If people develop strength by standing alone, maybe, it would be a good idea to let them depend on their own consciences.

The Bill Mulock campaign will be featured in the coming week with addresses by outstanding leaders and among those to take part will be federal leader Rt. Hon. W. L. NORTH YONGE CHURCHES SOFTBALL LEAGUE

All games in this league scheduled last week were either called on account of darkness, or postponed on account of rain.

On Monday of this week the St. John's and Newtonbrook Junior teams played their second game for the cup, resulting in a win for St. John's. These teams have now won one game each and a third game is therefore necessary. It is scheduled for Wednesday of this week, but if weather does not permit it will most likely be played on Monday, Sept. 17th.

In the Senior Section Thornhill and Newtonbrook played their first game for the cup on Tuesday of this week, the game resulting in a victory for Thornhill, who defeated Newtonbrook by a score of 8-2, in a very fast game; seven innings being played within an hour. The second game is scheduled for Thursday of this week. If Thornhill wins no further game will be necessary, but if Newtonbrook wins the third and final game will in all probability be played on Tuesday, Sept. 18th.

The games are scheduled for 6.45 p.m., and are played at the Lansing arena diamond.

The League have been successful in securing two nice cups, which are to be held by the winners for a period of one year. The cups are now on view in the windows of Elliott's Drug Store, Willowdale.
