RICHMOND HILL ANNUAL FIELD DAY AND STREET DANCE WILL BE HELD WEDNESDAY AUG. 23rd.

Is Richmond Hill going to have a Street Dance? This has been an oft-repeated question during recent weeks and the answer is YES. The annual Field Day and Street Dance has established the reputation of being one of the biggest events of the summer season in this district, and the thousands who enjoyed the big day last year are looking forward to this year's event.

At a meeting of the Richmond Hill Amateur Athletic Ass'n. held Tuesday night final plans were completed and the date definitely set for WEDNESDAY, AUGUST 23rd.

The committee in charge and the members of the association along with the citizens of the town and district are determined that nothing will be spared to make the 1933 field day and dance a record breaker in every respect. The committee members are planning things on a big scale and preparing to accommodate and entertain thousands of visitors to Richmond Hill on that day. Large committees are now being formed and the enthusiasm and whole-hearted support which is evident on every hand augurs well for the success of the third annual celebration.

Harold J. Mills, president of the Athletic Association, is the general chairman and the committee chairmen assisting him include Reeve J. A. Greene, chairman Midway Committee; James McLean, chairman of the Ticket Selling Committee; William Neal, chairman of the Dance Committee and Rusty White, chairman of the Sports

Committee. There will be a big program of sports in the afternoon, probably including junior lacrosse, mixed softball, and a big program of athletic events which it is expected will attract the foremost athletes of the entire district. In addition there will be some novelty attractions including such events as climbing the greasy pole, catching the greasy pig and a host of other novel events which are sure to prove interesting and amusing.

At night the big fete will be on Yonge Street when there will be dancing and attractions for young and old. The committee will have some very attractive surprises for the big night program which will be announced later. It's going to be a big jolly frolic with an extravaganza of attractions on a large scale never before equalled in this part of Ontario.

President Harold Mills appeals to all the citizens of the district to start in right now to work and boost for the big celebration. The ticket selling committee chairman will have tickets available for sale in a few days and the drive will be on. The day will be just as big and just as successful as the whole-hearted support of the people make it. Let's make the 1933 Field Day and Dance the best yet.

Valuable prizes will be given to the holders of lucky number admission tickets and will be announced next week.

PRIZE WINNERS AT MAPLE

Maple teams won premier honors in the boys' lacrosse, football and mixed softball at the annual Field Day on Saturday. The Maple Buds, pride of the district and a fine lot of junior lacrossists defeated Richmond Hill Young Canucks in the first game and in the finals won from Richvale. Congratulations to the Maple Buds and their mentor, "Cal" Miller. Edgeley mixed team was the runner-up in the softball final, but I. B. Musselman's crew proved too formidable and emerged the victors. In the football Maple won from Vellore in the finals to capture the first prize. Mr. Gracie of the Bank of Commerce staff was the winner of the lucky number admission ticket, and Mrs. Parnell White won the draw for the bag of sugar. It was a most successful and enjoyable day and attracted a large number of visitors.

BIG CROWD AT TESTON STRAWBERRY FESTIVAL

Despite the threatening weather a record crowd attended the Teston Strawberry Festival Wednesday evening. All enjoyed the hospitality of the Teston people and especially enjoyed the good cooking and generous helpings of strawberries provided and served so capably by the ladies of the church. "It's no wonder that they always get a crowd at Teston, they use you so well" was the unanimous comment of those present. The Kansas Farmer and his Clover Hullers orchestra delighted the audience with a splendid program following the supper.

BURTON FAMILY RE-UNITE AT BURNABY FARM

Upwards of one hundred and fifty members of the Burton Clan answered the call and trooped to the home of Mr. and Mrs. Frank Burnett on the Burnaby Farm, Lot 60 Yonge Street, on Saturday last. It was the annual Burton Re-union picnic and was held in honor of Mrs. Daniel Steele, oldest member of the Clan, who has reached her 90th milestone. Most everyone present visited Mrs. Steele in her room and offered congratulations. A feature of the event was an autograph album in which everyone present wrote their names and it was presented to Mrs. Steele as a keepsake. This she prized very much. Other members who have reached the Octogenarian stage were Mr. and Mrs. James E. Devins, Woodbridge, and Mr. W. H. Bunt, Toronto. The outing was enjoyed by numbers of the group who sat on the shore of Little Loch Lomond and talked of the beauties of the location which they said were the Highlands duplicated. There were sports for young folks and presents for older folks. Among the latter were Mrs. R. McEwen, Coldwater; Mr. and Mrs. J. E. Devins, Woodbridge; Mrs. Robert Burton, Woodbridge; Neil Burton for being president; Mrs. Frank Burnett for being hostess who also was awarded first honors for the largest family present, while second honors were divided between Mr. and Mrs. Robert Livingston and Mr. and Mrs. Harry Ezard. A well prepared history of the Burton Clan which went back about two hundred years was read by the Clan historian Miss Violet Hewson of Brampton; Neil Burton spoke words of welcome; Miss Mary J. Burton read a number of amusing selections, and there was community singing. Guests present were: Mr. Sam Charters, M.P. and Mrs. Charters Brampton; Mr. and Mrs. Colin Cameron, Thistletown; Mr. and Mrs. Watson Farr, Woodbridge; Mr. and Mrs. Robert Watson, Nashville. Mr. Charters recalled the days fifty years ago when he was goal-keeper for the Brampton Excelsiors and used to drive across from Brampton, coach and four, to cross sticks with the then invincible Richmond Hill lacrosse team which he said was the hardest to put down that the Excelsiors had to meet. Mr. Charters was a pioneer in the game, and loves to talk about the grand old Canadian game. Those who directed the sports were, Miss Catharine Norton, Bob Robertson and Frank Dilman. Officers elected were: President, Neil Burton; 1st Vice-President, Oliver Burton; 2nd Vice-President, George Norton; 3rd Vice-President, Burton McEwen; Secretary-Treasurer, Mrs. Frank Dilman, Toronto.

