## GOING FORWARD WITH RICHMOND HILL AND DISTRICT

Yes, LET'S GET GOIN'. As believers in Richmond Hill and district, advertisers in this issue favor a sincere all around effort to advance its interests and generally improve conditions. Perhaps everyone favors improved conditions but it is only those who are ready and willing to put their shoulder to the wheel and give whole-hearted community co-operation who are going to contribute to the advancement of those improved conditions we hope for. The firms represented in this issue favor a genuine effort on the part of everyone to make the year 1934 a better and more prosperous year for all. Won't you join hands too?

COMMUNITY BETTERMENT is not a one man job. We must all pull together. During these past years it has been a long pull and a hard pull, but at least we can agree that if we all pull together it will be easier for everyone. Citizens, merchants, public spirited organizations are invited to join in this crusade sponsored by the advertisers in this issue who say BY ALL MEANS LET'S GET GOING NOW.

Prosperity in this district depends upon the activity of district enterprises. The firms advertising in The Liberal are reliable and merit your patronage. Let's pep-up business. Let the answer to every firm who advertises in this issue in favor of GOING FORWARD in 1934, be an answer of encouragement and assured co-operation. Let's co-operate. Let's show these firms we appreciate their spirit and their effort. Let's join them and GET GOIN' NOW.
