

WEEKLY NEWS NOTES FROM THE UNIONVILLE DISTRICT

An Old Prayer— "Give me a good digestion, Lord, and also something to digest; Give me a healthy body, Lord, with sense enough to keep it at its best; Give me a healthy mind, good Lord, to keep the good and pure in sight; Which, seeing sin is not appalled, but finds a way to set it right; Give me a mind that is not bound, that does not whimper, whine or sigh; Don't let me worry overmuch about the fussy thing called I; Give me the sense of humor, Lord; give me the grace to see a joke, To get some happiness out of life and pass it on to other folk."

On Friday afternoon next, Christian women of every creed and color will meet together in what is known as the World's Day of Prayer Service. Beginning in a small way this observance has grown to be a world event and the preparation of the program by Mrs. J. W. Hoffmeyer, Cape Town, South Africa, coming with Greetings of Peace from the women of South Africa to Christians of all nations is a challenge to all women in this land to accept this opportunity to meet in common supplication that Peace may abide in our homes, our churches and within the nations. The service for Unionville and vicinity will be held in Bethesda Lutheran Church and it is desired that as many as possible will attend this meeting that will commence promptly at 3 p.m.

Miss Elsie Spring of Milliken was an interesting speaker on "Race differences" at the Central United Y. P.S. on Monday evening last. The Missionary program was in charge of Miss Gladys Owen, Lloyd Stephenson giving the Bible reading, Mae Stonehouse the prayer and Jas. Walker singing the appropriate hymn "Jesus shall reign where'er the sun." The proposed visit to Uxbridge Y.P.S. was indefinitely postponed owing to unfavorable weather conditions.

The February meeting of the W.M.S. Auxiliary of Central United Church was held at the home of Mrs. T. Croft on Thursday last with the president, Mrs. Crawford, in charge of the devotional exercises. The program included the Bible reading by Mrs. T. Croft, selections from the "Life and letters of Rev. R. P. MacKay, D.D." by the Rev. Andrew Thomson, M.A. Read by Mrs. A. C. Kennedy and a splendid report of the Toronto East Presbyterian given by Miss Milles, the delegate. Discussion on ways for raising money resolved for each member to give one cent for each year of their age. The roll call was responded to by a verse of scripture containing the word Trust. Appropriate music was supplied by the hostess, Mrs. Croft.

In spite of unfavorable weather conditions, the Pancake social held at St. Philip's Anglican Church on Shrove Tuesday evening was a decided success. The supper was good and the entertainment provided by local talent very pleasing.

Certificates of honor, recognizing the bravery of Macklem John Prentice, Murray MacKinnon, Adam Hood and Herbert George Mortimore have been received by Mr. C. E. Stiver from the Royal Canadian Humane Association, Hamilton. These young men by timely action were instrumental in saving Frank Tunny from drowning in the pond on a Sunday afternoon last August. Mr. C. E. Stiver is to be commended for bringing this fact to the attention of the proper authorities and arrangements are being made for the public presentation of the certificates.

In the passing of Dr. G. F. Kelly, Sr., whose death occurred in his 75th year at his late residence, Buttonville, on Monday afternoon last, York County loses a highly respected and useful citizen in every phase of civil service.

A son of the late John and Elizabeth Kelly and born on the old homestead, Con. 4 Markham, and after his marriage to Elizabeth Duncan, residing in Buttonville, Dr. Kelly lived his entire life on Con. 4 Markham. His fame as "Veterinary Surgeon" spread far beyond his home vicinity as his extensive practice for 50 years throughout York County indicated and although in failing health for some time, his interest continued as he accompanied his son, Dr. G. F. Kelly, Jr., as he carried on his father's work in this capacity. Dr. Kelly was a keenly successful business man, his jovial nature making for him many friends in both private and municipal affairs. In politics a staunch conservative. He is survived by his widow, a son, Dr. G. F. Kelly, Jr., a daughter, Mrs. J. W. Hoffmeyer, all of Buttonville, also a brother Louis, and a sister Mary Ann residing on the old homestead and a sister Mrs. John Miller of Unionville. Service was held at his late residence Buttonville, on Wednesday afternoon with Rev. Cunningham of Richmond Hill Presbyterian Church officiating. Interment was made in Richmond Hill Cemetery. The pallbearers were Dave Brown, Leslie Hood, Douglas Hood, Alex Young, Garnet Francis and J. Calvert. The Liberal joins the many friends in extending sincere sympathy to the bereaved family.

Lenten Services, commencing with Thursday evening of this week, will be held at St. Phillip's Anglican Church and continue every following Thursday evening for the duration of Lent. A cordial invitation is extended to all to attend these services. The many friends of Mrs. Susan Gibson will regret to learn of her illness at the home of her nephew, Mr. Isaac Stobo, Kingston Road, where she has been spending the winter. We trust that she may have a speedy recovery and be able to return to her home on Con. 5 Markham.

