MAPLE
HALL-KINNEE

A pretty wedding took place last Saturday at the home of Mr. Morley Kinnee when Mabel Elizabeth, youngest daughter of the late Mr. and Mrs. John Kinnee, was united in matrimony to Charles Bruce, only son of Mr. and Mrs. Victor Hall of King City. Rev. A. M. Partridge performed the ceremony and the wedding music was played by Mrs. Morley Kinnee. Ahe bride, who was given in marriage by her brother, Mr. Morley Kinnee, wore a gown of white silk crepe, with a wreath of orange blossoms, and a necklace with onyx pendant, the gift of the groom. The bridesmaid was Miss Roberta Gillies, who wore orchid crepe with white accessories, while the groom was supported by his cousin, Mr. Dudley Edge of East Orange, New Jersey. After the ceremony a buffet luncheon which was catered to by the Robt. Simpson Co., Toronto, and a reception were held, Mrs. Kinnee wearing maize flowered chiffon, and Mrs. Hall, the groom's mother, a rose-colored gown. The groom's gift to the bridesmaid was a gold pendant, to the groomsmen gold cuff links and to the pianist a bar pin. Later the young couple left on a motor trip to Detroit and other points in the U. S. A. For travelling the bride wore a figured blue and white crepe gown, blue coat with gray fur trimming, gray hat, shoes and gloves. On their return they will reside in King City. The young couple have the best wishes of all for future happiness and prosperity.

and two children, Dr. Marguerite Bailey and Miss Dorothy Brown attended the wedding on Saturday at Creemore of Miss Mildred Currie, daughter of Rev. E. C. and Mrs. Currie, to Mr. H. Wilson of Toronto.

The monthly meeting of the Women's Institute will be held at the home of Mrs. Jennings on Wednesday, Aug. 9th, instead of at Mrs. Wm. Mathewson's.

Mr. and Mrs. Wilbert Keffer, Mr. Bob Manning, also Mrs. James Downey of Brampton left on Monday to attend the World's Fair in Chicago. Mr. Murray Downey will return home with them.

VICTORIA SQUARE

With the intense heat of this past week the wells, cisterns and creeks in our vicinity are gradually failing in their duty and we are beginning to realize what our neighbors in the provinces to the west of us have had to face many times.

A cold dip in the lake seems to be the favorite cooling station these days even if there is apt to be only standing room.

Mr. and Mrs. George Gee and Mrs. E. Allen visited at Mr. R. Gee's on Thursday of last week.

Mrs. Allen was the week-end guest of Miss Mildred Collard.

Many braved the heat on Sunday afternoon to attend Sunday School where they listened to an interesting temperance talk by Mrs. Haig.

Sunday evening found our young folks at Y.P.S. The topic on "Benefits of Recreation" was presented by Mr. Lorne Mortson. Music was supplied by the Misses Bessie and Grace Valliere.

On Friday evening the young people are journeying to Temperanceville to meet the mixed ball team which gave us such a strenuous game at Sharon. Another interesting feature of the evening is ice cream and apple pie and a program including the play "Not such a goose" by Mt. Pisgah Y.P. which will be enjoyed in the church after the game.

Tuesday evening found about seventy folks, young and old, gathered at our community centre for the J.F.A. and J.W.I. meeting. The boys received good advice on horses from Mr. R. L. Stiver. After the warm day the girls enjoyed the open air meeting on Mrs. Willow's lawn. Splendid papers were given by Miss M. Collard and Miss L. Beatty. Miss Dorothy Valliere and Mrs. F. Brumwell showed us the ins and outs of canning chicken and beef. Mrs. R. L. Stiver was present and spoke a few words on the value of Institute membership. In fact the program was both interesting and lengthy and for once the boys had a taste of waiting. The social hour was enjoyable as the recreation produced a good deal of merriment.

Wednesday evening a fire which spread from some stumps burning on the farm of Mr. Ellis Klinec got out of control and threatened Mr. O. Heise's bush. Neighbors soon gathered and checked the blaze before very serious damage was done. The fire had to be watched the greater part of the night but falling rain brought relief.

Owing to the confusion caused by the fire the program of stunts to be put on by the Y.P.S. on the church lawn was postponed until next week. Games and lunch were enjoyed by the many who had assembled.

Several Grass Fires Keep Brigade Busy

Richmond Hill Fire Brigade has been busy during the week fighting grass fires, some of which gained great headway and threatened large areas. The exceptionally dry weather of recent weeks has created a condition which constitutes a considerable fire hazard everywhere and all citizens are urged to take the utmost care with fires.

Last Saturday fire which started on the Yonge Street highway from an unknown cause swept across the farm of W. H. Legge, Jefferson, and reached as far east as the bush before it was finally under control as a result of the efforts of the Richmond Hill Brigade.

Tuesday afternoon fire broke out on the property surrounding the Dunlap Observatory on South Yonge St. A large acreage of hay which had not been cut this year was easy prey to the flames fanned by a strong west wind and the fire swept across the fields as far east as the second concession. There it was with some difficulty that the local firemen held it in control and away from crops and several properties which it threatened. The members of the local brigade labored for several hours under trying conditions due to the heat and smoke. The fire started near the railroad tracks and one theory advanced is that it might have started from a spark from a passing train.

About eleven o'clock that night the brigade was called again to the Observatory property as a large tree had caught fire and it was feared it would spread to the neighboring hay fields.

Wednesday afternoon a grass fire in the south west corner of the town was the cause of another call for the brigade. The fire was put out before it had gained much headway.

These fires should be a warning to all citizens to exercise extreme caution with matches, cigarette butts and bonfires during this very dry season.

BOWLING NOTES

LADIES' RINK WON MIXED TOURNAMENT

An all ladies' rink from Windermere Club, Toronto, played in the mixed tournament at Richmond Hill Wednesday afternoon and emerged the victors on the day's play. The rink was skipped by Mrs. Haig and came thinking it was a ladies' tournament. The committee allowed them to go ahead and play as a rink and they won the first prize. The second prize was won by skip Harry Marshall of Newmarket, third skip Turnbull of St. Petersburg, 4th skip Bright of North Toronto and 5th skip King of Newmarket. Skip Watt of Stouffville and skip King were tied for the fourth prize and in the play-off the North Toronto rink won out. It was a very enjoyable and successful tournament, many rinks being present from city and district clubs. Four Richmond Hill rinks skipped by A. A. Eden, W. Wellman, W. L. Glass and Morley Hall competed in the games. Refreshments were served during the day by the Women's Association of the Richmond Hill Presbyterian Church.

Tuesday night Newmarket, Stouffville, Markham and Richmond Hill clubs competed at the local green in the schedule for the Mackenzie King Cup. Two rinks from each club played. Richmond Hill and Stouffville rinks were the winners.

Wednesday night the softballers played a tie game with Thornhill. The game was featured by exceptionally close ball and at the end of the 6th inning the score was 2-1 for Richmond Hill. In the seventh this was increased to 3-1, but K. Ball for Thornhill hit a home run which accounted for two runs to tie the score. An extra innings failed to break the tie and the game was called on account of darkness.

Citizens of the Gormley district gathered at the home of Mr. George Baker last Wednesday evening to honor Mr. J. A. Groskurth, manager of the Imperial Bank branch at Richmond Hill and Gormley, which was recently discontinued. Over one hundred attended and with Mr. George Leary ably acting as chairman a delightful program was carried out. An address was read by councillor Charles Hoover of Markham township expressing regret that Mr. Groskurth was leaving the community and tendering him the best wishes of the people of the Gormley district.
