**Here and There**

Railways and their important functions in the economic existence of the State were stressed by G. G. Ommanney, development commissioner of the Canadian Pacific Railway at the annual banquet of the Traffic Club of Hamilton recently. They had, he said, contributed materially to development of natural resources, building up of industries and in promoting land settlement and agriculture.

Railway and motor truck transportation are both essential to the economic wellbeing of Canada and neither should be antagonistic to the other, stated Hon. R. J. Manion, minister of railways and canals, at a national conference on transportation held at Ottawa recently. But, he added, while railways are subject to strict regulation and control, motor truck service has not as yet been brought under any comparable control or regulation.

Silver Fox Breeders' Association convention was the first of three big gatherings held at the Chateau Frontenac Quebec City this year. It was simultaneous with that of the Canadian Fruit and Vegetable Jobbers' Association and was followed shortly after by the convention of the Canadian Association of Tourists and Publicity Bureaus.

Gratification at the way in which the public is using the new rail "shuttle service" between Moose Jaw and Regina was expressed by H. R. Mathewson, general passenger agent, Canadian Pacific Railway, Winnipeg when interviewed recently at Regina. He had had ample opportunity to view the running of the new "seven-a-day" train service between the two cities and was very pleased with the results being obtained.

**ROUNDING OFF HIS RECORD**

"Is not this work almost too much for you, friend?" asked the new vicar. "You must be a great age."

"Yessir, yessir!" murmured the old bell-ringer. "Ow many years I've tolled this bell I can't tell ye, but it's beginning to tell on me. 'Owsomever, I've rung the bell for five dead vicars—"

"Dear me," ejaculated the minister. "And," continued the sexton, "I'll be happy when I've made up the 'alf dozen' I think I'll retire then."

**YOU CAN HELP IN THIS WAY**

The local newspaper is a show-window of the community to the outside world. People judge a town to a large extent by the quality of its community newspaper and by what they read in it.

Frequently a stranger living at a distance will subscribe for a local newspaper for the purpose of sizing up the town. Perhaps he is looking for a suitable community in which to make his home, perhaps he is looking for a location for a factory or for a place to start business which would help build up the town and surrounding district.

It is a good thing to co-operate heartily in maintaining the local news paper. One way which may not have occurred to you, is to put the editor in touch with attractive news material that may come to your notice—little things that may reflect credit upon the town and thus enable your community to put its best foot forward in meeting the outside world.

The fellow who used to sit and listen to an old Edison wax cylinder phonograph grind out the same scratchy tune hour after hour now says: "For Pete's sake, shut off that danged radio!"

The Presbyterian Women's Missionary Society held their Easter meeting at the manse Wednesday afternoon with Mrs. Geo. Kelly Jr. presiding. The Thornhill Society were guests on this particular occasion. There was a splendid gathering of members and friends of the two societies to hear Miss Darrick, a returned missionary from China, speak. After being introduced by Rev. Cunningham, Miss Darrick, in a very humorous and interesting manner, spoke of her experience in China as a missionary and also related her capture by bandits along with a companion. Miss Lucy Savage delighted the gathering with a solo. After the meeting a very dainty lunch was provided by the hostess, Mrs. Cunningham. Easter lilies and daffodils added a spring and Easter touch to the occasion. Mrs. Cooper of Thornhill and Mrs. Kelly poured tea assisted by Mrs. Stone and Miss Drew Kelly.

The bride, who wore a lovely dress of Alice blue with hat to match, was given in marriage by her brother. The bridesmaid, Miss Luella Irwin of Toronto, wore a powder blue dress with hat to match. The best man was Andrew Bentley, brother of the bride.

After the ceremony a buffet luncheon was served at the home of the bride's parents, Oak Avenue. Later the happy couple left on a short honeymoon and on their return will reside in Toronto.

**IN MEMORIAM**

**WELDRICK**—In loving memory of our dear son and brother, Alvin Leroy Weldrick, who passed away, April 7th, 1931, in his 20th year.

On an early April morning,  
Just three years ago to-day;  
Angels took our choicest treasure,  
Bore him lovingly away.  
Ah, his kindly deeds still linger,  
Never shall his memory fade;  
And our tears fall, oh, so softly,  
O'er the grave where Alvin is laid.  
Ever remembered by Dad, Brothers and Sisters.
