Four Cornered Contest For Markham Twp. Reeveship

Three Run for Deputy-Reeve and Seven for Council

A keenly contested municipal election is under way in Markham Township with a record number of candidates seeking election. Four candidates are seeking the reeveship and never before in the history of the township has there been a four cornered fight. Reeve George B. Padget is seeking re-election and he is opposed by Robert A. Smith, deputy-reeve of 1933, ex-reeve W. C. Gohn, and Harry Clarry who on a number of occasions has been a candidate. Councillor W. L. Clark is stepping up to contest the deputy-reeveship and he is opposed by R. L. Stiver a former deputy-reeve and by C. H. Burford a newcomer in municipal affairs. Seven are seeking the three seats on council. Charles Hoover and Fred Coakwell members of the 1933 council are seeking re-election and the new candidates are James Rennie a former member of council, W. F. Kincaid a former deputy-reeve, Charles H. Hooper, A. E. Dewes and John S. Leeds.

The severe winter weather and the condition of the roads makes canvassing extremely difficult for the candidates, but all are making the best of it and are busy on the hustlings.

The electors have a number of experienced men to choose from in electing the 1934 council. Reeve Padget has many years of municipal experience and is well posted in all branches of municipal work. He is an ex-warden of the County. W. C. Gohn, another of the candidates for reeve, is also an ex-warden of the County and had served for many years in the township council and is recognized as a well versed municipal man. Deputy-reeve R. A. Smith has served as deputy-reeve for several years and has a number of years council experience. H. S. Clarry is a former member of council. W. L. Clark who is this year stepping up to contest the deputy-reeveship has served four years as a member of the council. In former years he has been nominated for higher office but has always declined until this year. R. L. Stiver is well known in municipal life, having served for many years on the council and as deputy-reeve of the municipality. Charles Hoover is completing his first year as a member of the municipal council, Fred. Coakwell has been a councillor for many years, James Rennie was a member of council in 1932, and W. F. Kincaid is a former deputy-reeve of the township.

The candidates who have qualified for reeve are as follows: For Reeve

Harry Stuart Clarry, nominated by H. E. Dennes and J. H. Scott; W. C. Gohn, nominated by W. F. Kincaid and John Miller; G. B. Padget, nominated by W. E. Risebrough and A. J. Camplin; R. A. Smith, nominated by E. J. Jarvis and A. R. Wideman.

For Deputy-Reeve W. L. Clark by C. Burr and Oscar R. Cox; C. H. Burford by T. H. LePoidevin and Thos Camnell; R. L. Stiver by Robert Coulson and J. S. Honey.

For Council Fred. A. Coakwell by John F. Dean and A. J. Camplin; W. F. Kincaid by Robert Coulson and O. R. Cox; A. E. Dewes by J. S. Leeds and G. F. Barlow; J. S. Leeds by H. S. Clarry and J. H. Pratt; Charles Hoover by H. Wellman and Geo. E. Hoshel; Charles H. Hooper by D. C. Hood and W. L. Clark.

The nomination meeting held at Unionville Friday afternoon was fairly well attended despite the bad condition of the roads, although there was not as large a crowd as in previous years.

Reeve Padget gave a clear and detailed account of the year's business both in the township and in the county. Dealing with county affairs he pointed out that the equalized assessment of the township had been reduced, discussed the vexed question of hospitalization which in the past has been a very expensive item for the county but which was handled this year with a considerable saving to the taxpayers. He reviewed the road work done in the township and pointed out that no property was sold for taxes in Markham township this year. Speaking of relief the reeve said he had done everything in his power to keep the expense down and at the same time see that those in need were provided for. Every case of a party securing relief was first given a careful investigation. In appealing for re-election Reeve Padget said he had made an honest effort to serve the best interests of the ratepayers of Markham township and if re-elected would continue to work for the good of the township.

Deputy-reeve R. A. Smith who is contesting the reeveship gave an account of his stewardship both in county and township affairs and stated that if there was an election

he would be stepping up into the race for reeve. He paid tribute to the service rendered to the municipality by the members of the Relief Committee who were of great assistance to the members of council in carrying on this work.

Councillor W. L. Clark thanked the electors for their wonderful support accorded him during his four years as a member of the township council. He dealt in detail with the proposed work plan in which the township will co-operate in an effort to provide work for the unemployed and thus eliminate much of the direct relief. Charles Hoover, who is completing his first year in council and is standing for re-election, stated that he had endeavoured to serve the ratepayers of the township to the best of his ability and if it was their wish he was willing to continue to serve them in 1934.

Councillor Fred. A. Coakwell, another member of the 1933 council seeking re-election, said that the past year had been a strenuous one for a municipal council as it had been a strenuous one for individuals. He reviewed the work on township roads and appealed for the continued support of the electors.

H. S. Clarry, a candidate for reeve, criticized the \$7.00 per day paid to members of County Council, and questioned the need of continuing a Council Council as part of our government system.

W. C. Gohn, a former reeve who is again contesting the reeveship, took issue with the work of the assessors and pointed out where he felt their work was not properly done. He congratulated the council on the improvements to the Municipal Hall. Mr. Gohn discussed at considerable length the township finances and appealed to the electors for their support to elect him as reeve in the coming year.

C. H. Burford, a candidate for deputy-reeve, advocated a minimum rate of wages of .35 cents per hour on all township and relief work. He felt there should be men on the council who would be able to get higher grants from the government.

A. E. Dewes, a candidate for council, dealt with relief matters and felt that the township council could do better in providing work for the unemployed.

Mr. Davey, who was nominated for council but withdrew, advocated the establishment of a canning factory in Markham township to provide a market for produce of market gardeners. He stated that no person could live on 8 cents per day.

J. S. Leeds, candidate for council, severely criticized the handling of relief in the township and the 20 cents per hour paid on relief work. It is a disgrace, he said.

James Rennie a former member of council who is standing for re-election appealed to the electors for support and expressed the hope that with the improvement in general economic conditions which must soon come, times for everybody would be better. W. F. Kincaid, a candidate for council, stated that he didn't think it just right for men to work on the roads for \$1.80 per day when members of council drew \$4.00 per day.

Charles Hooper said he was a candidate for council and felt that it was the duty of young men to come forward to accept places of responsibility in the carrying on of the public affairs of the township.
