Way Back in the Liberal Files

FIFTY YEARS AGO

From Our Issue of July 24th, 1884
Alliston has had an \$80,000 fire, burning a large foundry belonging to Messrs. Knight and Wilson, together with eight stores. A meeting has since been held by ratepayers, at which a resolution was passed, urging that a bonus of \$10,000 be granted for the purpose of rebuilding said foundry.

Toronto and Barrie are being connected by telephone. The poles have already been sunk from Toronto as far as the 2nd Concession, Vaughan, near Patterson, and the line will run through Aurora, Newmarket and some intervening Villages. Should we, in Richmond Hill, desire at any time to take part in the conversation, it will be quite easy to run a branch to the crossing near Patterson.

LACROSSE

Western Championship Victory for Richmond Hill

Seldom has a Village of one thousand inhabitants had the honor of gaining a greater victory from a town three or four times its size than that achieved yesterday by the Young Canadians lacrosse players from Richmond Hill. They defeated the "Excelsiors" of Brampton, on their own grounds, winning the first, third and fifth games, and thus gaining the Gold Medal and Western Championship. Those who witnessed the match pronounce it to have been one of the most hotly contested, and interesting games ever participated in. Many followed the club from Richmond Hill to see the match, and to cheer on and encourage the boys, in whom they had every confidence of winning the day, and in whom they were not disappointed.

We cannot here speak of individual play, but are correct in saying that every player did honor to himself and to the club to which he belongs.

Of the games won by the "Young Canadians" the ball was put through the flags in the 1st and 2nd by C. Savage, and in the 3rd by C. Searle.

No sooner had the welcome news reached home by telegram, than their many admirers went to work, prepared torches, got the Band in readiness, the ladies prepared a comfortable meal in the Temperance Hall, the Village was beautifully illuminated from one end to the other, and by the time of the arrival—between 12 and 1 o'clock—the whole place was excitement.

After driving through the Village, they repaired to the Hall where after the long drive, they enjoyed their late supper, amid many congratulations for their success, short speeches appropriate to the occasion, were delivered by the Reeve, Messrs. J. Elliott, P. Savage, M. Wilson and T. F. McMahon, after which the assemblage dispersed, giving three cheers for the Queen, the ladies, and the Young Canadians.

Mr. G. M. Beynon started for Melbourne, Australia, on Thursday last. He has accepted a position in the firm of Bradley Garrison & Company.

The remains of the late Mr. Jas. McNair were laid in their last resting place, in the Richmond Hill burying ground, on Tuesday afternoon at 4 p.m. Being well known and highly respected in this vicinity, a large number of friends attended the funeral. Mr. McNair always took an active part in agricultural pursuits, and was for some years overseer of the Model Farm at Guelph. Leaving there he went to Goderich, where he kept a seed store, but his health failing, he returned with his family to the old homestead on the 2nd Con. Vaughan, where for several months he was a great sufferer until his death on Sunday morning. The A. O. U. W., of which he was a member, attended the burial in a body and took part in the funeral obsequies.

KLEINBURG

The young folk of Kleinburg District trooped into the Village from all directions and gathered at Institute Hall filling it to capacity to pay tribute to four newly married couples Mr. and Mrs. Victor Orr, Mr. and Mrs. Kenneth Love, Mr. and Mrs. Garnett Topper and Mr. and Mrs. Bernard Nye. Each couple was presented with a handsome mantel clock. Those in charge of the affair were Albert Devins and Russell Hilliard who also made the presentations. Lunch was provided by the ladies and a dance followed with music by Henry Hilliard and Mrs. W. McKinnon.

Cows Pasturing on Roads Saves Weed Cutting and Earns Revenue for Wilmot Twp.

Wilmot Township in Waterloo County, has by by-law allowed cows to pasture on the township and county roads since 1915. All cattle are allowed on the road at the owners risk. Each animal is tagged, a fee charged and all cattle are expected to be removed from the road from sundown to sunrise.

A sliding scale of fees is charged, the larger the herd the higher the fee per animal. This is designed to give the many small owners with one or two cows an opportunity of roadside pasture.

The scale of rates is as follows:

1st and 2nd animal	\$2.00 each
3rd animal	2.50
4th animal	3.00
5th animal	3.50
6th animal	4.00
7th animal	4.50
8th animal and above	5.00 each

Tags are made of brass 2 inches by 2 1/2 inches bearing in raised letters the initial of the township and the year. These tags are manufactured by the Hahn Brass Works, New Hamburg and cost 4 1/2 cents each.

The Township has 120 miles of township road and about 50 miles of county road on which there are at present 400 cattle or approximately 2 1/2 cattle per mile.

The cost of weed cutting in Wilmot Township is approximately \$550.00 per year on which the government bonus amounts to \$220.00.

At the close of the meeting lunch was served by the girls.

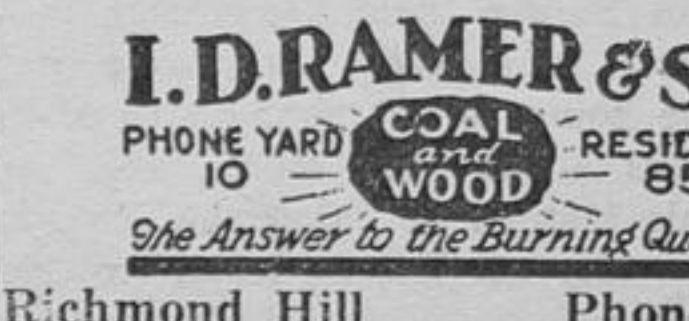

"The FIRESIDE PHILOSOPHER"

By ALFRED BIGGS

Anger kills justice.
A quick temper ruins judgment.
Indiscretion has ruined many a reputation.
Diplomacy often arises from lack of courage.
Don't bargain with those who have nothing to lose.
Mental idleness will destroy anyone's possibilities.
You need real courage to go forward when you're afraid.
Some people are born with good taste and some think a parody of the twenty-third Psalm is funny.
