Old Dobbin Makes The Rounds

Chip Bagg, milk distributor, who makes the rounds each day with old Dobbin and milk wagon delivering milk at the homes of Villagers is an interesting combination with Old Dobbin who has just celebrated his 28th birthday as a feature. Chip needs to do but little driving as Old Dobbin stops and starts without command and moves slow according to the speed made by Chip as he delivers from house to house. This faithful animal does seem to possess more than ordinary horse sense.

The Women's Institute met on Tuesday afternoon at the home of Mrs. James Rowntree.

As I already stated from the location of my birth place in 1868 by Ox drawn wagon we passed over many miles of
