Lieut-Governor Will Attend The Armistice Service

REGULAR COUNCIL SESSION— ESTIMATED COST OF YONGE ST. LIGHTING UNDER \$1500.00

His Honor the Lieutenant-Governor of Ontario, Hon. Dr. Herbert A. Bruce has accepted the invitation of the municipal council of Richmond Hill Village to attend the Armistice Day memorial service Sunday afternoon, Nov. 12th, at 3 p.m. Other prominent personages have been invited and a fitting program has been arranged for the service this year. The ministers of the different churches will take part and a thirty piece Salvation Army band from Toronto will take part. Richmond Hill Trumpet Band will head the parade which will form up at the north end of the Town and march to the memorial where the service will be held. Plans for this service were discussed at the regular meeting of the council Monday evening, and it is apparent Reeve Greene and the members of council are sparing no effort to make the service one of the best ever held in this district and a fitting memorial for those who made the supreme sacrifice during the Great War. Veterans' Organizations of the County and district have been invited to attend and take part.

Street lighting was discussed at some length by the members. It is the unanimous opinion of the members that the lighting on Yonge St. should be improved and it is very likely that the work will be carried out this year. The members are moving carefully however and every possible effort is being made to make the best buy in the line of new equipment when the change is made. The estimated cost of new fixtures and installation under \$1500.00. Several design of fixtures have been submitted but definite action has been postponed until further prices are received from other firms.

As relief to unemployment the council is co-operating with the governments and approximately \$300.00 is being spent in labor on the roads this fall. Of this amount the village pays one third of the cost. The unemployed of the town are being given three days work per week while the appropriation lasts. Several of the streets have been graded, ditches and culverts cleaned and much needed repair work carried out. The members of council feel that this will be a notable improvement to the streets as well as giving needed employment to those out of work.

The usual grant was voted to the King and Vaughan Plowmen's Association which will hold its annual match at Patterson farms this year. It was decided to hold the annual Court of Revision when appeals against the assessment will be heard on Tuesday, Oct. 24th.

Metropolitan Lacrosse League Opens To-Night

The Metropolitan Lacrosse League, the districts newest lacrosse organization, will be officially opened to-night (Thursday) at the Richmond Hill arena when Thornhill meets Oakwoods in the first game of the senior series. The league includes senior teams from Thornhill, Willowdale, Aurora and Oakwood club of Toronto, and it is planned to operate a junior series as well.

The officers of the Metropolitan league are as follows: President, T. A. M. Hulse of Aurora; Vice-Pres., C. O. Munroe of Thornhill; Secretary-Treasurer, Morley Cascallen of the Oakwood club, and the executive includes one representative from each club.

Thornhill has a strong senior team lined up which they claim is good enough to annex the league honors. They promise the fans the fastest lacrosse seen in this district for some time and a good game is assured for to-night when they meet the strong Oakwood aggregation. Charlie Smith of Thornhill and a member of the O. A.L.A. executive will officiate as referee at to-night's game.

Dr. G. D. McLean Named M. O. H. For Vaughan Twp.

Dr. Garnet D. McLean of Woodbridge was named as the Medical-Officer of Health for the Township of Vaughan by the municipal council at the regular meeting held at Vellore last Monday. Dr. McLean who succeeds Dr. W. S. Caldwell has been a life-long resident of the district and is well and favorably known throughout the township.

The usual grant of \$30.00 was given to the King and Vaughan Plowmen's Association to assist with the prize list for the annual match which will be held this year at Patterson, near Richmond Hill.

The charity accounts showed that there is consistent demand for relief in the municipality. The new voucher system recently adopted appears to be working out satisfactorily and the relief officers and members of council have a close check on all requests for assistance.

Road work in the township is practically completed and the road accounts presented at the meeting for payment were small in comparison to the past summer months. A few jobs remain to be done and as many of these as time and favorable weather and finances will permit will be completed this fall.

Markham Twp. Asks Tax Sale Be Postponed

Home Owners Association Pleads For Leniency

Markham Township Council in regular monthly session on Monday agreed to the request of the Langstaff Home Owners' Association to postpone for one year the tax sale which has been advertised for this month. The members of the deputation in presenting their case to the council stressed the great economic difficulties and hardships which have been endured during the past few years and pointed out that it seemed most unfair that people who had bought homes and made substantial payments should now because of the continued depressed economic conditions lose their homes because they were unable to pay their taxes. Members of council were sympathetic to the appeal and assured the deputation that they appreciated the extreme hardships of the depression. A resolution was passed asking the County Treasurer to postpone the sale for one year. It was explained however, that the matter was entirely in the hands of the County Treasurer and that according to the statutes the sale should be held. Whether or not the County will be able to overcome the technicalities and grant the request of the township body will not be known for a few days.

A grant of \$15.00 was made to the East York Plowmen's Association.

Relief demands in the township continue comparatively light and the charity accounts for the month totalled \$137.74. Road accounts were passed as follows: E. A. Buchanan, Unionville R.R. \$639.70; Wm. Allchurch, Locust Hill, \$18.50; David Boyd, Stouffville R.R., \$124.95; W. J. Stonehouse, Unionville, \$17.60; R. J. Duffield, Unionville, \$24.51; Robert Agar, Gormley R.R. 2, \$141.00; R. J. Cunningham, Gormley R.R. 2, \$467.33; Clarence Wideman, Markham, \$356.85; E. J. Jarvis, Markham R.R. 2, \$106.50; J. K. Reesor, Markham R.R. 1, \$139.70; J. G. Wideman, Stouffville R.R. 1, \$282.90; David Shadlock Milliken R.R. 1, \$20.60.

