The Y.P.S. met last Monday evening with the fourth vice-president, Miss Doris Soden, presiding. The life of Ethelbert Neomis, a noted American music composer, was read by Mr. Raymond Round. He was born in 1862 and died 1901. Among his compositions was "The Rosary." This was played by Miss Bertha Smith. Mrs. Herbert James read an article on "Why he came to write The Rosary." Having received a letter from a very dear friend gave him the inspiration to write this beautiful old song. The letter commenced with these words, "The hours I spent with thee dear heart."

Mrs. Allan Wiltshire sang another of his compositions "Mighty like a Rose." Miss Janet Riddell read an article which prompted him to write this old Southern melody. This was followed by an instrumental entitled "Narcissus."

Miss Soden told the romantic story of "Echo and Narcissus" a fairy tale legend which inspired him to write this selection. The business period followed, and it was arranged to give a play after the New Year, and a committee was appointed to make arrangements.
