

WEEKLY NEWS NOTES FROM THE UNIONVILLE DISTRICT

Look to this day, For it is life, the very life of Life: In its brief course lie all the varieties of existence; The Bliss of Growth, The Glory of Action, The Splendor of Beauty— For yesterday is but a Dream And to-morrow is only a Vision: But to-day, Well lived makes every yesterday a Dream of Happiness, And every tomorrow a Vision of Hope.

Look well therefore, to this day. Such is the Salutation of the Dawn. —The Samscrip. Sunday, Sept. 2nd, will mark the closing of the history of Buttonville Methodist Church when a special service will be held in the evening at 7:30 o'clock. On Monday the building will be in the hands of the wreckers and taken down. The church has been closed since 1925, when following the consumation of Union the congregation amalgamated with Brown's Corners Presbyterian and now worship there.

The present building is the third to have been erected by the Wesleyan Methodists in this district and dates back to 1890, the original church was built in all probability some 120 years ago as a tombstone in the church yard marking the burial place of Francis Sherridon and dated 1817 would indicate.

The circuit at the time of the dedication of this church included Zion Methodist of Dollar, Thornhill Methodist and Buttonville, with Rev. John Locke, the minister in charge. At the time of Union, Thornhill and Buttonville were under the supervision of Rev. I. A. Fralick. While few, if any, of the older members remain it is interesting to note that in the course of time six generations, descendants of Major John Button have worshipped here. Mr. W. McRill, the faithful sexton for 30 years, will officiate on Sunday, and former members and their friends will occupy the seats at the final service.

Rev. Oke of Toronto, a former pastor, will conduct the service on Sunday evening with Victoria Square choir leading the song service. A cordial invitation is extended to all to be present at this memorial service. The offering will be in aid of the cemetery fund.

The church, quite modern in structure, stands in good condition, the seats, Chancel rail, altar, and pulpit furniture have been purchased for the new Dumbarton Anglican Church and will continue to serve there. The building proper has been purchased by Mr. Harvey Coulson and will be a part of a building to be erected soon on his premises at Unionville.

And thus with the razing of Buttonville Methodist Church another connecting link between the past and present life of this community has been severed. A new generation shall turn the next milestone and may they be imbued with the same inspirational fervor, desiring always, as did the founders of this church, in spite of difficulties to promote only the best things in life and be a blessing to the community they represent. "Let scoffers ask, "Where is your gain?"

And mocking say "Your work is vain" But scoffers die and are forgot, Work done for God, it dieth not. Press on, press on, nor doubt nor fear, From age to age this voice shall cheer, Whate'er shall die and be forgot, Work done for God, it dieth not."

Holidays do not seem to mean a thing to the members of the Junior Farmers and Girls Club, that is, when the regular meeting falls on that holiday. So, on Monday evening next you'll find them all in their places at the Township Hall and not even the C.N.E. will lure them away. The program as usual is an attractive one, with Miss Kathleen Wurm of Markham as special speaker at the Girls Club and Mr. Wm. Clark instructing the boys in the art of adjusting a walking plow. A lesson on wrestling and tumbling is also promised by another visitor from Toronto. Other interesting event are also scheduled. In all, a most attractive program.

Announcement is made of the opening meeting of the Mission Band of Central United Church on Sunday afternoon next commencing at 2:30 o'clock, when study on Missionary work in India will be a part of the program.

The challenge from eight members of the Men's Lawn Bowling Club to the members of the Township Council to meet them on the green last Friday night in a friendly game was unanimously accepted and a good time is reported in spite of the fact that the visitors lost out by 6 points on the final score. The satisfying lunch served after the game as only the ladies of the club know how was not the least enjoyable part of the event either. A similar match is anticipated in the near future. Representing the Council were Reeve G. B. Padgett, C. Hoover, W. Clark, C. Hooper, Mr. Rennie, G. A. M. Davidson, A. Summerfeldt, R. Stiver. The opponents, P. Dixon, H. Perkins, F. Pollard, W. Noble, W. Summerfeldt, R. Allen, S. M. Hutchison, Mr. Martin.

It is anticipated that a mixed tournament sponsored by the Unionville Bowling Club will be played in Agincourt on Sept. 12th. Further announcement will be made when plans are completed.

Forty-two members of the Y.P.S. of Central United Church were in attendance last Monday evening when the annual Corn Roast was held on Sabiston's Flats. Nor did threatening showers hold any terror for these young folk for a "Better than ever" time is reported. The bicycle was completely wrecked. Dr. MacKay administered first aid.

VERSE FOR THE KIDDIES

—The Faithless Flowers— I went this morning down to where the Johnny-Jump-Ups grow, Like naughty purple faces nodding in a row, I stayed 'most all the morning— I sat down on a stump And watched and watched and watched them And they never gave a jump.

And Golden Glow that stands up tall and yellow by the fence, It doesn't glow a single bit— It's only just pretence— And then the Bouncing Bet don't bounce— I tried them yesterday, I picked a great big bunch down in the meadows where they stay.

I like the flowers very much— They're pleasant as can be For bunches on the table, and to pick and wear and see, But still it doesn't seem quite fair— It does seem very queer— They don't do what they're named for— Not at any time of year. —Margaret Widdemer.

With an ear to the demands of both owners at Lake Wilcox and Lake Musselman, Whitechurch council on Saturday passed a by-law to prohibit hawkers and peddlers from outside the municipality going from door to door selling their wares without a license. The fee for a motor vehicle, horse cart or push cart peddler was set at \$25 per year, and for a man carrying a pack or basket \$15.

Convictions under the by-law run from one to fifty dollars for licensed persons failing to produce their license to the constable if so demanded.

The by-law will become effective as soon as license forms are prepared and printed, which will probably be about the first of August.
