## RELIEF MEETING

An important meeting of the Relief Committee will be held in the council chamber next Tuesday evening.

Our opinion of the 13-month calendar depends on whether the extra month is a June of a January.

## VOLLEY BALL NOTES

Two teams from the Mills Floral Industry in the running for seasonal honors engaged each other on Tuesday evening of this week to execute the remaining match of the winter schedule to be played.

While the "Dukes" captained by Mr. Bert Cook were considered as a possibility easy winners, yet the "Shrubs" led by Captain Brillinger made it a matter of concern for them in the first game of the match and it was only on the second round that Cook's squad got away to a good lead only to have it pulled down again in the last game, the match ending with a score of 46 to 33 favor Cook's.

Good service and defense coupled with a definite effort to excel in three touch team play extended this match much beyond the usual time and made it the most interesting of the season. Elgin team was again on hand in full numbers and performed admirably considering the short time organized, finishing only fourteen points behind their opponents, a composite team organized to oppose them.

With the completion of the schedule other outside groups will take part in invitation matches.

## MAPLE

A crowded house greeted the Young People of Teston United Church when they presented the three act comedy "The Red Headed Step Child" in the Masonic Hall here on Wednesday evening of last week. The play was under the direction of Rev. D. Davis and Mr. E. J. Hitchcock and all the parts were well taken.

A large number were present at the Carnival on Saturday night. Many were in fancy dress costumes and there were several skating races.

The Bridge, Euchre and Dance last Thursday evening was quite a success, there being a large number of tables in play.

Master Desmond Partridge and Billie Lawrie spent the week-end with friends at Kleinburg.

Papers were read by Mrs. G. Matheson, Mrs. Cairns and Miss Agnes McLean, a piano solo was given by Miss Agnes McLean. After the meeting lunch was served by three of the members.

Mrs. G. Lawrie was appointed delegate to the Provincial meeting to be held in Hamilton.

## Many Features Planned For The 1934 Spring Fair

The officers and directors of the Richmond Hill Fair met Tuesday evening in the Memorial Hall in preparation for the annual Spring Fair which will be held May 24th. The 1934 Fair will be the eighty-fifth annual exhibition staged by the Richmond Hill Agricultural Society and every effort will be put forth to make this year's fair bigger and better than ever. The prize list for all classes of horses will continue to be one of the most attractive in this part of Ontario and a bigger horse show than ever is expected. An effort will be made to encourage local competitors and farmers and stock men of the district are invited to cooperate in making this 1934 show not only more attractive to the spectators but also more beneficial to the Agricultural industry.

The saddle and hurdle events which proved so popular last year will again be a feature of the fair. This department will be enlarged and a committee headed by Mrs. Frank Dunlop of Richmond Hill is busy preparing an enlarged list of events and it is hoped to attract the very best horses in this section of Ontario. A ladies' polo game will probably be a feature of the day's program.

The directors also have under consideration several other features and attractions and announcements will be made from time to time as details are completed.

## VILLAGE AMENITIES (By A. Villager)

There are some very mean people living in Richmond Hill. In the summer they keep their lawns cut and walks swept. This is very annoying to the neighbors who prefer to go motoring, or play quonits, or golf, and don't care a hang anyway what their lawns and walks look like.

But these mean people are at their very worst in winter. Snow, frost or thaw, they keep their sidewalks clear. To the neighbors who wouldn't dream of demeaning themselves by wielding shovel or broom, it is a positive insult. Then think of the children. Those who never clear their walks can sit at the window and see the little dears enjoying themselves ploughing through drifts up to their knees. Older persons, especially those with heart trouble may find it tiring, but what of that. This is the age of youth.

Presently it freezes and the sidewalk becomes a free skating rink. Of course all the pedestrians haven't skates. Some are old, some are ill, and many seem to find the going difficult, but how funny they look when they slip and wave their arms and legs about. The onlookers at the windows feel they are putting on a good show. It makes them feel almost public spirited.

