

WEEKLY NEWS NOTES FROM THE UNIONVILLE DISTRICT

DECEMBER
December is here, the cold is strong, The days are short and drear; Yet we will sing a happy song, For the closing of the year. It's been a year of patient toil, A year of pleasure too; Some shafts of pain, we did not foil, But still they were but few. The Christmas time is very near, And holidays come soon; And will soon come the glad New Year, To us a golden boon. Then raise your voices in glad cheer, And show your pleasure strong; We'll shout the praise of glad New Year, And greet it with a song

The December meeting of the local Branch of the Women's Institute will convene at the home of Miss E. Russell on Thursday next, at 2:30 p.m. Reports of the Convention will be heard, also a paper by Mrs. G. G. Maynard. Hostesses for the afternoon are Mrs. W. J. Russell, Mrs. W. Young, Mrs. Sinalley, Mrs. J. Taylor. A cordial invitation is extended to all to attend this interesting meeting.

The comedy drama "A Southern Cinderella" presented in the Township Hall on Tuesday last by the Etta Chappin Mission Circle, drew a large attendance. The young ladies displayed unusual dramatic ability, each a star in her own particular part. The setting of the story was in the South, when twenty years before the play, Madame Charteris, an old Southern aristocrat banishes her only child from home. Held in check by the family pride, she remains broken hearted. The daughter dies in poverty. The theme of the play centers around her only child "Enid, A Southern Cinderella." The story is fascinating and of course ends as all good stories should. The caste included Madame Charteris, Grace Perkins; Enid, June Warren; Miss Rosie Winterberry, Carol Trunk; Mammy, Evelyn McClellan; Miss Johnnie Bell, Jean Russell; Miss Caroline Hawke, Christine Warren; Miss Katherine Hawke, Miss Ila Bagg. It is anticipated that this will not be the last time the public will have the opportunity of seeing and hearing these talented young ladies in dramatic production. Credit is also due Mrs. G. G. Maynard and Miss E. B. Russell who so ably directed the production.

An effort to bring Christmas cheer to needy families in this vicinity met with success when the Live Wire Girls' Club of Central United Church staged a Bazaar and Supper in the Township Hall last Saturday afternoon and evening. The articles for sale were of the highest order and many meetings the Christmas demand. Mr. K. Meldrum of Toronto held the lucky ticket that entitled him to the sweater. The winner of the quilt will be made public at the end of the week. The delicious supper reflected great credit on the young ladies and was well patronized. Net proceeds \$35.00.

An event of interest this week will be the annual Bazaar and Supper held under the auspices of St. Philip's Anglican Church on Saturday afternoon and evening. A fine opportunity to choose your Christmas gifts and enjoy a social time and good supper as well. Reserve the date, Dec. 2nd.

Forty ladies were in attendance at the regular meeting of the W.A. of Central United Church last Thursday afternoon, Mrs. Bewell in charge. The program included the scripture lesson by Mrs. A. L. Brown, readings by Mrs. LaRose and Mrs. Bewell, an instrumental selection by Mrs. A. L. Brown. At 7 p.m. a full course dinner was served to the ladies and their husbands by the Wear Ever Aluminum Co., demonstrating the advantage of using their utensils for cooking purposes. The hostesses for the afternoon were Mrs. E. E. Braithwaite, Mrs. G. R. Whaley, Mrs. N. Ogden. On Monday last the annual meeting was held and the election of officers. Officers for 1933 include, President, Mrs. E. Bewell; 1st Vice-President, Mrs. R. A. Stiver; 2nd Vice-President Mrs. A. E. Milner; Secretary, Mrs. R. J. Duffield; Treasurer, Mrs. A. J. Camplin; Pianist, Mrs. LaRose; Sick and Visiting Committee, Mrs. A. J. Camplin, Mrs. W. A. Noble.

Unionville is to have a hockey team at least, so the fans decided at a meeting held recently. The success of the lacrosse team during the past season warrants such a venture. Entering the O.H.A. is anticipated and a capable staff of officers were appointed. President, G. I. Hamby; Vice-President, George Dukes; Treasurer, G. G. Maynard; Manager, Kenneth Deacon. So get ready, fans, and give the boys your support. They are bound to be winners if you do.

"Hello Folks!" Have you heard the news? That the little folks of our Public School are all set and ready to go for the annual Christmas Concert to be held in the Township Hall on Dec. 21st. We hear whispers of black faces, fairies, queer old ladies and men and a lot more that we promised not to tell. So, don't forget the date. You'll be sorry if you do.

The drama "Chintz Cottage" presented by the Junior W.I. of Scuffville in the Township Hall on Thursday night proved a success. It was held under the auspices of the Veterans Organization and those who missed seeing it missed a treat.

