GENERAL NEWS AND VIEWS

People of this district will probably turn out in full force to attend the King and Vaughan Plowing Match at Patterson on Friday of this week.

Mr. James McLean has been busy during the past few weeks judging plowing matches throughout the province and giving plowing demonstrations. Along with Mr. Stan Tyndall he is in Haldimand County to-day judging the County Match. Both Mr. Tyndall and Mr. McLean will be back for the King and Vaughan match to-morrow.

Three sample street lights have been installed on Yonge Street and the citizens generally have been expressing their criticisms and opinions. It is apparent that no matter what style of light the council finally decides to erect it will be impossible to suit the tastes of everyone.

Next Tuesday evening the goblins will be out in full force. It will be in order for all to securely wire their gates and not to be too hasty in coming out the door lest the front steps have mysteriously disappeared. We sincerely hope that all the young folk will have an enjoyable night but trust that in their jollifications will remember that it is not either fun or sportsmanship to unduly bother people, especially those who are old and helpless.

Anyway the old timers tell us "Hallowe'en aint what she used to be."

Favorite question throughout the district this week: "When does Alliston play in Richmond Hill?"

The fans are looking forward to a great game when these two teams meet and judging by the game in Alliston last week they will not be disappointed.

In 1932 there were 163 municipally owned waterworks systems in Ontario and of these 117 showed a profit on the year's operations and 46 showed a loss. Richmond Hill was in the latter category showing a loss for the year of \$5,490.13. Richmond Hill system was installed in 1921 and serves a population of 1297. There were 22,935,700 gallons of water used last year which was an average daily consumption of 48 gallons. The earnings were \$5,041.93 and the operating expenses and capital charges amounted to \$10,892.11. The Markham Village system installed in 1890 serving a population of 1073 showed a profit of \$125.02. Woodbridge system installed in 1922 serving a population of 750 showed a profit of \$644.61.

Warden G. B. Elliott last week announced that it was his intention to seek the conservative nomination in North York for the next provincial election.

A property owner in Stoffville has entered an action against the municipality claiming \$375 damages as a result of the construction of a new sidewalk which it is claimed is higher than the entrance to the property in question. The claim for damages is based on the estimated cost to raise the entrance to the property to the new sidewalk level.

While farmers hereabouts are complaining of the lack of rain which has rendered the heavy lands almost impossible to plow, down in Nova Scotia they are suffering the other extreme. The New Glasgow Chronicle reports "a regular deluge of floods everywhere" and that many farmers have their potatoes undug and their grain unharvested.

Six select live hogs weighing about 170 pounds each were stolen from Tait Bros. slaughter house near Stoffville one night last week.

Whitchurch Township Council at its recent meeting passed the following resolution asking for some change in the Act respecting the killing of sheep by dogs:

"That we petition the Provincial Government to have "The Dog Tax and Sheep Protection Act" amended so as to place some responsibility on

JOHNSTON'S BABY POWDER

AUSTIN'S Drug Store

the owner of sheep when pasturing a distance from owner's home.

Also where dogs come from village or towns, and where we cannot collect from owners of said dogs, said village or town pay the same.

We have one flock of over (400) registered sheep placed in Whitchurch Township, 5 to 6 miles from owner's home, and we feel that the owner should have a man in charge at night, and that the "Act" should be so amended that the damage from dogs should not all fall on the Township.

We have had a watch placed on this flock for some time at night and no damage has occurred. On the contrary our man informs us he has saved at least (10) ten sheep from the following causes: being cast on back, (tangled in woven wire fence lying around loose) and getting mired in bog hole where they get water. And a copy of this resolution be sent to the Hon. T. L. Kennedy, Minister of Agriculture."

NEWTONBROOK

The annual Chicken Supper, Concert and Bazaar, which was held in the United Church last Tuesday evening, was a great success. There was a very large attendance, but the ladies were well prepared and had an abundance of everything. The tables were beautifully decorated with silver flower baskets filled with autumn flowers and baskets of apples, grapes, bananas, etc., as well as various other kinds of baking. The bazaar booth was in charge of Mrs. Marsh and Mrs. Walter Johnson and was well patronized. The concert was one of the best ever held here, the artists taking their part in a very creditable way. Those contributing to the program were, Miss Honorah Lucas, pianist; Mr. Clarence Brush, baritone; Mrs. Eileen Nash, accompanist; Mrs. Florence Bruce Reany, contralto; Mr. W. McMullen, tenor; Mrs. A. C. Chapman, accompanist; Mr. Nicolson, bass soloist; Miss Maud Hopes, elocutionist; and Mr. Leslie Foster, boy piano accordionist. Rev. A. H. Halbert acted as chairman.

Rev. Mr. McEwen of Melville will occupy the pulpit in the United Church next Sunday. Rev. A. H. Halbert is taking anniversary services for Mr. McEwen at Bethesda Church near Stoffville.

Last Saturday afternoon two Fisherville boys, Roy Stewart 10 years and Robert Sherman 11 years, were seriously injured while cycling on Dufferin St. when struck by a motor car. Robert Sherman had his left leg broken in two places and Roy Stewart suffered concussion of the brain. He was removed to the hospital for Sick Children.

Mr. David Carruthers, an old respected resident of this place, died very suddenly last week. While eating his mid-day meal he took a weak spell and expired immediately. He has lived on Yonge St. for 32 years. He leaves a widow who was formerly Miss Cassie Brown, also one son Elvin of Toronto. The late Mr. Carruthers was the son of the late Mr. and Mrs. Wm. Carruthers of Cashel, Markham Township. Three sisters survive, Miss Harriet Carruthers of Lansing, Mrs. Edward Pickering of Newmarket and Mrs. Ruth Calvert of Toronto. Two brothers, John and James, predeceased him many years ago. The funeral was held last Wednesday and was largely attended. A service was held at the home by Rev. A. H. Halbert. Interment took place in Mt. Pleasant Cemetery.

Mrs. Had. Moore of Drewry Ave., who was taken to the General Hospital a couple of weeks ago suffering from pneumonia, is making a very good recovery.

Mrs. Laws of Newmarket returned last Friday after spending a few days at the parsonage.

Mr. and Mrs. Will Pilgrim attended Mr. Pilgrim's fathers funeral in Toronto last Monday.

Mr. and Mrs. J. F. Soden and Miss Doris Soden spent last week-end at their summer home at Balm Beach, Georgian Bay.

The United Church choir sang at Oriole anniversary last Sunday. A number from here attended the afternoon service.

The Mission Band will attend the Mission Band Rally at Willowdale United Church next Saturday afternoon and take a part on the program.

The Y.P.S. held a Rally Service last Sunday evening. Mrs. James,

the president, presided and Miss Cora Good conducted the devotional exercises. Mr. Fred Western, 3rd vice-president of Y.P. Council of Toronto Centre Presbytery, was special speaker and based his remarks on "Christ the Pioneer." A young peoples choir led in the worship of praise. A solo was very acceptably sung by Mr. W. McMullen.

The Y.P.S. intend holding a Hallowe'en Masquerade Social next Monday evening.

The Home and School Club is holding their annual banquet in Newtonbrook Public School on Wednesday evening of this week.

"Did ye hear about Sandy McCulloch findin' a box of corn plasters?"

"No, did he?"
"Yes—so he went and bought a pair of tight shoes."—Sydney Bulletin.
