THE EXCEPTION

Willie was doing penance in the corner. Presently he thought aloud pensively.

"I can't hold it if I'm not perfect," he sighed. "I never heard of but one perfect boy, anyway."

"Who was that?" asked his mother thinking to point a moral.

"Papa," came the silencing reply, "when he was little."

The chief cause of crime however, is a natural aversion to the dull business of working for a living.

Way Back in the Liberal Files

FIFTY YEARS AGO

From Our Issue of Aug. 28th, 1884
Our High and Public Schools re-open on Monday, Sept. 1st. We hope to see a grand rally on the opening day.

Parties connected with the Ontario Telephone Company were in the Village during the week endeavoring to establish a branch here, in opposition to the Bell Telephone Co. They ran a communication between the Palmer House and Rupert's Express Office, outside of which we did not hear of any permanent business being done. The Bell telephone is used in all the principal city offices, therefore much difficulty will be experienced in introducing those from another Company.

Lacrosse Match

"Young Canadians" Still The Victors

The "Dufferins" of Orangeville, crossed sticks with the "Young Canadians" on the fair grounds on Saturday last, and made a bold endeavor to wrest their trophies from them, but to no effect, although they succeeded in winning the 3rd game. It was not to be expected that such a deep interest would be taken in the game as was shown in the match with Brampton the week previous, however, when the players formed in line, quite a large number of spectators were on the grounds anxious to see the whole match. The Dufferins were donned in gray hats, shirts striped with yellow and black, black pants, and stockings of various colors, while the home team wore their blue felt hats, ornamented with gold and gold colored band around the outside of each white shirt, red belts, blue pants and red stockings. The names of the players are:

Young Canadians—Goal, J. McConaghy; point, W. Wiley; cover-point, A. Mager; defence field, T. Young, J. Piper, C. Skeele; centre, F. Powell; home field, G. Derry, B. Brown, A. Pugsley; cover-point, S. Searle; point, C. Savage; field captain, M. Wilson.

Dufferins—Goal, P. Foster; point, J. S. McGuire; cover-point, B. McGuire; defence field, J. Arken, S. McIlroy, A. Jones; centre, J. Stevenson; home field, H. Gillespie, B. Ketchum; cover-point, H. Grenrs; point, T. Bennetts; field captain, F. Burkholler.

Messrs. Hughes and Bailey of Toronto acted as umpires. Mr. Bailey also of Toronto acted as referee.

Play commenced at 10 minutes to 3, and it could be seen at once that the home team would be likely to have an easy time. The ball was tossed about for 17 minutes, when Powell made a nice drop on the Dufferins' flays, and Searle slipped it through.

After five minutes the 2nd game was commenced and went as before, the time being one minute longer than in the first game.

In the 3rd game the Hill boys seemed, as it were, to rest on their oars, and did considerable fancy playing, but this did not last long, as Grmnis, who was playing cover-point home, captured the ball and ran through the Young Canadian's goal, the keeper not being there to "hold the fort." The yellow jackets now received a loud cheer on their winning the game.

The 4th game was well contested on both sides, the Dufferins holding their opponents in check for about 27 minutes, but made several random shots, owing, no doubt, to the strangeness of the field. At last shot after shot was fired, until Searle, who was behind the flags, sent it through from behind, and was returned by Savage, thus gaining the 4th game and bringing the match to a close.

The best of feeling prevailed throughout the match, and the teams parted feeling perfectly satisfied with their new acquaintances.

The Directors of Richmond Hill Mechanics' Institute met in the Masonic Hall on Monday evening, Aug. 25th, for the transaction of business. The President, Mr. J. A. E. Switzer, in the chair. Members present, Messrs. Moodie, Crosby, McConaghy, Law, Sanderson, Nichols and McMahon. Minutes of last meeting, held May 13th, were read and approved. The Secretary read a communication from the Education Department respecting new role and record books. Moved by Mr. Crosby, seconded by Mr. McConaghy, that the Secretary be instructed to procure these books for the use of the librarian. The librarian presented his bill of \$15.21 from May 1st, 1883 to May 1st, 1884. The Secretary handed

in a bill of \$1.45 for printing postal cards and stationery. These bills were ordered to be paid. The meeting adjourned to meet at the call of the President.

KING CITY

The Mission Band held a picnic at the home of J. W. Dew on Wednesday of last week. Baseball, games and races were enjoyed by all present. Lunch was served to about fifty. Y.P.S. was held on Wednesday evening around a bonfire in Dew's Flats. The worship service was in charge of the Literary Conventor, Aubrey Archibald, after which the Young People enjoyed games and a corn roast.

The ladies of the United Church congregation are having a corn supper followed by a concert on Sept. 10th in the church.

Decoration Day was held on Sunday Aug. 26th, at King City Cemetery.

Mr. John Dew, Jr., spent the week-end with friends at Pleasant Point.

Gordon Patton has returned home after spending six weeks at Camp Borden.

Miss Elma Egan, after spending two weeks vacation at "Wildwood Inn," Port Stanton, is home again.

Misses Elizabeth McClure and Roberta Gillies have left on a trip to Montreal.

Mr. and Mrs. B. J. Langdon and son are spending a week at Haliburton.

Mr. and Mrs. Phillipson have returned from a two weeks vacation.

Inferior races, or individuals, are the ones that are overbearing and hateful when they get their betters down.