Congratulations to little Miss Betty Rae, daughter of Mr. and Mrs. R. B. Rae, who was successful in winning coveted prizes at the Royal Fair. A first prize for driving with Hot Stuff, a first prize for riding with Daffodil and 2nd in a class of thirteen, riding Smiles and Chuckles. A very interesting and helpful gathering of young people took place last Monday night when the Uxbridge Y.P.S. came 54 strong to visit the Young People of Central United Church, Unionville. After the welcome given by Mr. Bert Dyke and prayer given by Miss Dorothy Carr, the meeting was given over to Miss Irene Thaxter, the social inventor of the Uxbridge Y.P.S. Greetings were conveyed by the Pastor, Rev. E. S. Bishop, after which a very fine program was given on "Our Leaders and Composers of Music." The United Societies, about 90 in number, were then divided up into 6 groups according to their birth months, two months being used as a unit. The verses submitted by the different groups were original and dealt with the very latest happenings. The largest feet were measured, and also the widest grins and the longest stretch. Perhaps the most laughable event came when Bob Hiltz and Jimmie Walker staged the finals in the hobble race. Evidently there are more ways of locomotive than one would suspect. The evening was closed with refreshments, and the Misspah benediction and many remarked that they had spent a most enjoyable evening.

It's no use. Any bright new scheme you think up would be in use now if experience hadn't proved it a bust.

Aurora will have a team in the Intermediate O.H.A. series this winter. They hope to recruit players from Richmond Hill and Newmarket. It is understood Jim Grainger, goalie; Rusty White and Curly Lynett have been invited to turn out with that club. EXPLANATION

As there have been many conflicting rumors regarding the question Bruce Cordick and Kenny Kingdon wish the people of the district to know definitely that they did not know the Fergus-Richmond Hill game was being played last Thursday night. Owing to a misunderstanding they were not officially notified of the game. Since that time both Bruce and Kenny have extended sincere congratulations to the team on their wonderful victory and extend their best wishes to continue the good work to-night. We trust this explanation will put to rest any of the rumors concerning the matter. Kenny and Bruce who have been valued members of the club throughout the year will be among Young Canadians most sincere well-wishers to-night in the final game. We make this explanation in fairness to the above mentioned members of the club who are just as sorry that they missed the important Fergus game, as the other club members and fans were disappointed when they failed to arrive for that game last Thursday night.

TESTON

The Bazaar held last Thursday evening was quite successful and considering the times the ladies are to be congratulated on the success of their effort. Many and varied were the articles for sale from beautiful quilts to home made candy. The Parcel Post seemed to be very popular as people seem to like to buy a parcel, contents of which they do not know before opening. This department alone netted \$16.00. A splendid supper was also served. The result of all was \$55.00 and still there are quilts to sell. This sum with the Sunday School collections will total almost \$65.00.

Stormy conditions did not have a deterring effect on a goodly number of the young people who turned out Sunday evening. And they were not disappointed. Mr. R. Manning and Mr. Roberts of Maple were the guests of the meeting. Mr. Manning gave the topic and spoke on the "Influence of our Christian example on the Community." He impressed the fact that we should be useful as Christians in our living so as to draw others to our religion. Mr. Roberts delighted all with his violin selections. The Misses Downing and George Downing gave a trio. Andy Sanders read the lesson and the devotional period was given by Messrs. Geo. Downing and Ed. Brown. Mr. E. J. Hitchcock presided for the Vice-President, Mrs. Taggart, who was responsible for the success of the evening.

The Y.P.S. from here visited Maple where they were royally entertained. Master Allen Orr is rapidly recovering from the effects of the wound he received some weeks ago.

The Downing family are moving to Vellore, but we are pleased to learn are not severing their connection with Teston.

Chicken thieves are again at work in the vicinity Mr. George Thomas of Hope lost about one hundred and forty chickens last week. Mr. McBride also lost a number. Look out for these gentlemen who have no regard for property rights.

Mr. Alex. MacDonald is visiting his sister, Mrs. Fred Routley in Toronto, for a few days.

Mrs. McCluskey and Jim were out from Toronto for the Bazaar.

Anti-Freeze
Which assures you of economy and security.
Don't make the mistake of just filling up with any brand of Anti-Freeze.
Use LOWTEMP
By a special process in its manufacture "Lowtemp" will not scale the rust that corrodes your radiator walls. You may have noticed that the water in your radiator forms a heavy coating of rust that gathers on the walls and tubes. Ordinary glycerine or anti-freeze pierces beneath this corrosion and scales it off, thus weakening the radiator walls. "Lowtemp" is specially processed to have no effect upon corroded surfaces. It is non-corrosive and non-scaling. Eliminates all trouble with rust. "Lowtemp" the perfect anti-freeze.
