AGINCOURT

The Sunday School Auditorium of Knox Presbyterian Church was filled to capacity on Saturday afternoon last when the Mission Band Rally of Section 5 Toronto Presbyterian W.M.S. held the annual meeting. Representatives from all the Bands in the Section were present and had a part on the program that included, songs, recitations, dialogues, etc. Mrs. Hill, Mission Band Secretary of Toronto Presbyterian, brought greetings from the Executive Board and told of the work planned for this year. Especially interesting was the address by Rev. Jas. Dickson of Formosa, now home on furlough illustrated by slides that told of his work there and portrayed the beauties of that far away land and also the customs of the people. Costumes of the various tribes and curios were also on exhibition. A contribution to the Supply Department of the W.M.S. donated by the Jessie MacBeen Mission Band of Agincourt and including a variety of articles, clothing, dolls, toys, Christmas surprise packages, etc., was on view and showed what may be accomplished by the little folk. Supper was served after the meeting by the Agincourt W.M.S. Auxiliary. Mrs. W. Davidson and Miss M. Sommerville are the Vice-Presidents in charge of this section.

York County Pioneers September Meeting

The York County Pioneers September meeting, held in Forrester's Hall, 22 College Street, Toronto, was of more than usual interest. It was announced by Secretary N. F. Caswell that since the May meeting nineteen members had passed on to the Great Beyond. It was strongly urged that the present active members help to swell the membership of the society in order to keep it alive and active. A most interesting program was presented with Mr. James Kinniburgh as the feature who in addition to his talk showed pictures of monuments and memories of Toronto from the days when it was called Muddy York to the present. Mr. Kinniburgh, who is a young scotchman surprised the members with his knowledge of the early life of Toronto and told them of many tablets, monuments, etc., distributed about the city, some of them occupying remote positions that to most people have never been seen. Rev. C. W. Watch proposed and N. F. Caswell seconded a hearty vote of thanks to Mr. Kinniburgh for the able manner in which he had treated the subject. So impressed was the audience that Neil Burton proposed a double vote of thanks. The musical portion of the program was provided by Mrs. W. O. Duncan, Woodbridge, and Miss Jenny Devins, Emery. Pro-

fessor D. R. Keys, M.A., presided. Miss Anna Cameron is assistant to Mr. A. Thompson, postmaster, following the resignation of Miss Margaret Fenwick.

Vellore School Fair Big Success

Those who failed to visit Vaughan Township School Fair held at Vellore on Thursday, September 20th, missed a treat. However, more than 2000 were there and the capacity of the school grounds were taxed to the limit. There was much to interest the spectators. The fruit, vegetable, baking and flower section being especially attractive, yet the mechanical and art departments had many admirers while the drills, singing and oratory were most interesting. The schools of Woodbridge district made a good showing and numerous winnings. The schools include No. 12 Pine Grove, Miss Laura Neal teacher; No. 13 Lower 9th, Miss Esther Pessy, teacher; No. 15 Knox, Miss Velma Darker, teacher.

Well, well, well, so North York that made history a century ago and for so many years lost to the Liberals was brought back to the fold by Bill Mulock with a majority that was a surprise to everybody.

READ YOUR HEALTH IN THE PALM OF YOUR HAND

Stretch the hand out flat and look at the colouring which lies just beneath the outer skin. If you are in good health the flesh will be a mottled rosy pink. Should the pink tones appear pale, the probability is that your blood lacks haemoglobin (red colouring) and red corpuscles. Here is the reason why many people are not exactly well; some are really ill.

The blood carries life force and nutriment to every part of the body. If the blood is low in haemoglobin and red corpuscles, the person is more or less anaemic or "run-down" . . . easily tired . . . lacking in vitality . . . perhaps close to serious sickness.

Fortunately the vitality of the blood can be increased in the majority of cases, as was proved in a special clinic of 40 persons whose haemoglobin and red corpuscles were low. Under a physician's direction these patients took a 30-day treatment of Dr. Williams' Pink Pills. Blood tests taken before and after treatment demonstrated conclusively in the physician's microscope how this excellent remedy had built up the vitality of the blood and restored health and vigour.

If your palm or your feelings tell you your blood is not up to normal, try a 30-day treatment with Dr. Williams' Pink Pills. You, too, will probably experience the same pick-up in general health and the same gain in strength and vitality that the physician observed in the persons forming the clinic. Health is precious. Let Dr. Williams' Pink Pills help you keep it. This tested remedy has amply proved its restorative qualities. Full size box for 50c.

Advertisement for THE Findlay OVAL stove. Includes an illustration of the stove and text describing its features: 'This is the stove that heats while it cooks—and cooks while it heats. The oval firepot (wood or coal) gives that extra heating capacity which added greatly to the popularity and reputation of the Oval during the severe cold of last Winter. If that part of the house heated by the kitchen range, is cold, install a Findlay Oval. Its success has been proved in thousands of Canadian homes. The Oval is a better cooker and baker, saves space and radiates heat throughout the home. There is a Findlay Range to suit every purse and purpose. Findlay quality has been improving for 70 years, until to-day it is the accepted standard of stove building.'