Orillia Terriers Rally To Win By Narrow Margin From Young Canadians

Orillia Terriers, winners in fourteen straight games this season, had to go the limit to win by a narrow margin from Young Canadians in a senior Tri-County game here Tuesday night. Young Canadians played their best game of the season and led from the start of the game right to the last period. Going into the final stanza with a two goal lead it looked as if Young Canadians were going to hand the Terriers their first defeat of the year. However, a scoring rally put the Orillians out ahead and they won the game by a score of 16-14.

It was a great game and a large crowd of fans enjoyed the finest exhibition of lacrosse seen here this season. It was hard fought, and was featured by plenty of action, but was clean and free from any objectionable happenings. At all times all members of both teams displayed excellent sportsmanship and the game was efficiently handled by referees Jack Burrell and Pete Ella. The fans at the conclusion of the game were unanimous in expressing pride in the good game played by Young Canadians, admiration for the brilliant plays of the victors, and satisfaction in having witnessed a fine exhibition of Canada's national game by two great teams.

The locals started in with a burst of speed and combination which had the visitors in a daze for the first ten minutes. The greenshirts scored 4 splendid goals before the Terriers got organized to stop the onslaught. Rusty White, who played his best game of the year, figured in all four goals. It looked as if nothing could stop "Rusty" as time after time he outwitted the Orillia stars. Chuck Weese, who turned in a splendid game for Young Canadians, scored the first counter of the game, taking the pass from Rusty White. "Cal" Miller started the play which accounted for the second. He carried the ball up and after a clever effort lost the ball, which was picked up by Rusty White who made a quick dash for the Orillia nets and beat Hinds for the second goal of the game. Bill Mullis who was one of the Hill's most effective players throughout the night took a pass from Rusty to make a lovely shot and score the third counter. The Young Canadians supporters were wild with excitement and the Orillia mentors were puzzled to know how they could stop the barrage of shots. The Young Canadians had the steam on and they sure gave everything they had and played some brilliant combination. Rusty gave the pass to Cal who scored to make it four in a row. Tommy Scott and Clark, brilliant Orillia defencemen, finally got the Terriers organized and the Northerners took a turn at flickering the red light. Boetegger scored

first on a pass from Tommy Scott. Clark got the next on a lone effort, Bill Curran got a third, and Clark on a solo rush got the evenner. Cal Miller scored again putting the Hill one up, Rusty White getting the assist. In the most spectacular play of the night Rusty White rushed the entire length of the field and went through the entire Orillia team to score the next goal. Boetegger who played a very effective game for the winners scored one more for Orillia to end the period 6-5 in Young Canadians favor.

Young Canadians opened strong in the second period and continued the offensive. Rusty White scored the first on a pass from Cal Miller. Miller added one more taking a pass from Chuck Weese. The visitors gotone, Mullis tallied another on a pass from Cal. Pethic scored for Orillia, cal and Rusty got one each, Kenny Kingdon scored on a pass from Beckie Jacks and the visitors got one more to end the period, Young Canadians 12, Orillia 8.

The third was the poorest period of the game. Poorest from the standpoint of the spectators and certainly poorest from the standpoint of the Hill Billies. The locals were held scoreless through the entire period while the visitors counted two.

Going into the final period two goals down the Terriers turned on all the steam and in a scoring rally tied up the score before the Hill made any change on the tally board, and continued until they had a lead of three. Cal Miller scored to give new heart to the dwindling hopes of the home town fans, taking a nice pass from Dempsey Armstrong. The locals only two goals down, there was still hope. The fans went wild with cheering as Beckie Jacks drove a bullet-like shot past Hinds who played a brilliant game in the Orillia nets. Beckie took the pass from Rusty White. Orillia got a final counter to put the game on ice and the final score was 16-14 in favor of the Terriers.

Young Canadians line-up included: Bruce Cordick, Jack Johnston, Rusty White, Vic Orr, Kenny Blanchard, "Dempsey" Armstrong, Kenny Kingdon, Cal Miller, Bill Mullis, Beckie Jacks, "Al" White, "Red" Sorensen, "Chuck" Weese.
