RELIGIOUS CONFERENCE AT LAKE COUCHICHIING

A seven-day Conference on Religion, which should be of unusual interest to ministers and laymen, will be held August 12 to 19, at Y.M.C.A. Park, Lake Couchiching, Ontario.

The Conference, which has been arranged by the Y.M.C.A. National Council in consultation with leaders of the various Protestant churches, grows out of the current interest in personal religion. Its aim is to provide an opportunity for those interested to join in a search for deeper levels of Christian fellowship, for a new understanding of the nature of religious experience, and for a better appreciation of the relations between personal and social religion. It is hoped that the Conference will furnish a meeting ground for many diverse points of view, and through the free exchange of experience will lead to mutual understanding and a better integration of religious thought and feeling.

Two main courses are offered: One entitled "Religious Experience and Its Interpretation"—a study in the psychology of religion, with special reference to Mysticism and Personal Evangelism—by Prof. D. C. Macintosh, Ph.D., LL.D., D.D., Chairman Department of Religion, Graduate School, Yale University; and a second on "The Christian Idea of God in Contemporary Thought"—including such topics of present interest as: Humanism, the Theology of Crisis, and the Oxford Group Movement—by Prof. J. S. Thomson, M.A., professor of Systematic Theology and Philosophy of Religion, Pine Hill Divinity Hall, Halifax, N. S.

Dr. Macintosh will be remembered as the Canadian who aroused widespread interest in both countries by refusing to pledge himself to bear arms if called upon when applying for United States citizenship. As a religious leader he participated in the recent triangular debate in the Christian Century with Professors Wieman and Otto "Conversations About God," and later with Professor John Dewey. Dr. Macintosh is the author of several books, including: "The Reasonableness of Christianity" and "The Pilgrimage of Faith in the World of Modern Thought."

Professor Thomson, as secretary of the great Jerusalem meeting of the International Missionary Council in 1928 collated documents, addresses and findings, and compiled and edited the famous seven volume report of that important gathering. Since coming to Canada he has won an influential place among thinking people and the affection of those who know him personally.

In the evening Dr. J. E. Rattenbury, D.D., of the Leytonstone Church, London, England, who is at present occupying the pulpit at Eaton Memorial Church, Toronto, will deliver a series of addresses on the subject "Evangelism, Its Shame and Glory."

The committee in charge of the Conference consists of the following: Chairman, Mr. Gerald W. Birks, O.B.E., Dr. Chas. W. Bishop, Dr. Walter T. Brown, Mr. L. A. Buckley, Rev. E. Crossley Hunter, Mr. R. G. Dingman, Dr. George C. Pidgeon, Mr. D. R. Poole, Bishop R. J. Renison, Dr. D. M. Solandt. Director: Dr. E. M. Best, General Secretary, National Council of Y.M.C.A.'s, 40 College Street, Toronto, Ontario, from whom further information may be obtained.

Way Back in the Liberal Files

THIRTY-FIVE YEARS AGO

From Our Issue of July 28th 1898
The Trustees of Thornhill Public School are advertising for a principal for their school, Mr. Henry Ward having resigned.

The Markham Sun, the property of the late W. H. Hall, has been sold to Mr. A. E. Pennel of Hamilton. The new proprietor will commence issuing the paper at once.

L. Innes and Sons are busy reshingling Mr. Newton's house, formerly the residence of the late J. W. Davis. The proprietor purposes repainting the house, which will then be in first class condition. This will be a comfortable home for any family wishing to rent a place with a large garden, stable and outbuildings.

The Richmond Hill Lacrosse Boys who have been playing in the York Junior District went to Markham on Saturday and had to play the senior team of that place, the result being 7 games to 0 in favor of the home team. Is it not an absurd rule which allows senior men to play two matches as juniors before they are considered seniors? The Markham team which played on Saturday belongs, not to York District, but to Midland District.

Three burglaries have recently been reported in the Village of Woodbridge. The Mimico Post Office has also been broken into. The county constabulary are after the offenders and arrests are expected.

Reeve and Mrs. Savage who are enjoying a holiday on the continent have been very thoughtful in sending newspapers across the ocean to their friends, the editor this week receiving a paper from Paris, France.

"When the cat's away the mice will play." This adage was again verified on Thursday evening, when the Savage brothers gave a luxurious entertainment to their many friends, which however in this case consisted of gentlemen only. As might be expected hospitable provisions had been made for the wants of the guests, the village band at intervals agreeably engaged the attention of those present, and several vocal selections were given by members of the jolly company. Later in the evening when the hilarity began to flag, in order to break the monotony, the social gaiety was again renewed by a serenade of the prominent citizens of the Village by a number of the festive gathering. As some of the guests were from Toronto the serenade ended in time to catch the midnight car for the City. Incidentally, it might be said, that a few of our citizens who heard the clang, clang, clang of their doorbells and were too timid to ascertain the causes, talked of issuing warrants the next morning, but as it was learned that the Village Constable and his artful detective were among the entertainers the idea of making arrests was at once abandoned.

The will of the late Robert Simpson, of the departmental store, has been probated. The net value of the estate amounts to over \$300,000. The bulk of the estate is left to the widow of deceased and a daughter, Mrs. Hamilton Merritt.
