Anning Family Held Re-Union

A very pleasant re-union for the family of Mr. and Mrs. John Anning of King Township took place at the residence of Mr. and Mrs. Thos. Wilson of Kettleby on Saturday, June 17th. Mrs. Wilson is the only surviving daughter and has four sons.

Those present included, according to age, Mr. Wm. Anning and wife and their son, Mr. Emerson Anning and his wife of Toronto, Mr. George Anning, wife and daughter of Kettleby, Mr. Edgar Anning and wife of Richmond Hill, Mr. Arnold Anning and Mr. Norman Anning of King and Mr. Chas. Somerville of Newmarket, son-in-law, his two daughter and son.

It is interesting to note that there are four generations in Mr. Anning's family, who are alive and well. They are Mr. and Mrs. John Anning, Mr. and Mrs. Wm. Anning and Mrs. and Mrs. Emerson Anning who have two sons and one daughter.

A very pleasant time was spent. Supper was served on the lawn and races and games were played. The result brought out quite a number of good sprinters in the Anning family.

There was plenty of good baseball talent on hand, the outstanding players being Master Russel Somerville and Mrs. Emerson Anning. (The reporter hopes she does not use a rolling pin the way she does a baseball bat).

Mr. George Anning did not show up to his usual good form as a catcher when he allowed a ball to go through a window. Mystery seems to surround the direction from which the ball came. George knows who threw the ball, but he won't tell—Good old George. We still think that he could have caught the ball if he had only ran for the ladder. Mr. Tom Wilson was missing on several occasions, but each time was located by the ice cream freezer.

More than 300 scientists from 31 countries attended the fifth meeting of the Pacific Science Congress opened at the Empress Hotel, Victoria, June 1, and continuing at the Vancouver Hotel, Vancouver, until June 14. It was the first time the Congress has met on the American side of the Pacific Ocean. Lord Rutherford addressed the Congress from his home in England, his speech being carried by radio close on 6,000 miles to Vancouver.

Grant Hall, senior vice-president, Canadian Pacific Railway, back from three-weeks' inspection trip that took him to the Pacific Coast, stated that he had seen and heard much of an encouraging character during his trip and nothing of a contrary nature. He added that there was distinct revival of hope and restoration of confidence.

Farm management through the application of business principles, practical and theoretical knowledge and ordinary horse sense to farm problems is a necessity of this day of lowered prices. T. C. F. Herzer, manager Canada Colonization Association, told the Winnipeg Kiwanis at the Royal Alexandra Hotel, recently. The Association has extended its activities in Saskatchewan, where it now has 14 zone managers with 1,344 farms of a total of 467,000 acres under supervision.

Sky Line Hiking in the Rockies

Organized trail hiking in the Canadian Rockies will be inaugurated for the coming year by a hike slated to start at Lake Louise on August 4th. An increasing interest is being taken in trail hiking in the Canadian Rockies, and a committee consisting chiefly of experienced members of the Trail Riders of the Canadian Rockies and the Alpine Club of Canada, has undertaken the organization of a new order called the Sky Line Trail Hikers.

The inaugural hike will start this summer on August 4th from Lake Louise and tramp over the Saddleback through Paradise Valley and over Sentinel Pass to Moraine Lake, where the first night's camp will be made. On Saturday, August 5th, the party will hike from Moraine Lake over Wenkenhema and Opabin Passes and will have the thrill of crossing two glaciers before arriving

at Lake O'Hara. On Sunday the hikers will be able to take in the magnificent scenery around Lake O'Hara, Lake Oesa, and Mount Oadary, and members of the party will be able to enjoy the excellent fishing in Lake O'Hara. The Pow-Wow will be held on Monday, August 6th, after which the members will hike to Wapta and catch the evening train back to Lake Louise.

The magnificent scenery of the Canadian Rockies and the pure joy of achievement, together with the comforts assured by the arrangements made by the Canadian Pacific Railway make this one of the finest and most healthful of holiday outings.
