Honest Finder Rewarded By F. W. Hicks
 It pays to be honest, was materially demonstrated recently when a York Township resident, who is a recipient of relief, was generously rewarded with six bags of flour by F. W. Hicks, proprietor of Pine Grove Mills, from whose truck the bags had dropped. The finder immediately turned the bags over to the York Township police who in turn notified Mr. Hicks. A few days later the police were instructed by Mr. Hicks to hand the bags over to the finder. So, after all there are some honest people and some who like Fred Hicks appreciate the value of such a noble virtue.

Woodbridge Citizens Band Minstrel Show

No form of entertainment furnishes so great an appeal as a Minstrel Show. We remember well such minstrels as Cool Burgess, George Schoocraft, George Primrose, Lew Dock-lader, Honey Boy Evans, Billy Rice and others, all of the old school of minstrels. We must not forget to mention that Cool Burgess was a Canadian, born and lived until a young man at Bobcaygeon, and became one of the most famous and beloved minstrels of his day on the American stage. It was Cool Burgess who introduced the long flipflap shoes. He was possessed of a wide range of voice and a laugh that was irresistible. In short, his impersonation and make-up of the carefree negro was perfect. George Primrose was also a Canadian, a native of London, Ontario. Primrose was famous for his neat soft shoe dancing as well as being an entertaining man. The wonder, however, was that Cool Burgess, born and raised in a remote part of Ontario, should be regarded as America's greatest delectator of Ethiopian eccentricities. On Thursday night of last week Woodbridge Citizens Band provided the community with a Minstrel treat to which the people responded liberally. Herb. Eastwood and J. Dumbleton did well as red men and Bob Young made a capable interlocutor. There were solo numbers, duets and choruses plenty. Villagers gave many donations in the form of flour, groceries, meat, etc., which were drawn for. The band fund was well replenished as a result.

Madame Holland at Y.P.S. Meeting
 Madame Holland, contra-alto of the Metropolitan Church Choir, Toronto, was the feature of the United Church Y.P.S. meeting on Monday night last when she sang songs of England, Ireland, Scotland and Wales. Beatitudes were explained by Miss Bessie Nat-tress and Society Review read by Miss Bertha Whitmore and Gordon Jagg furnished much merriment.

Intermediate Hockey Team Win In Semi-Finals
 A big turnout of Woodbridge folk motored to Willowdale on Monday night when they witnessed a keenly contested game of hockey between the Woodbridge Intermediates and the Ceirco Colombo team of Toronto who the Intermediates defeated a few nights ago in the first game of the semi-finals. Last Monday night's game was the second in the semi-finals and Woodbridge won by a score of three goals to one, making two goals in ten minutes overtime. The playing was fast and exciting throughout and puts the Woodbridge team in line for the finals. Woodbridge lineup: Orville Aikens, H. Bullen, Jack Brownlee, H. White, R. Purdy, C. Kitson; subs, Len. Pettit and Norman Parsons.

Mr. John Kersey of Woodbridge and Mr. Frank Vanderlip of Brampton left for Florida last week traveling by automobile.

According to John Eagleson, Elm Park manager, a greater volume of business was done at the Park last season than any season since the opening seven years ago. This, he attributes largely to a reduction in prices.
