospitals for Mental Disease-Impacted and suppressed teeth may sometimes be the cause of mental disease.

Hon. Dr. J. M. Robb, Ontario Minister of Health-The Provincial Government is prepared to co-operate with the Dental Profession in the care of the indigent sick, just as it has co-operated with the Medical Profession.
