

TIME FOR A CHANGE

Since 1904 the population of Ontario has increased 50%.

Since 1904 the Provincial expenditure has increased 971%.

The expenditure per person in 1904 was \$2.34; in 1913 \$3.93 in 1932 \$16.00.

In 1923 the gross Provincial debt was \$291,000,000; in 1934 \$610,000,000.

Under Ferguson's government debt increased \$50,000 a day; under Henry's government it increased \$80,000 per day.

This CANNOT GO ON—The Time has come to call a HALT—Ontario must have a change of Government or chaos and disaster will result.

A change of Government will mean the introduction of a PAY-AS-YOU-GO policy. It will mean the cutting down of useless and extravagant administration costs which benefit only the favored few. "This will mean reduced taxation and more money available for useful services to the people.

Vote for a new administration and restore responsible government in Ontario.

Ontario Needs a Change of Government—Because the Taxpayer Needs a Rest.

You see, the producers who make the money must be given some of it to spend or they can't buy the things they produce.

When a mysterious crime is "cleared up" that means it is blamed on some crook already convicted of another one.

VELLORE

Cameron-Re-Union

Two hundred and fifty members of the Cameron Clan met at Vellore for their fifth re-union on Saturday, June 2nd. Mr. Alex. McNaughton to Toronto was the oldest gentleman present while Mrs. Elizabeth Beamish of Toronto was the oldest lady. The little daughter of Mr. and Mrs. Pierce of Pickering was the youngest member present. The person that came the greatest distance was Mrs. J. Gilson of Vancouver. The evening was spent in dancing which brought to a close another milestone in the history of the Cameron Clan.

Mr. "Mac" Duff of Guelph spent the week-end with Miss Jane McNeil.

A large number of members of the Vellore Women's Institute joined with Maple and Edgeley Institutes for their annual summer meeting.
