IN MEMORIAM

RANSOM—In loving memory of my dear mother, Minnie Ransom, who passed away, Feb. 27th, 1932. A cluster of loving memories, The fondest the heart can frame, I weave them into a garland And tuck them around your name. Ever remembered by daughter Velma.

IN MEMORIAM

BAILIE—In loving memory of Sarah A. Gordon, who passed away Feb. 23, 1933, beloved wife of W. J. Bailie of Maple, Ont., late of Toronto. The flowing stream of life rolls on, But still the vacant chair Recalls the love, the voice, the smile Of her who once sat there. Her life was one long sacrifice, Her heart was true and tender; She toiled so hard for those she loved, Then left us to remember. Ever remembered by Husband Son and Family.

AL GORDON WINS STOCK CAR RACE DRIVING FORD V-8

"Al Gordon, driving a Ford V-8, won the 250-mile Gilmore gold cup road race for stock cars, run here Saturday, with 75,000 spectators looking on. FOLLOWING GORDON CAME NINE MORE FORDS. The winner averaged better than 65 miles per hour, his time being four hours fourteen seconds. The course itself has an adobe surface and is only two miles in circumference. Five different makes of cars competed, the race being run under A.A.A. sanction.

The race was a fight between Gordon and Stubblefield, 18 seconds separating them. The latter finished three laps ahead of Lou Meyer who was followed closely by Pete de Paolo and Rex Mays. These five were the only entrants to complete the full 250-mile course.

Ten in Money

The next five to finish were Red Horn and Frenchy La Horgue, who completed 129 laps of the 131 laps; George Connor, who finished 128 laps; Al Reinke and Harry Nelson, 126 laps, and Shorty Cantlon and Fred Frame, 123 laps. These cars were given finishing positions in the order listed and the first ten were officially considered to have finished in the money.

Eddie Meyer, Woody Woodford and Ernie Triplett, in that order, were flagged down after the first 12 had finished. Woodford driving a Plymouth was in 14th position at the time.

Two Accidents

Only two accidents occurred during the race. On the thirtieth lap Chet Gardner, driving in fifth position hit a bump on the last turn and rolled over throwing him and his mechanic, John Roe, out of the car. Gardner was not seriously hurt. Roe suffered a broken hip.

On the 85th lap Bob Hahn, driving a Rockne did a tail spin, but he and his mechanic suffered only minor injuries. The Chevrolet entry dropped out at 22 laps and the Chrysler entry at 35 laps. The Plymouth piloted by Woodford was the only car from the Fords to finish."

ONTARIO LEGISLATURE

If amendment to the Motor Vehicle Act introduced last week in the legislature is carried, owners and drivers of private motor vehicles will be relieved of all liability in cases of accidents to passengers.

"My amendment will also protect the driver from actions brought by dependents of the passenger killed," Mr. Robertson explained. "Of course, it will not apply in the case of buses or taxis, or other motor vehicles driven for hire or gain."

In the opinion of the Liberal whip, the liability for accepting a ride in an automobile should be borne by the passenger, except in taxis or buses.

On both sides of the House, no battle is expected till the Public Accounts are brought down possibly next Thursday. A concerted attack by the Liberals is expected especially on the administration and costs of the Northern Development Branch, the Highways Department and the whole question of roads, as well as the finances of the province with the capital debt increased \$319,000,000 in the past ten years with a total of \$610,000,000 and one-third of the total revenue of the province required to pay the interest charges each year.

In a quiet week of the debate on the speech from the Throne outstanding proposals were made by N. O. Hipel, South Waterloo and Russell Nesbitt, K.C., Brantford.

N. O. Hipel, South Waterloo, attacked fire insurance firms for collecting excess premiums from farmers; paying two thirds or less than the policy figure; "robbing" them in the case of one firm; and proposing that the provincial insurance superintendent call companies into conference to arrange greater protection. He charged low premium payments, coupled with the federal government's 6 per cent sales tax prevented replacement of 50 per cent of burned barns, thus forcing more farmers off the land each year than the land settlement board established in two years. Citing dismissal of a motorist who crippled a man, and punishment of another for technicality, he demanded "Is there one law for the rich and one for the poor?"

TESTON

Owing to our Pastor, Rev. D. Davis, being on the sick list there was no church service last Sunday morning. Owing to this fact not many attended Sunday School but those who were there enjoyed the little meeting. In the evening at Y.P.S. Miss Louise Carson was in charge, it being Literary and Social evening. The Literary Heritage of Ireland or the Life of Thomas Moore was taken by E. J. Hitchcock, the lesson by Miss Hadwen. The pianist was not present so the old time singing was in order. The meeting was enjoyed by all present.

Miss Sadie Windas who has been confined to her home suffering with rheumatism is getting better and we are pleased to report will soon be out again.

Miss Ida Marwood and Jean visited with Mrs. Carley on Sunday.

Mr. Frank Piercy had the misfortune to inhale some carbon monoxide fumes from the car and is not feeling very well.

Teston Y.P.S. will present the play "The Red-headed Stepchild" in the Masonic Hall, Maple, on Wednesday evening, March 7th. Come and laugh with us.

Mrs. Caroline Gray, formerly Caroline Bigham and relict of the late John Gray, an old resident of this vicinity, passed away at her home here last Monday in her eightieth year. Mrs. Gray had not been in good health for a short time and the end came suddenly. The family have the sincere sympathy of the community.

"That's a good little boy," said the visitor as Johnny picked up his scattered toys. "I suppose your mother has promised something if you clean up the room." "If I don't," he corrected her.
