### MELVILLE

With the cold weather and last week's news of the shooting of a wolf just north of Almiral pond, we wonder if we are tasting a little of the times 'way back 50 years or so. Other wolf tracks have been seen. We hope this solves the trouble for some of the sheep owners.

Mr. and Mrs. E. Nigh and Billie, also Mr. and Mrs. J. Wideman spent Thursday visiting at Mr. W. Locke's at Edgeley.

We are sorry to hear of the illness of Mr. W. Stots, who is suffering from an attack of the flu, also Mrs. J. Nigh and Mr. Ed. Nigh are victims of the same winter epidemic. We hope they will soon be better again.

Mr. and Mrs. Harvey Houck were Sunday visitors with Mrs. Houck's sister, Mrs. W. Klees and family at Victoria Square.

We extend sympathy to our neighbor, Mr. E. Bateman, in the loss of his brother, who was buried last week.

### Way Back in the Liberal Files

THIRTY-FIVE YEARS AGO  
From Our Issue of Nov. 24th, 1898  
The Free-Will offerings in the Methodist Church last Sunday amounted to upwards of \$120.00.

The Women's Missionary Society presented an interesting program at their annual At Home on Tuesday evening, but unfortunately the weather was against them. The principle speaker of the evening was Mrs. J. Russell Clarke of Toronto who gave a carefully worded address replete with information bearing on that part of missionary work known as Medical Missions. After a Bible reading by Mrs. McCulloch and prayer by Rev. McCulloch an interesting musical program was given. Lunch was served and a social time spent by all present. The chair during the evening was occupied by the president, Mrs. W. R. Proctor.

Mr. J. H. Douglas, ex-M.P.P., was again nominated by the Liberals of East Northumberland at the convention held at Warkworth.

An illicit "still" has been captured in the neighborhood of Holland Landing. The guilty party will be subject to a fine of \$100 and imprisonment.

Judgment has been given by Judge Rose in the suit, Mustard vs. Markham Township. Mustard receives \$650 and costs for injuries received owing to a bridge being out of repair.

The funeral of the late Chas. Henry Keffler took place from his late residence at Maple on Friday afternoon, when a large number of relatives and friends followed his remains to the cemetery a short distance east of the Village. The funeral was conducted under Masonic honors with a short service in St. Stephen's Church where a touching and effective sermon was preached by the Rector, Rev. E. G. Dymond. After the church service at the grave the Masonic ceremony was read by Rev. Chas. Cocking, a member of Robertson Lodge, assisted by W. Bro. Leeds Richardson.

The Railway Committee of the County Council consisting of J. D. Evans, chairman; Warden High, W. H. Pugsley, L. L. Hartman, R. J. Gibson, W. H. Johnston, T. J. Woodcock and J. T. Stokes, went to Aurora on Monday, the object being to locate the Metropolitan Railway track through that town. The Mayor and other members of the Aurora council were present as well as members of the Railway Company. After the matter had been discussed from all sides it was decided to strike the centre of Yonge Street at the south where the water mains commence and continue in the centre of the road as far northward as the water mains are laid. The Mayor and council expressed themselves as satisfied with the arrangement.

### Elder News

Much display, little merit.

The office pest said it was so hard to keep his wife in clothes that he finally used thumb tacks on the shoulder straps.

The old-timers also used carrots in fixing up a salad. But they gave it to the cow.

A man is boss in his house if his wife doesn't snicker when she sees him tricked out as the grand potentate of his lodge.

### School Fair Winners

#### Compete For Championship

Eleven pupils, winners in the School Fair Public Speaking Competitions in the fall, competed in a Championship event at the County Council Chambers on Friday afternoon, Nov. 24th. Pupils chose their own subject and five minutes was the allotted time in which to deliver their addresses. Speaking was of very high order and the competitors were congratulated by Warden Elliott, Inspector Campbell and many of the Councillors who were in attendance. Inspector Carleton of Bradford acted as Chairman and the following were the judges: Miss L. Rorke, Educational Publishing Co., Toronto; Capt. J. C. Boylen, Ontario Motion Picture Bureau; and W. H. Mole, Supervising Principal, New Toronto School.

The following is the standing of the competitors along with the subjects of their addresses:

The speaking by these young pupils was of a very high order and congratulations is extended to the competitors and their teachers who have spent no little time and energy in preparing them for this championship event.

Prizes, including silver cups, medals and cash prizes, were given by the County School Fair Association and the County Council and were presented by the Agricultural Representative, R. E. White.

### Here and There

Montreal's "million dollar hole" on Dorchester street, where a railway terminal was to have been built, will become the world's most costly sunken garden, if Canada sees eye to eye with a couple of Montreal advocates who advocate beautifying the gash with flowers and shrubs.

Canadian Pacific employees under 21 and minor sons of employees are again offered the opportunity of two University of Montreal scholarships by competitive examination, according to an announcement by Grant Hall, senior vice-president of the company. Applicants have until May 1, 1934, to make application.

Twenty-one months of training in a recognized shop, junior matriculation or its equivalent and a course in an academy to be established in Toronto is the ordeal for novices for Ontario registration as barbers and hairdressers, it was stated at a meeting of tonsorial arbiters at the Royal York hotel, Toronto, recently.

Five ports hitherto not on the schedule of world cruise liners have been added to the 1934 itinerary of the Canadian Pacific liner Empress of Britain when she leaves New York, January 4 next. They are Semarang, Java; Boeleleung and Padang Bay, Island of Bali; Penang, Straits Settlements; and Zamboanga, in the Sulu Archipelago.

In making a choice between transportation by rail and by road, shippers should consider what the railroads are doing and have done for their advantage. G. G. Ommanney, development commissioner, Canadian Pacific Railway, told the Rotary Club of Lyndonville, Vt., recently. He cited many cases where the railroads had first inventoried, then developed the natural resources of the continent.
