## Here and There

Taken as a whole the British West Indies as a market for Canadian products ranked tenth last July with \$550,000, with Newfoundland coming next.

Increasing prosperity in Canada and the United States is seen in the early arrival in the Dominion of United States Christmas tree buyers. They are particularly busy in the Maritimes where the demand is especially heavy.

Edward C. Carter, of New York, traveller and publicist, has been chosen to fill the newly-created post of secretary-general of the Institute of Pacific Relations which has just completed its fifth biennial conference at the Banff Springs Hotel.

Eleven happy boys took the eleventh annual "On to Alaska" tour this year under the leadership of George E. Buchanan, of Detroit. Their trip included a stop at the Banff Springs Hotel where the boys stayed until they entrained for Lake Louise.

Traffic earnings of the Canadian railways for July show an aggregate gain of nearly a million dollars as compared with July. 1932, the best showing in many months on similar comparisons. Gross earnings of the Canadian Pacific account for \$473,000 of this gain during the month.

"He got you that time," said Mrs. Montagu Norman to the governor of the Bank of Englaad, when they landed recently at Quebec from Canadian Pacific liner, Duchess of Atholl, on their way to Bar Harbor, Maine. The purpose of the visit is a mystery, not even a holiday being admitted by the distinguished visitor.
