Next Sunday is Mother's Day and the school is having its special service in the church at 1 p.m. There will be a story, selections by the children and a talk on "Living Life Joyously" by Rev. W. Haig.

At 2:30 p.m. the W.M.S. will have charge of a special church service, when Rev. Mr. Owen of Unionville will preach and the music will be furnished by Miss Margaret McCague of Toronto and the W.M.S. choir.

At 7:30 p.m. a message will be given by Mrs. Forbes of the Dominion Board and Melville choir will supply the music. Don't fail to be on hand for these interesting services and help along the cause of the W.M.S.

Mr. Frank Nichols had the misfortune to fall and break his collar bone. We are sorry for this accident which will cause him much inconvenience.

The play "Closed Lips" by King Y. P.S. dramatic group will be presented in our Community Hall on Friday, May 11th, at 8 p.m., under the auspices of our J. F. dramatic group. Don't fail to see this play which comes well recommended.

BY ORDER,
MUNICIPAL COUNCIL

Council Hopes Boost Number Water Users

In an effort to encourage the installation of more water services the municipal council in regular session Monday night decided to reduce the installation charges. In future those who install water service will be charged \$1.00 per foot from main to the street line and the balance of the installation at actual cost of digging, pipe and fixtures. In the past the charge has been \$1.00 per foot from the main to the cellar with an added charge of \$5.00 for fixtures. It is hoped this reduction will attract many new users of town water, as the number of new installation in recent years has been disappointing. It was the opinion of council members that possibly the initial cost of installation was high and thus discouraged prospective new users.

It was decided to purchase a new automatic chlorinator for the waterworks system at a cost of \$700.00. The purchase of this new apparatus has been considered for several years and its addition to waterworks equipment should tend to increase the efficiency of the plant.

The Municipal Building will be treated to a coat of paint inside and out. The work will be done under the unemployment relief plan and the amount to be spent will not exceed \$100.00.

Mr. James McLean and Mr. T. H. Trench appeared asking for a grant to the Richmond Hill Fair and the usual grant was given. Mr. W. A. Wright and Mr. Trench made a similar appeal on behalf of the Horticultural Society and \$50.00 was granted this organization to carry on their work of beautification in the community.

The members of council made an inspection of the roads Wednesday evening and following some minor repairs the streets will be oiled which will be welcome news to the housekeepers of the town who have been complaining of the dust nuisance.

Jack Sanders interviewed the council and asked about the dog by-law. He said he did not like working in his garden only to have wandering dogs play havoc with flower and vegetable beds. He said he counted no less than thirty-five dogs cross his property one afternoon. Reeve Greene pointed out that after May 1st it was unlawful for dogs to be at large and said that a real effort would be made to round up stray dogs.

How about the lock-up? said Reeve Greene. This is a matter which has been the subject of discussion for a long time and I would like to see it cleaned up.

Regarding a suggestion that it be placed in the municipal hall councillor Mills said it would be unsafe and he would never vote for it.

Reeve Greene—Do you think the underwriters would object?

Mr. Mills—Whether they would or not it's not a safe place.

Mr. Middleton—Is it any more a fire trap than where it is at present when the door is locked.

Mr. Mills—Which would you rather be locked in?

Mr. Middleton—I don't want to be in either one.

Mr. Mills—The point is that in such a large building there is apt to be a fire start anywhere.

Councillor Middleton—I move we leave the lock-up where it is. I'm sick and tired hearing about it. I second that motion said Councillor Neal.

Councillors Little and Mills moved that the building be removed to another location in the park.

After some discussion both moves were withdrawn and it was agreed to get a new price on the moving as the extra distance might increase the cost above \$100.00 tender price given previously.

The report of the North Yonge Radial for the first quarter of 1934 showed an operating loss of \$2063.23 of which Richmond Hill's share is \$474.54. Last year the operating loss for the same period was approximately the same amount.

BOWLERS MEETING

A meeting of the Richmond Hill Lawn Bowling Club will be held Friday evening, May 11th, at 8 p.m., at Dinty Moore's. Important business.

"Does your husband confide his business troubles to you?"
"Yes, every time I buy anything."

UNEMPLOYED DEMAND MORE PAY OR RELIEF

A large delegation stormed the regular session of Markham Township Council, Monday, protesting the twenty cents per hour rate of pay for breaking stone and demanding that the rate be increased or relief given. Public relief was discontinued May 1st except in extreme cases and those unable to find work were given employment breaking stone for the township at twenty cents per hour. Despite the vigorous demands of the large delegation Reeve Padgett and members of council insisted that if men refused work at 20 cents per hour they should not expect the people of the township to feed them.

The hearing of deputations occupied the greater part of the council's time during the session.

Tax collector, Ross Nichols, turned in a roll showing about 80 per cent of 1933 taxes paid, and collector A. Summerfeldt reported about 90 per cent collected.

General accounts were passed totalling \$1200.00, road accounts \$1300 and relief approximately \$1000.00. The council adjourned to meet on May 21st as a Court of Revision.

W. C. T. U.

The annual meeting of the W.C.T. U. was held at the home of Mrs. H. B. Stirling, May 1st, at 3 o'clock. Reports from all departments were given and these were very encouraging.

OBITUARY

LATE JOHN J. COSGROVE

The funeral of the late John J. Cosgrove who died in Toronto Sunday May 6th, was held Tuesday and was largely attended by friends and relatives. Requiem mass was celebrated in St. Cecilia's Church, Annette St., by Rev. Father Tracey and interment followed at St. Michael's Cemetery.

The late Mr. Cosgrove, who was in his 87th year, was a well known local figure having made his home here for the past four years since his retirement from the postal service where he was employed for a number of years. He enjoyed remarkable health and vigor for his age and was very active until taken ill early in the year. In March he was removed to St. Michael's Hospital and he failed to recover, the end coming last Sunday.

Born of a pioneer family in Markham Township the late Mr. Cosgrove was a recognized authority on the early history of the district and could recall many interesting incidents in the early life of the community. He was a valued member of the York Pioneer's and Historical Society, an organization in which he took a deep interest. He was a keen student of public affairs and was active in the political work in the county in the early days. At one time he kept a hotel in Richmond Hill but later received an appointment to the civil service, a post which he held for many years, retiring on pension some years ago. His wife, a daughter and a son who lost his life in the Great War predeceased him, and two others, James of Vaughan Township and William of Toronto survive.