Bradford Celery Kings Play Here Saturday Night

"Charlie" Rowntree sets objective for himself of four goals—warns White and Miller to get an aeroplane if they hope to score.

Bradford "Celery Kings" will be in town Saturday night for their first clash with the Young Canadians in the Tri-County Fall series.

The "Celery Kings" are coming down in full strength and are determined to give the Richmond Hill squad a real trimming. In their recent starts they have been handicapped by injuries and sickness but they expect to be in A-1 shape for Saturday's important game. James one of their star performers who has been laid up with a broken rib will be back in the game and Stoddard will probably be on the line-up.

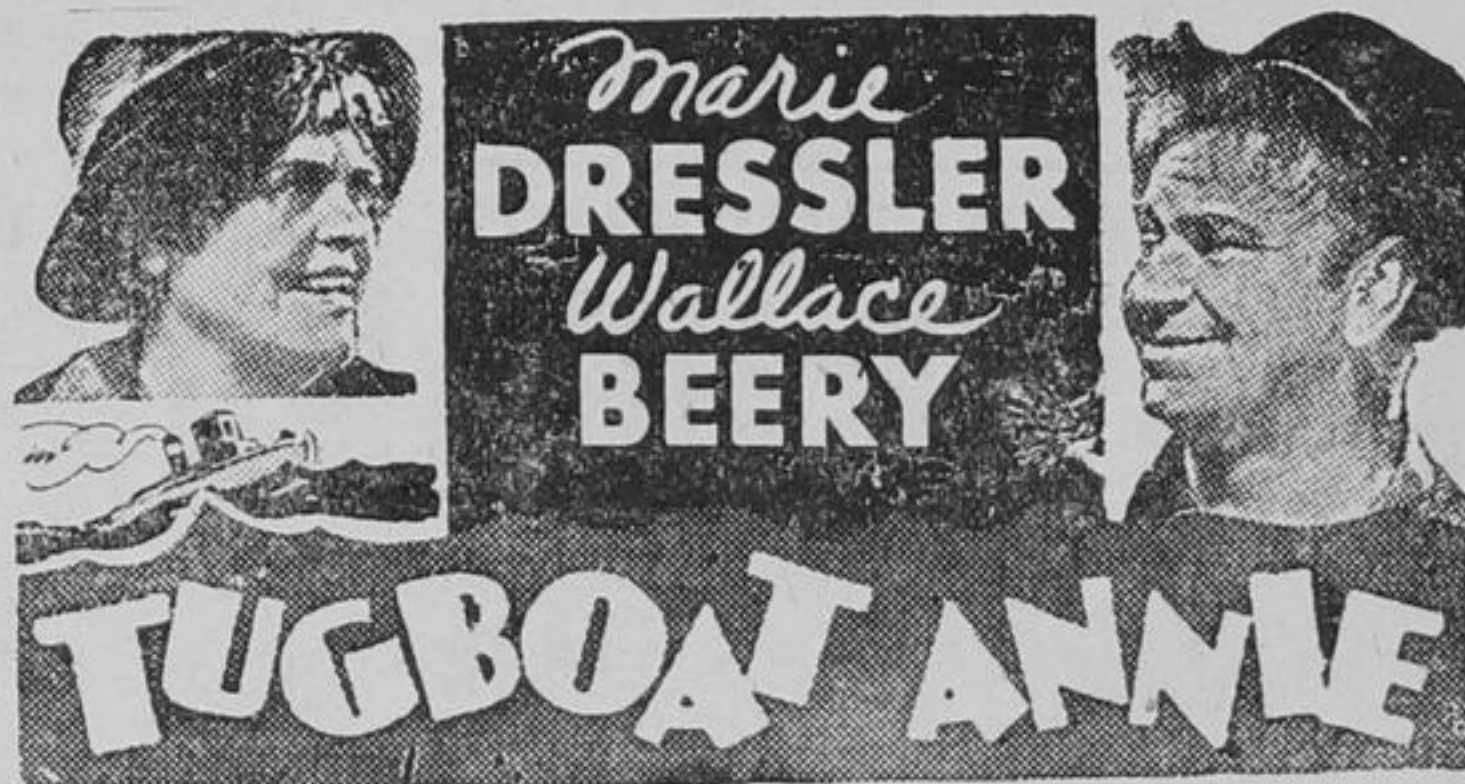

Charlie Rowntree, former member of the Young Canadians team, is now one of the stalwarts for the Celery men. It's going to be something new for the fans to see Charlie in the role of an opposing player. We had an interview with him this week and he declared he is going to score four goals Saturday night and says that if "Cal" Miller or "Rusty" White hope to get through to the Bradford nets

they will need an aeroplane. Bill Mullis and Ted Gapp who played with the locals in the spring series are also numbered among the Bradford stars. Since the revival of lacrosse a few years ago Bradford has always been among the most popular of visiting teams. They can always be depended on to give the Hill a real game, and Saturday night's fixture promises to draw a big crowd. The game will start sharp at 8:15 p. m., standard time.

Young Canadians added two more victories to their record during the week, defeating the highly rated Alliston crew here last Thursday 20-5, and winning from Camp Borden at Alliston Monday night by a score of 13-7. The locals are playing top-notch lacrosse and the explanation of their decisive victories is not the weakness of their opposition but rather the fact that members of the team are playing the best lacrosse to their careers. They are practicing hard, are in tip-top shape, and are playing a brand of lacrosse which is hard to beat. Bradford at full strength on Saturday night should give them the hardest game of the season.
