VERSE FOR THE KIDDIES — Night Magic —

The apples falling from the tree Make such a heavy bump at night I always am surprised to see They are so little, when it's light; And all the dark just sings and sings So loud I cannot see at all How frogs and crickets and such things That make the noise, can be so small.

Then my own room looks larger, too— Corners so dark and far away— I wonder if things really do Grow up at night and shrink by day?

For I dream sometimes, just as clear, I'm bigger than the biggest men— Then mother says, "Wake up, my dear!"

And I'm a little boy again. —Amelia Josephine Burr. (Things never do seem quite the same at night, do they?)
