Richmond Hill Young Canadians Wins Sensational Game from Fergus

Overcome Twelve Goal Lead and Win Round from Thistles By Two Goals. A Remarkable Victory Which Will Live Long in the Sporting History of This District.

They said it couldn't be done, but Young Canadians did it. In the most spectacular and thrilling game of lacrosse ever held here last Thursday night Young Canadians overcame Fergus Thistle's twelve goal lead and won the round by a margin of two goals. Defeated by the Thistles at Fergus by a score of 17-5 Young Canadians turned the tables here and won the right to continue in the finals for the Tri-County championship and the McCarthy Cup.

Over six hundred fans cheered to the echo the courageous and brilliant efforts of the Young Canadians as they steadily wore down the Thistle's lead, and finally in the last period tied the round, and score the winning goals. Everyone hoped they would do it, but few expected they could. Twelve goals seemed such a big lead. Keyed up to a high pitch of excitement all through the game and especially through the final period when the round was tied, at the conclusion of play the fans went wild with excitement and cheered the gallant Young Canadians for the great game. Fans rushed out on the field and shouldered the players and carried them to the dressing room. It was a game which will live long in the sporting history of Richmond Hill.

Young Canadians gave of their best and proved themselves equal to what was considered by almost all to be an impossible task. They played wonderful lacrosse and proved themselves to be one of the greatest lacrosse teams in the province of Ontario. Fergus Thistles so decisively beaten by them were this year twice victorious over Hamilton Tigers, this year's winners of the Mann Cup. The night following the Richmond Hill game Fergus decisively defeated Rochester. Young Canadians not only gave a brilliant exhibition of lacrosse but they also showed that as a team they possessed to a large degree that splendid morale, fighting spirit, stick-to-itiveness or whatever you have in mind to call it which counts so much in the world of sports. A twelve goal lead would have discouraged a less gallant band of sportsmen. Undaunted they took the field and by persistent hard work and consistently playing the game they steadily gained a lead on their opponents, gradually proved their superiority and in the final period won the round by two goals. It was a notable achievement of the sporting world. Young Canadians by their splendid victory brought honor to themselves and glory to Richmond Hill.

Every member of the team played hard and played well. On the offensive and defensive they were effective. They not only rushed well but they back checked with a consistency and a vigor which had their opponents completely baffled. To the credit of the Fergus Thistles they never gave up trying and until the last second made a determined effort to stay the onrush of the Young Canadians. Despite the fact that it was a championship game with the league honors at stake and players of both teams working under high tension the game while featured by hard checking was remarkably clean and free from penalties. It was well handled by referees Frank Doyle and "Turk" Doyle.

"Chuck" Weese who played one of the best games of his career scored the first goal early in the first period. Play was fast and hard, both teams making a determined bid for that early lead which means so much in important games. Fergus got an evenner. "Rusty" White who played almost the entire sixty minutes of the game and gave one of the most brilliant exhibitions of lacrosse ever seen here and accounted for 5 of the Young Canadians 22 goals made one of his famous rushes for Richmond Hill's next count. Fergus evened it up again, and "Rusty" scored another on a lone rush before the end of the period to end the first stanza 3-2 for Young Canadians. The boys were playing a great game, but the fans shook their heads as they contemplated overcoming a twelve goal lead.

"Alf" Stong, hero of many a Richmond Hill victory, was in the nets for Young Canadians. He was an outstanding star of the game and his wonderful work in the nets was an inspiration to his team-mates in their hard game.

In the second period Young Canadians won the round. They turned on the steam and played their opponents completely off their feet. They outscored the Thistles in this period 8-2. Harold Weese drove in one of his lightning shots to start the scoring feat for the hill. Fergus counted one. Beekie Jacks, Harold Weese, Chuck Weese scored in succession and then Fergus got their other counter of the period. "Rusty" White rushed and scored on a lone effort. "Cal" Miller, who was in excellent form and played one of his best games accounted for the next one on a pass from Rusty. "Chuck" Weese scored next on a pass from "Rusty." "Dempsey" Armstrong, another of the Young Canadians stalwarts who played almost the entire sixty minutes of the game was always an impossible barrier to Fergus scoring threats, drove in the next goal for the Hill. "Al" White, who turned in an excellent game and was effective both in checking and in offensive play, scored the final goal of the period. The spirit of the fans had commenced to rise. The excitement through the great crowd was evident at every hand. With a seven goal lead on the game at the end of the second period Fergus' twelve goal lead didn't look so big. They're going to do it everyone said. "Can they keep it up" was the only question.

Everyone knew that much depended on the third period and the Young Canadians were given a mighty cheer as they took the field. Fergus opened the scoring to make the score of the game 11-5. "Rusty" White roused the team with a great effort, scoring for the Hill. "Rusty" scored again on a pass from "Cal." The Thistles came back with another counter. "Cal" Miller made it 14-6 after a determined scoring effort. "Cal" added another to his record of the night and Beekie Jacks made it one more and the period ended, Young Canadians 16, Fergus Thistles 7.

Going into the final period three goals down on the round the Young Canadians prepared for a last final effort to bring ultimate victory. An evidence of the stamina and fighting spirit of the local team was the work of Beekie Jacks. Beekie received a painful injury to his knee late in the third period and had to be carried off the field. It looked as if he would be out of the game. Despite the fact that he was suffering severe pain, Beekie took the field in the last period and scored two goals for the team. Just what it means to be out into a hard lacrosse game with an injury of that kind can better be imagined than described. But that is the spirit which won the game for Richmond Hill. Keny Blanchard, sturdy standby of Richmond Hill and hero of many a sporting encounter, shot on goal, Chuck Weese took the rebound to score, making the count 17-7. Richmond Hill was still two goals down on the round. Chuck Weese intercepted a Fergus pass, a couple of Thistle players swung on the ball and it rolled in the Fergus nets, a counter for Young Canadians, making the count 18-7. "Chuck" Weese, who was going at a wonderful stride, scored the next goal making the score 19-7, tying the round, and making "Chucks" fifth goal of the night. Beekie Jacks got the next one to put the Hill one up on the round for the first time and the crowd simply went wild with excitement. Old folks, young folks, everyone of the Young Canadians supporters, shouted as long as their

voices held out. Handshakes were passed round and many a hat was flattened in by some overly enthusiastic fan. Things looked more serious in a few minutes when Fergus scored to again tie the round. Beekie Jacks, in a sensational effort, beat the Thistle's goalie to put Young Canadians on top again. "Dempsey" Armstrong put the great victory on ice with the final counter of the game. The game ended 22-8, and Richmond Hill won the round 27-25.

The game was over and the round won, but the game will live as long as the sporting history of Richmond Hill district is recorded. Fifty years from now the occasion when Young Canadians accomplished this remarkable and almost impossible feat will be discussed and the game of last Thursday will be played and replayed many times in the days that are to come. It would be impossible to single out the stars of the game. Every man did his part and did it well. They all played the game for all they had and they richly deserved the great victory. All honor to the Richmond Hill Young Canadians: "ALF STONG, JACK JOHNSTON, KENNY BLANCHARD, "DEMPSEY" ARMSTRONG "RUSTY" WHITE, "CAL" MILLER, "BECKIE" JACKS, "AL" WHITE, "CHUCK" WEESE, HAROLD WEESE, VIC. ORR, JACK HART.
