

WEEKLY NEWS NOTES FROM THE UNIONVILLE DISTRICT

UNIVERSAL SYMPTOMS— All hearts rejoice in welcoming The first green buds of early spring All pulses faster seem to beat When the first breeze blows soft and sweet, And none indifferently can pass The first red robin on the grass.

The tired old man exults to see The tender leaf upon a tree, Even the scuffling synic will Delight to find a daffodil. And toilers at some grim machine Proclaim that tulips they have seen

The first blue skies and sunbeams stir The blood of prince and commoner, And set all eyes and cheeks aglow, With happiness they have to show. And all express in humbler ways What poets sing in lofty praise.

Not all in poetry can sing, The beauty of the coming spring; Some tell it with a lifted eye, Some with a glad word passing by; But strangely that first crocus small Makes happy poets of us all.

A FAVORITE TESTED RECIPE Baked Fish With Tomato Stuffing

Wipe a boned fish, sprinkle with salt. Fill with dressing. Sew edges of fish together. Place in a baking pan containing a tablespoon of melted butter, dredge with flour, dot top with small pieces of butter or a couple of strips of bacon. Put a little water in the pan, baste the fish twice during the baking. Bake in a fairly hot oven allowing about 15 minutes to the pound.

Tomato Stuffing 2 cups of tomato puree, 1 small minced onion, 1/2 teaspoon salt, 1/2 teaspoon pepper, 1 tablespoon granulated sugar, 1/2 teaspoon curry powder or 1/2 teaspoon tyme, enough bread crumbs to absorb liquid. (Cooked rice may be substituted for bread crumbs). Combine ingredients and place in fish. Thickened pan gravy flavored with parsley and poured over fish when served is a nice addition.

Expresses Thanks for Relief

That all the people who receive relief throughout the country be classed as "No Goods" is not right, or at least not in the case of the Cecil family who recently moved away from Milliken. The Township of Markham helped this family last winter in supplying them with fuel. A few months ago they moved to the British West Indies where Mr. Cecil is now engaged. Realizing their indebtedness to Markham Township Mrs. Cecil wrote to Deputy-Reeve W. L. Clark in which was enclosed a Canadian five-dollar bill, which will be used as she states "to help others similarly situated." The Township of Markham is very grateful to the Cecils for this amount and wish to thank them for expressing their indebtedness in this way, which goes to show that sometimes the poorest of people are the most honest.

The letter reads as follows:

Exmouth, Land's End, St. Michael, Barbadoes, B. W. I.

To W. L. Clarke Esq.

Deputy-Reeve, Markham Township:

Dear Mr. Clarke:—

I am fearfully sorry that the rush in which I eventually left Canada prevented me from coming to say goodbye to you, but I hope that when I return I will see you again.

My husband and I are enclosing a \$5.00 bill which we wish you to be so kind as to pay in to the relief fund for us, and we hope to be able to make you a remittance every month for the future. We are both most grateful for the aid which you, on behalf of the Township, extended to us, and now that John has a position we want to try and refund at least a part of it, so that you may be enabled to help others who are similarly situated.

With sincerest regards to you, and best wishes for the health and happiness of your entire family.

I remain, most sincerely yours, Sybil H. Cecil.