Mrs. M. Ogg of Locust Hill is visiting friends in town this week. Mrs. D. Harrington and Wallace Harrington spent a few days this week with Miss Grace Harrington, Toronto. We regret to report the serious illness of Mrs. (Rev.) Cook, daughter of Mr. and Mrs. James Camplin in a Toronto Hospital. Miss Luella Clement has returned home from Wellesley Hospital and is making favorable convalescence following a serious operation. Principal Hill reports the attendance at the Public School far below par these days and fears the effect on final results unless there is a change. Unfavorable weather conditions is given as the most direct cause and yet it is a singular fact that weather conducive for stimulating attendance at the skating rink is against school attendance.

A remembrance shower that included post cards, letters, etc., was tendered Mrs. W. J. Perkins on Valentine's Day. Mrs. Perkins is convalescing in Wellesley Hospital following a serious operation, and thus her many friends extended best wishes for a speedy recovery. Mr. and Mrs. C. A. Hood visited Mrs. Susan Gibson and Miss Margaret Gibson, Kingston Road, on Sunday last. We are pleased to report little Clara Connell, daughter of Mr. and Mrs. A. Connell making favorable convalescence at the Sick Children's Hospital, following a serious operation. Mrs. N. Ogden is visiting her daughter, Mrs. Fred Conley of Orillia, this week.

FATHER AND SON BANQUET A very successful Father and Son banquet was held in the United Church School room last Thursday evening under the auspices of the Arrow Tuxis group of which Mr. Rand Phipps is leader. Following a delightful repast a splendid program of toasts and musical numbers was enjoyed. Mr. James Stewart, Richmond Hill High School principal, was the speaker of the evening and delivered a very thoughtful and inspiring message to the fathers and sons.

Celebrated 88th Birthday

One of Richmond Hill's oldest and most highly respected citizens, Mrs. Wm. Harrison, celebrated her eighty-eighth birthday on St. Valentine's Day. Mrs. Harrison with her daughter Clara, was to her many friends who were delighted "at home" to offer their congratulations and partake of the bounties provided most especially the birthday cake which was made by the octogenarian herself.

Mrs. Harrison received many valentines and birthday greetings but was particularly pleased with the following poem composed by her daughter Matty, and sent to her by her three children who are far away from home—Dr. Fred, School Inspector in Sask.; Louie, Mrs. W. Reilly, of Denver, Col., U.S.A., and Matty of Sandwich, Ont.

The following little poem was written by Miss M. E. Harrison and dedicated to her dear mother at Richmond Hill, Ontario.

Her son has made it apply to her as from the family, Clara, Louie, Matty and Fred.

To A Fond Mother We have a little mother, She is ever dear to us, Like HER there is no other In all the land to bless.

We love to think about her In her home in Richmond Hill: Our days seem so much brighter, Because she's with us still.

Your children love you, mother, We follow your council still; We know there is no other Your earthly place can fill.

And mother dear, as the eye grows dim, And the sten is getting slow May your inward eye look up to HIM As you journey to and fro.

HIS hand will guide you all the way. Just place YOUR hand in HIS: And on this JOYOUS Anniversary Day Rejoice in Hallowed Bliss.

GOD BLESS YOU, dearest MOTHER Is OUR earnest prayer to-day: MAY HE keep you, guide you ever In all you do and say. —By M. E. Harrison

ELECTRIC SHOCKS FOR THE UNWILLING MULE

An experimental consignment of mules, intended for the Italian army, was loaded on shipboard with the aid of an electric shocking device attached to the end of a fishing pole. When the mule hesitated, it was touched on the hindquarters with a piece of weakly electrified wire, a proceeding which, says the Agricultural Department of the Canadian National Railways, greatly facilitated loading. During the Great War, the Italians learned that the mule was more sure-footed than the horse, and 20,000 army horses are to be replaced by this hybrid animal. The loading was done at Saint John New Brunswick, by trained mule-handlers.

IN MEMORIAM BLANCHARD

In memory of the late John Blanchard, who passed away Feb. 11th, 1933. A dear one from our home is gone, A voice we loved is still, A vacant place in our home Which never will be filled. Sadly missed by Wife and son John.

FARMERS SHOULD ARRANGE FOR SEED EARLY

For a number of years the Provincial Department of Agriculture has co-operated with the local farmers in installing up-to-date power seed cleaning machinery. The first complete modern seed cleaning plant under this policy for York County has just been installed by the Aurora Flour and Feed Company Limited at Aurora. These machines, including the Plessisville Cleaner, Carter Disc Separator, Marot Grader and Forano Scutcher, have been installed under ideal conditions and demonstrations, conducted by representatives of the Department will be held at the new plant on Thursday, Feb. 22nd, commencing at 1:30 p.m. Farmers are asked to come in and bring seed with them and as far as time will permit, the demonstrators will show what up-to-date machinery will do. Discussion with respect to seed improvement will accompany the demonstrations.

