VICTORIA SQUARE

Evidently the weatherman got his April Fool Joke in a little ahead of time.

On Thursday a good representation from the congregation gathered in the church basement to discuss plans for our charge. After due consideration, decisions were made which led to the appointment of a committee to work with presbytery officials in planning future arrangements. The meeting closed with a pleasant social time.

The Sunday School session was employed in the review of the past quarter's lessons. The lessons were ably taken up by Mr. Klinck, Mr. Avison, Mrs. Klees and Miss Ethel Mortson. Miss Ruth Caseley sang a solo and Mr. Harry Harper gave an accordion selection. Recitations by Misses Joy Mortson and Bertie Forster also added to the program. Don't fail to be on hand next Sunday as it is Easter and the primary class have a special treat for us.

The church service was especially musical on Sunday when various familiar hymns were sung after a fitting background of their origin had been depicted by our pastor. The singing of the "Ninety and Nine" by Mrs. H. D. McCague and Miss P. Ash was greatly appreciated.

Miss Lulu Beatty led the Y.P.S. service Sunday night. A splendid paper was given by Miss Mabel Sanderson, a reading by Jim Valliere and a duet by Misses D. Oliver and L. Gee. All in the community are welcome to come and add to the attendance which is usually quite large.

The April meeting of the J.F.A. & J.W.I. will be a joint one in the Community Hall. H. L. Atkinson, Assistant representative will be on hand with something of interest for all. There will be music and games and don't neglect your contributions to the special edition of the Victoria Breezy News. Also are you keeping the farm.

read up on the farmer's problems as outlined in the New Canada Movement material?

The Cooper's Warble Fly compound produced by the J.F.A. is on hand at Willow's store for any desiring same. Don't fail to rid your cattle of this pest and aid in the general clean-up.

Keep in mind the April W.M.S. meeting on Wednesday afternoon, at the home of Mrs. W. F. Nichols. Mrs. Caseley's group is in charge, with the usual interesting study on China and special music.

Our old friend "Eddie" will be on hand with a caste from Teston to present "The Red-Headed Step-Child" in the Community Hall on Wednesday April 4th.

For the heavily dated members of our community it might be well to ask that Wednesday evening, April 11th, be kept open for the Victoria Square play "All in the Family" to be presented in the Community Hall with an all-star caste, etc., etc. Anyhow, don't fail to reserve the date!

TESTON

"Bill" Wilson was the guest speaker last Sunday evening at Y.P.S. and took as his subject "Which Way." Also the many religious movements before the Young People of to-day, "What are the Young People going to do about them?" said the speaker. This talk was unique and interesting. Harry Cunningham read the lesson and Hazel Carson a paper. There was a good attendance. Next week one of the Oxford groups will be at the meeting.

Mr. Roy Wilson wears a happy smile. Its a bouncing baby boy. Miss Hazel Carson and Miss DeCarroll of Toronto were home over Sunday.
