YOUNG CANADIANS FAVORITES TO WIN TRI-COUNTY HONORS IN TO-NIGHT'S FINAL GAME

Who's Afraid of the Big Black Hawks Say Local Stalwarts — Lose First Game to Huntsville By Two Goals.

Huntsville Black Hawks will swoop down on Richmond Hill to-night (Thursday) with the hope of taking away with them the championship of the Tri-County league and the McCarthy Cup. The Hawks will have a two goal lead under their wings as a result of their victory in Huntsville by a score of 9-7, but right now the theme song of the Young Canadians is "Who's Afraid of the Big Black Hawks" and they are confident that they can overcome that two goal lead and win the championship of the Tri-County Association.

The fans haven't stopped talking about last Thursday night's great game here and they are in for another thrilling and exciting experience to-night when Young Canadians and the Huntsville Black Hawks will battle for the 1933 lacrosse championship.

Huntsville has a smart team. They are young, sturdy and hard workers. With the exception of three players they are all under twenty years of age and they set a pace which is hard for any team to follow. They have had excellent coaching at the hands of Bucko McDonald and they know their lacrosse. They have had a great season of Canada's National game in the north country and the Black Hawks have had some close and exciting games before they finally won the championship of the northern group from Bracebridge and Orillia. The citizens of the northern town are justly proud of their team and give them excellent support and it is expected a goodly number will make the long trip down here to-day.

To-night's game is called for 8:15 p.m. and the referees will be Frank Doyle, president of the Tri-County league, and Len Smith of Toronto.

Young Canadians journeyed over the northern hills to Huntsville on Tuesday by chartered bus and were accompanied by a number of fans and supporters. Huntsville's fine arena was crowded to capacity for the game and the home town supporters had a big night of it seeing their favorites trounce the famous Young Canadians by a score of 9-7.

It was a fast clean game with plenty of heavy checking, but notably free of any rough tactics. The Hawks all keyed up for the big battle opened with a burst of speed and Cole, one of the stellar performers, got the first goal of the night. "Cal" Miller came back with one for the Hill, and then Cole again scored, making it 2-1 for the Hawks. The northerners continued their drive and added two more before the end of the period, Perrosotti and Snowden scoring.

Hopes of Huntsville fans rose high as they had visions of piling up a formidable lead and they entered the second period full of confidence. Young Canadians succeeded in somewhat quelling the onrush of the Hawks although they were outscored in this period 3-1. In this stanza the Richmond Hill team appeared to have about an even break on the plays and missed several chances to score, missing beating the Huntsville goalie by just the narrowest margin. Higgs, and Cole scored for Huntsville and "Cal" Miller tallied for Richmond Hill.

The third period was featured by an absence of scoring, each team scoring one goal. Gioletti scored for the Hawks and Beckie Jacks got Young Canadians counter. The period ended, Black Hawks 8, Young Canadians 3.

In the final period Young Canadians rallied and outscored the Huntsville crew 4-1. In addition they scored another which looked like a sure goal but which was not allowed as the goal umpire claimed it wasn't in the nets. "Cal" Miller scored first on a pass from Rusty White, the Richmond Hill team in this period showing their best lacrosse and combination play. Harold Weese scored next on a pass from "Al" White. Snowden got the only counter for Huntsville in the

period. "Rusty" White scored after a rush which brought the applause of the entire crowd. Harold Weese shot from about the centre of the rink to beat Houser in the Huntsville nets for the final goal of the game.

Young Canadians were short the services of "Chuck" Weese who was unable to get off work in time to take in the game. Otherwise the team was the same as last Thursday night, except for the addition of Mike Miller. To-night it is expected "Chuck" Weese and Ollie Barret will be on the line-up.

If Young Canadians can go out to-night and play anything like the game they played here last Thursday night against Fergus they should overcome Huntsville's two goal lead and win for the second time the Tri-County championship and the McCarthy Cup.

