NEWTONBROOK

About forty members of the Y.P.S. enjoyed a picnic to Innisfil Park, Alcona Beach, last Saturday afternoon. The sports committee had a good program prepared. Bathing and boating were also enjoyed. Supper was served at the Point and three large tables were filled. The president, Mr. W. T. New, who is camping in the park, had the tables all in place before the picnicers arrived. A sumptuous repast was partaken of and it was surprising how quickly the good things disappeared. The fresh breezes off Lake Simcoe seemed to sharpen the appetites of everyone. Alvin Brown brought a generous supply of ice cream and pop, also watermelon for the last course. This is the first trip the Y.P.S. has made to Alcona Beach and all enjoyed it very much. They are planning to go to Woodbridge Park for their outing in August.

The members of the Women's Association anticipated a wonderful time at their picnic last Thursday afternoon, but shortly after their arrival at Hanlan's Island a terrific wind and sand storm started which lasted for an hour and they had to take refuge in a boathouse. Here's hoping the weather will be more favorable for the next picnic.

The girls took their bathing suits along and enjoyed a dip in the Don River which flows through Mr. Lever's property. After that they visited the Old Mill which was built over 100 years ago. Twenty-six sat down to supper which was set out on the shady lawn and everyone did ample justice to all the good things. Various games were played on the lawn and everyone said they had a wonderful time. A hearty vote of thanks was extended to Mr. and Mrs. Lever and Miss Lever for their gracious hospitality.

WOODBIDGE DISTRICT NEWS

Late Rev. John A. Moir

A cloud of sadness spread over Woodbridge District on Wednesday of last week when it was learned that Rev. John A. Moir had suddenly passed away at the residence of his brother, Dr. Archie Moir of Peterboro. Mr. Moir, as Pastor of the United Church at Priceville, Grey County, was compelled through illness to discontinue his work. He was a son of the late Mr. and Mrs. John Moir and was born at Dunnville Haldimand County, sixty-four years ago. His parents were natives of Argyllshire, Scotland, and on coming to Canada settled at Dunnville early in the nineteenth century. Rev. John A. Moir entered the ministry as a member of the Presbyterian faith when a young man, and filled charges at Markham and Port Arthur before being called to the Woodbridge Presbyterian Church in 1917, and continued as its Pastor until Church Union when true to his strong convictions that in Union there would be strength, he joined that body and has occupied different charges in Grey County ever since. The funeral took place on Friday from the residence of his brother at Peterboro to Dunnville where interment was made. Surviving are, his brother, Dr. Moir, and five sisters, Mrs. John Turnbull, Mrs. George Porteous, Misses C. E. Moir, Annie Moir and Isobel Moir.

Mr. J. G. Whitmore, Manager of the Co-operative Farmers, Messrs. Boyle Kellam, Charles Witty and Dr. G. D. McLean motored to St. Thomas on Thursday of last week where with 50,000 others they celebrated the triumphant victory made by Premier Mitchell F. Hepburn and the Liberal party on Tuesday, June 19th.

Lion's Club Pageant Cancelled

What was to have been one of the biggest Camp Fires and Pageant ever staged in Toronto Gore, prepared by the Big Brother Movement, at the Lion's Club Camp, to have been held last Thursday night, July 19th, was cancelled on account of the heavy rainfall during the afternoon. It was suggested that a postponement to carry on on Friday night would be possible, and so it was announced, but an obstacle stood in the way. It was get-away day for the group of boys occupying the camp, and preparation day for the group coming in, so much to the disappointment of the boys who were prepared to stage the pageant, the affair was called off. However, it may be that before the camping season is ended another group of boys will be trained for a big campfire event, and the public will get to see it.

Mr. and Mrs. Oscar Nix, Grahamville, Mr. and Mrs. Bert Smithson and son Teddy, and Miss Marjorie Blake of Woodbridge motored to Lake Couchiching for the week-end.

Union Services at Presbyterian Church Well Attended

The Union Services at the Presbyterian Church in charge of Rev. J. E. Anderson each Sunday morning during the present month while Rev. John McKenzie is on his vacation, are proving most satisfactory and of unusual interest. On Sunday last the church was filled to capacity, and a special musical program was presented with Madam Louty of Weston and the Knox quartette composed of Gordon McGillivray, William Lawrie Jr., Will and Jack Nattress, as a feature, and Miss Jean Lawrie as organist.

Whether economic conditions are improving or not is difficult to determine. However, the fact is that farmers are buying more implements this year than they have done for some years past. This may be because they find their supply worn

out and dare not start the harvest of heavy crops with binders whose efficiency is doubtful. At all events Woodbridge implement dealers which include W. J. Mitchell, Jack Gillan and Thomas Cole have made between them about thirty binder sales so far this season.

Nova Scotia Guides Provide Real Thrills

Time: During the full moon of August.
Place: Lake William, Lunenburg County, Nova Scotia, Canada.
Scene: A beautiful woodland lake with sloping banks clothed with evergreens and silver birches.
Performers: The licensed guides of Nova Scotia, true sportsmen, celebrated for their skill in the various arts of hunting and woodcraft.

Lake William, Nova Scotia, has become well known in recent years as the scene of the Sports Tournament of the Nova Scotia Guides. These men stage a full week's program unique on this continent in atmosphere and appeal. Hundreds of tents are set amid majestic pines and birches, and at night the scene has irresistible charm. Numberless campfires light up the surrounding forest and lake and the moonbeams strike the water and stray through the trees. Crowds gather around the campfires and hearty community singing is a pleasing feature.

The days are given over to a varied and interesting program. 200 yard ranges are provided for heavy rifle contests and separate ranges for the 22 rifle and revolver contests. The Trap Shooting Association of the Maritime Provinces of Canada hold their annual shoot in connection with these sports. A sheltered cove affords a fine setting for fly-casting from a float along a line of markers to show distance. Last year Bill Edson, champion fly-caster of New England, broke the world's record for distance at this Meet. Exciting canoe races and

burlesque and spectacular contests furnish fun and variety. Tub races, greased pole contests, canoe tilting, kettle boiling and landing the human fish are amongst the regular stunts. The latter is a strenuous contest between the best fly-caster and a powerful swimmer with a special harness over his shoulders. The Nova Scotia Government exhibits at this Meet native wild animals including moose, deer, bear, raccoon and others, also native birds.

Many who attend the Nova Scotia Guides Tournament bring tent and blankets and rough it among the big trees. Others find abundant hotel accommodation in nearby hotels, country inns or farmhouses. Of course the best of fare is served on the grounds. The dates for the 1934 Meet are August 20-25.
