W. I. Annual Picnic
 One of the most enjoyable gatherings ever staged by the Women's Institute was held on Tuesday of last week when they met together with their friends in Elm Park and held their annual picnic. The attendance was encouraging and a good program of sports was carried out, also a good supper served all of which was under the direction of Mrs. W. O. Duncan, Mrs. S. W. Mayhew, Mrs. Jack Gillan and Mrs. George Elliott. The following are the prize winners: Shoe race, Mrs. S. A. Saylor, Mrs. H. N. Smith; bottling clothes pins, Miss Lillian McNeil, Mrs. S. W. Mayhew; apple throwing race, Mrs. Andy Shaw; Miss Mary J. Burton; men's race, W. O. Duncan, S. W. Mayhew; married ladies, Mrs. Fred. Hicks, Mrs. Arthur Farr; single ladies, Miss Irene Wallace, Miss Lily McNeil; children's race, Sunny Smithers and Isabel Brownlee; Lucky spot race, Mrs. Charles Mainprize; bean guessing contest, Mrs. John Gillan, Major A. A. McKenzie; walking race, Mrs. Jas. Robertson, Mrs. Arthur Farr. Archibald Patterson, Nashville, Seriously Injured

Mr. Archibald Patterson, aged resident of Nashville, had the misfortune to fall early on Wednesday morning of last week while in the implement building on his premises. Mr. Patterson's head was severely cut by the moulboard of a plow in the fall. He was attended by Dr. W. E. Berry of Woodbridge when the wound was stitched. His friends will be pleased to hear he is making rapid recovery and it is hoped he will soon be able to make his usual calls in the Village, as he at the age of 89, is the oldest man in the district and has spent all his life on the spot where he still resides.

In the Box Lacrosse Tournament eight clubs are competing, Orangeville won from Alliston by a score of 10 to 2, while Woodbridge defeated North Toronto by 9 to 8 on Tuesday night of last week.

Mrs. Watson Farr has returned home from St. Michael's Hospital, Toronto, and is much improved in health.

Mr. Percival Campbell and family of Fergus made hurried calls on friends at Nashville and Woodbridge last week.

The attendance to date at the C.

N.E. this year is very much in advance of the corresponding days of last year and is just more proof that more people have the necessary means to take advantage of such an important event, and that economic conditions must be somewhat better.

Burlington School Old Boys and Girls Reunite
 About 400 Old Boys and Girls which included the present generation of school age and some more than sixty years ago responded to the call sent forth announcing the Burlington School Old Boys and Girls annual picnic and trooped in from many parts of Ontario as well as distant points of the Dominion, on Saturday afternoon last, and assembled in Scott's Grove, Nashville, where they gathered in groups and recalled incidents which happened in their school days. Many of the stories related were embellished with a touch of humour while others were recalled with a feeling of sadness as names of absent ones were mentioned who for many reasons were missing. Away back in the early life of Burlington School teachers were mostly men, and were always referred to as "Masters," and on Saturday one of the old masters of the school in the person of Mr. Joseph Bateman of Lloydtown, honoured the reunion with his presence and met some of the Old Boys and Girls he had not seen for several decades. He also enjoyed a visit to the old school he had been master of 55 years ago. Another visitor was Mrs. Thomas Abernathy of Duluth, Minnesota, aged 84, who motored with her grandson and had the honour of being the youngest person present, while the youngest was Gloria Hawman, six weeks old, and for long distance attendance Edward Shuttleworth of Dauphin, Manitoba, carried away the honours. The winners of sport events under the direction of Mr. Archie Cameron of Toronto included: Girls race under 5, Reta Taylor, Verna Shaw; girls 8 and under, Elva Maw, Phyllis Black; boys 8 and under, Harold Cameron, Garnet McCabe; girls 10 and under, Mary Card, Eunice Regate; boys 10 and under, Don Devins, Billy Card; girls 12 and under, Madeline Devins; boys 12 and under, Don Campbell; girls 15 and under, Audrey Campbell; boys 15 and under, Don Campbell; girls open, Audrey Campbell; boys open, Bert Robson; married ladies race, Mrs. Albert Parr; married men's race, Eldridge Kellam; ladies novelty race, Betty Porritt; men's novelty race, Len Patterson; horse shoe pitching, 1st W. CAPITOL THEATRE

BERNIE PATTER WINS FORTUNE FOR BANDMAN

One word, "Yowsah," now copyrighted and valued at \$52,000 a year, brought fame and fortune to Ben Bernie who, during production of Paramount's melody-comedy-romance, "Shoot the Works," in which he is featured, revealed how he acquired the distinctive catchword. The picture, also featuring Jack Oakie, Dorothy Dell and Arline Judge, comes Friday and Saturday to the Capitol Theatre, North Yonge St.

Several years ago, while Bernie's now famous band was playing at the College Inn, Chicago, Bernie was called upon to introduce on the microphone a Kentucky colonel, famous owner of a racing stable.

As the colonel spoke, he continually used the expression "yowsah" for "yes sir," and Bernie observed the diners' amusement. Bernie thereupon developed an entirely different type of conversation using a soft Southern drawl and building up a number of unique expressions, beginning with the "yowsah."

His "new personality" instantly won him greater recognition and one of the most lucrative radio contracts in the United States.

Bernie copyrighted his "yowsah" for radio use and, on the basis of an additional salary of 1,000 for each weekly broadcast, has arrived at a valuation of \$52,000 a year for the one word that doubled his fame and income.

In "Shoot the Works," Bernie plays six new song hits by the melody-additional teams of Rainger and Robin and Gordon and Revel and one on which he himself collaborated, "A Bowl of Chop-Suey and You-ey."