Just as snow and ice are getting a bit tiresome, it thaws and now there is real sport. All the sidewalks where the snow and ice accumulated during the winter have become uncharted seas. What fun the children have sloshing through in their rubber boots. It the water goes over the tops of their boots, well the kind neighbor who has provided the sea feels it is up to their parents. They should have seen that the children had higher boots, or longer legs, or something.

As for the passerby who has no rubber boots, they should carry a pole if they haven't intelligence enough to know where the ice under the water will hold and where it is going to give way and plunge them in over their shoe tops. In any case they look very funny. Quite as amusing as the ice gymnasts, and that is all that matters to the onlookers at the windows.

Of course the mean people lose this fun. And serves them right too. But some day they may realize all they've been missing. Then they might be mean enough to have the window sitters charged an amusement tax, and the proceeds applied to a forcible cleaning of their walks by the village unemployed. Now wouldn't that be dreadful.

## VETERANS EUCHRE

The Veterans and Ladies' Auxiliary will hold a euchre and dance in the Municipal Hall, Wednesday evening, March 21st. Good prizes.

## BENNET WINS HOUSE SUPPORT FOR TITLES

The restoration of titles in Canada was ratified by the Federal House of Commons on Wednesday on a division of the house by a vote of 113 to 94. Premier Bennett vigorously fought in favor of the titles restoration and Rt. Hon. W. L. Mackenzie King strongly opposed the move as did Humphrey Mitchell, Hamilton labor member, Miss Agnes MacPhail and other independent members.

Premier Bennett proclaimed as erroneous the philosophy that all men are equal and under an alleged threat of resignation led his conservative colleagues in upholding the titles restoration by a majority of 19 votes. It was the closest division in the life of the present parliament.

From Conservative ranks, George Spotton, North Huron, whose stentorian-toned denunciation of titles a few sessions ago was recalled in today's debate, cast his vote with the Liberals for the Mitchell anti-titles resolution, and Ira D. Cotnam, North Renfrew, bolted with him.

From Liberal ranks there bolted the lone knight of the Opposition Sir Eugene Fiset, who found his position as a titled Commoner untenable in the ranks of an anti-title Parliamentary group. He alone from Opposition ranks arose to vote against the Hamilton Laborite's proposal to instruct the Prime Minister in the titular ways he should travel.

The only other knight of the Commons is Sir George Perley, sitting in the front row of Conservative benches. Sir George voted with his party and with Sir Eugene in support of titles.

## WEDDING

### TERAVAINEN-TOPPER

On Monday evening, March 12th, at 7 p.m. in Richmond Hill Presbyterian Church, the marriage was solemnized of Miss Zilpha Topper, youngest daughter of Mrs. C. Topper and the late Christopher Topper of Elgin Mills to John Teravainen of Toronto. Rev. J. D. Cunningham officiated, and the church choir was also in attendance. The bride, who entered the church on the arm of her brother, Mr. George Topper of Markham Township, was becomingly gowned in white lace over white satin with white velvet turban, white shoes and carried a bouquet of Ophelia roses. Miss Jean Topper, niece of the bride, was bridesmaid and wore a lovely gown of green lace over green satin with hat to match and carried Ophelia roses. The wedding music was played by Miss Lucy Yerex. The groom was attended by Mr. William Stewart nephew of the bride, and the ushers were Messrs. W. A. Caldwell, James Stewart and Charles Cowie. During the signing of the register Miss E. Barker sang "O Promise Me." After the ceremony a reception was held at the home of the bride and a buffet luncheon served, when Mrs. F. Plunkett and Mrs. A. Shaw, aunts of the bride, poured tea.

Later the happy couple left on a short honeymoon to Montreal, the bride travelling in a blue tweed ensemble with hat and other accessories to match. On their return they will take up residence in Toronto where they will be At Home to their friends.

How it meant nothing unless founded on the Rock of Christ Jesus. The Church's one foundation is Jesus Christ the Lord and means more than just a building, and to missionary work is all important. A good attendance greeted the speaker and everyone enjoyed an excellent discourse.