BARBADOS THE "LOVELY ISLAND"

The lovely island of Barbados is becoming more and more popular as a winter resort for those fortunate individuals who spend their winters in a warm climate, states the Canadian National Steamships. Barbados is the most easterly of the West Indian Islands lying in the Caribbean Sea, right in the track of the northwest trade winds. The island has a winter temperature of 70 degrees F. and a climate that is undoubtedly one of the finest on earth.

Barbados is often called "Little Britain" because of its unbroken connection with the British Crown for over 327 years, the English character of the scenery and inhabitants who are very hospitable and fond of sport of all kinds. A very potent factor in the popularity of this island to the winter resident is the low cost of living and hospitality.

There is a wonderful water supply, electric light and gas, and over 480 miles of excellent motor roads. For invalids or convalescents, no finer spot can be selected. There are excellent schools and doctors, and plenty of sane, healthy, happy social life and amusements.

The island is 2,134 miles from Halifax, N. S., and the Canadian National Steamships "Lady" boats, calling at seven other islands before Barbados, also stopping at Boston en route, make the trip in 12 days.

Make your Canadian dollars more cents. Burn Rosedale coal. In the "class one" "Alberta's best." At the lowest price in history. \$11.50 by the ton. Phone 10 I. D. RAMER & SON

NATIVE GALILEAN SHEPHERD COMING TO SPEAK AT RICHMOND HILL UNITED CHURCH SUNDAY MORNING, FEB. 25th, at 11 a.m. Will tell the story of his shepherd life in ancient Galilee, and will appear in Galilean costume. On the following Monday night, under the auspices of Y.P.S. he and Madam Haboush with two young men assistants will present the All Talking Musical Travelogue, "THE SEVEN WONDERS OF JERUSALEM AND GALILEE."

It is a far cry from the ancient hills of Galilee, and the pastoral life of the people there, to the dynamic days of the modern present in civilized North America, but those two extremes are covered in the span of life of Stephen A. Haboush, a shepherd from Galilee, who has brought to the West the story of Galilee and Palestine, told as only one who was born there can tell it.

Mr. Haboush is a native Galilean and North American citizen. He was born on the hills about the Sea of Galilee and in his youth tended his father's flock of sheep, just as every Galilean boy has done since the days when the Master walked among men. He came to North America and worked his way through an American University. Recently he returned to the land of his birth, and there personally took a marvellous motion picture of the scenes and people of Galilee. He returned to North America with his message. He has written for magazines and newspapers and spoken before great audiences in many of the famous churches and schools in America and Canada.

There is an inspiration in the life and teaching of Stephen A. Haboush for everyone. His messages and Travelogues bring to the material present the story of life in Galilee and Palestine as it was and as it is, his story of the Scriptures interpreted by one to whom the scenes of the story of the four Gospels are his native land.

He is the author of "My Shepherd Life in Galilee," and in the book review of the Boston Transcript appeared this statement, "He enters into the feeling of the most famous bit of the world's devotional literature with insight and charm."

Mr. Haboush's Travelogues on Galilee and Palestine are a distinct contribution to North American letters and to modern thought. They breathe the very life and mysticism of the ancient East. Part of it is delivered in native costume, the same costume worn by native Galileans in the days of the Bible story. Part of his dramatic story is delivered to the accompaniment of the weird Oriental shepherd pipes. And besides his thrilling scenes he will show special motion pictures. It is a program that will be a delight and an inspiration to all who will be fortunate enough to hear him.

The upper class, in all ages, is the one that thinks more money would ruin other people.

Letters From The People

Dear Sir:— In reply to the complaint in last week's Liberal about men on relief sitting at home, I happen to be one of them, and if anyone can give me a job of doing anything, it does not matter what as long as I can make a living for my wife and family, I would be glad. It would be a relief to me to stop living on the taxes for I do not want to live on anybody's money but my own. I have lived in Vaughan for twenty-four years and I have never had to live on ten cents a day before. I can tell you, you won't get fat on it. I served from June 1916 to March 1919 in France and Belgium and was gassed at Ypres. I did my bit for my country, now some one do your bit for me. Give me work.

Yours truly, Sapper F. Cooper, Maple, Feb. 12, 1934 127 Batt, York Rangers

EDEN AND PARADISE BOTH IN NOVA SCOTIA

If you should be looking for perfection in this year you can find both Paradise and Garden of Eden in Nova Scotia according to the Tourist Department of the Canadian National Railways. The state of the places is no guarantee but the names are.

Paradise is located at the junction of the Paradise and Annapolis Rivers, along the northwest shore of Nova Scotia. It is an early French settlement. Garden of Eden is just 25 miles from New Glasgow, a coal mining centre. Garden of Eden had its Adam who lived to a great age and near the community are to be found Mount Adam and Eden Lake. There appears to be no sign of Eve, but trout, salmon, moose and deer make the area acceptable to the sportsman.

Is an important feature of your winter diet. Make sure of a SAFE, PURE and DEPENDABLE supply by having our driver call daily.

PURE MILK, pasteurized by the most modern and efficient methods is what we offer to our customers.