Jubilee Banquet Thursday Dec. 7th

All is in readiness for Richmond Hill's Diamond Jubilee celebration which will be held in the form of a Community Banquet to be held in the Masonic Hall next Thursday evening, Dec. 7th. Mr. Harwood Duncan, proprietor of Hotel Richmond, will cater for the event and the banquet tickets are 50 cents each. A splendid program has been arranged and among those who will contribute to the program are many former residents of the community. Rev. VELLORE

The pupils and ex-pupils of Vellore Public School are busy preparing for their Christmas concert which will be held on Monday evening, Dec. 18th. A number of the young people attended Kleinburg and Nashville Women's Institute Dance on Friday evening.

Keep in mind that Junior Farmers' and Farm Girls' next meeting will be held on Dec. 5th.

The Vellore Old Boys are entertaining the Vellore football team on Friday evening in the Township Hall. A number of the ladies attended the Women's Institute convention held in Royal York Hotel last week. Mrs. Lorne Weldrick and Miss Jean Robson were the delegates from Vellore W.I.

Congratulations are extended to the boys on York County Livestock Team and their coach for their standing second place, competing in the Inter-County Judging Competition composed of 28 teams at Royal Winter Fair. Peel County was the winning team with a small lead on the York County boys. Both teams scored the highest aggregate score that has ever been scored at the Royal Winter Fair. The team consisted of Albert Rutherford, Vellore, who stood second place, four points behind the high man of the competition, Heber Irwin, Kleinburg, who scored first in beef cattle and stood 10th place, and Bill Hodgson, Nobleton, 11th place. The calf club team, Norman Baggs, Edgeley, and Wilbert Jennings, Temperanceville, provincial winners, competed against the other provinces and stood second, Quebec leading by a small score. All these boys are members of Vellore Junior Farmers Club and the Vellore Club are certainly proud of their boys.

Mr. R. E. White, York County Agriculture Representative, has proven by the standing of his boys, an efficient coach and worked unsparingly with the boys to bring out the best of their ability in placing eleven classes of livestock and giving reasons for their placings.

Miss Gladys Harrison, winner of the Chicago trip in York County Domestic Science Judging Competition leaves on Saturday for Chicago.

None are bored if you talk about them instead of yourself.

VICTORIA SQUARE

Winter made a brave start, but seems to be losing its nerve as it progresses. We did enjoy the rare opportunity of skating in November anyway, and the recent rains are welcome to fill empty cisterns.

Misses Dorothy and Grace Valliere attended the Institute Convention and Banquet in the Royal York one day last week.

Many from this district have enjoyed the big Fair. Douglas Gee was fortunate this year in standing third in the Inter-College Judging Competition at the Royal, also heading the list in sheep.

Mr. and Mrs. Wm. Klees are once more making their home at Victoria Square. We welcome them back to our community.

Those attending Y.P.S. enjoyed a fine program Sunday evening. Miss Marion Smith gave a well prepared paper, pointing out the benefit derived from reading books. Mr. Bruce Lehman of Melville Y.P.S. played two fine piano selections and Misses Pearl Caseley and Margaret Avison sang a pleasing duet.

Christmas practice is under way once more, all are requested to put forth their best effort to keep our Christmas Concert up to the high standard it has maintained this past few years. It won't be long till the night, Dec. 23rd.

Don't fail to remember the play "The Old Home Place" by a caste of young people from the Mt. Albert district in our Community Hall, Friday, Dec. 1st, at 8 p.m., under the auspices of our J.W.I.

The regular J.F.A. & J.W.I. meeting will be held on Tuesday, Dec. 5th. A report of the Institute Convention, an exhibit of original ideas for Christmas gifts, and don't forget girls, the box of candy to answer the roll call with. At the boys meeting held in the Hall at 8 p.m. the roll call will be answered by naming a disease of livestock and its control or cure. Mr. Fraser Gee will give a talk on "Herd Improvements" and Mr. C. F. Sanderson a talk on "Economic balanced rations for winter feeding." All in the community are welcome to come and enjoy these meetings.
