RECORD CROWD EXPECTED FOR OPENING GAME

\$10.00 In Cash For Holders of Lucky Number Tickets

The fall lacrosse season will be officially opened next Monday night when the Camp Borden Flyers play here in the first game of the Tri-County fall schedule. The Flyers are always popular visitors in Richmond Hill and it is sure to be a fine game next Monday evening when they meet the Young Canadians in the league opener.

The Flyers are reputed to have a very formidable outfit and the gossip is that they will make a determined bid for the league honors. Any time they take the floor the fans are assured of a real good game as they are an outfit which has won the reputation of hard but clean fighters who always provide plenty of action. According to reports they will come here next Monday night in first class shape with a lineup as good if not better than when they played a year ago. If this is true the Young Canadians will have to work hard to gain a victory.

The locals have had two practices this week and will have another at the arena Friday night. The game at Bradford scheduled for Wednesday night was postponed owing to difficulty in securing the Bradford rink. However, everything has been straightened out and the Bradford Celery Kings play their first game in Alliston Monday night.

Manager P. C. Hill and coach Keny Kingdon assure the fans that they are fielding a strong team this fall, one which they think will be good enough to annex the premier honors of the group and the league.

A week from to-night, Thursday, Sept. 28th, Alliston play here and the following Monday Young Canadians play at Camp Borden.

The game next Monday night will start sharp at 8:30, D.S.T., and ten dollars in cash will be given away to the holders of lucky number admission tickets.

HIGH SCHOOL NEWS

1932 Fifth Form Reunion

A very happy evening was enjoyed at the home of Miss Olive Wilson, on Friday, Sept. 15th, when the R. H.S. Fifth Form of 1932 held its first reunion. About twenty young people, including five members of the Staff of the High School, participated in exciting games, among which one, called Likes and Dislikes, revealed many well-known and also not-so-well-known characteristics of the players. The members of the famous form also refreshed their memories of happy school days by harmonious renderings of the old class-song and yell. Prizes for the games, decked with the class colours of pink, purple and green, were presented to Miss Izzard, Miss Smith and Miss Shaw, and dainty refreshments were served. Just before the gathering broke up, it was decided to make the '32 class a regular club, and to elect officers. This was done, Olive Wilson being unanimously chosen as president, Betty Campbell as secretary and Edna Reaman as treasurer. All the members of the staff were elected permanent Honorary Members, with provisions for additions. The members of the new society then bade each other farewell, with much gratitude to the president for giving them such a delightful evening, and hoping for many such happy reunions in future.

Members of the staff who were present were: Miss Shoebottom, Miss Jones, Miss Izzard, Miss Smith, Miss Shaw.
