May Have Vote On Local Option

A request that the citizens of Richmond Hill be given an opportunity of expressing their wishes regarding the issuing of a beverage authority in Richmond Hill under the Liquor Control Act was made to the municipal council Monday night. It was made by Mr. Page the proprietor of the local Hotel. Mr. Page pointed out that it was several years since the people expressed themselves on the subject and he thought it was only fair the feeling of the people should be ascertained by a vote to be taken in January.

Members of council did not discuss the matter as it was felt that it was an important item of business and should be dealt with when all members are present. Reeve Greene pointed out that a special session will be held during this month when it will be determined whether or not the council will take a vote on the question. Councillor Harold Mills who is at present on a business trip to Winnipeg was not present at Monday's meeting.

Cannon Cody Will Speak At Service

Rev. H. J. Cody, president of the University of Toronto and known as one of Canada's foremost orators will deliver the address at the Remembrance Day service in Richmond Hill on Sunday, Nov. 11th. Reeve Greene and members of the council assisted by members of the clergy have been busy during recent weeks planning and arranging for this annual service. It is expected that the school children will have a part in the service and the Veterans of the district will parade.

Plowing Match Is Next Week

The annual Provincial Plowing Match will be held at Maryvale Farms, Dawes Road, next Tuesday, Wednesday, Thursday and Friday. During the four days it is expected over five hundred plowmen will compete for handsome prizes and the general public are cordially invited to attend. In addition to the plowing classes there will be an extensive farm machinery demonstration with exhibits by the leading manufacturers of the Dominion.

It is interesting to note that the first provincial plowing match was held in York County in the year 1834, so that this year the Association joins with the City of Toronto in celebrating the centennial.

Tuesday, the first day of the match is known as York County day, when competition will be limited to York County plowmen.

Municipal Council Regular Meeting

The regular meeting of the council of Richmond Hill Village was held Monday evening, Reeve Greene presiding and all members present except councillor Mills who is on a Western business trip.

Mr. P. E. Angle and Mr. R. D. Little appeared as a delegation from the Horticultural Society asking that action be taken to enforce regulations regarding Black Knot. It was pointed out that this was now a serious menace and that a great many orchards were infested. Council members promised co-operation and the Weed Inspector will make a special inspection of all yards this week in an effort to stamp out this nuisance.

Clerk Hume reported a number of poll tax payments in arrears and it was decided to give those in arrears until Saturday of this week to pay up and then the accounts will be placed in court for collection.

Messrs. J. W. Palmer and W. C. Savage appeared before the council asking for permission to erect gasoline pumps in front of their Yonge Street property just north of Arnold Street. Council decided that as the town by-law forbids the installation of any more curb pumps that the request be not granted.

Markham Township Declares War On Chicken Thieves

OFFERS \$50.00 REWARD FOR
INFORMATION LEADING TO
CONVICTION

In an effort to end the epidemic of chicken stealing Markham Township council decided on Monday last to offer a reward of fifty dollars for information leading to the arrest of chicken thieves. A large number of fowl have been lost this fall and the thieves who carry out their work with remarkable daring have proven very elusive to the police. It is hoped that the reward now offered will put citizens generally throughout the district on the alert and that from now on the way of the chicken thief may be hard and difficult.

A deputation from Helen Avenue complained of conditions there and asked some action be taken. Members of council will look into the matter.

Road accounts were passed totalling about \$1500 and general accounts were passed as follows: G. A. M. Davison, stamps, etc., \$9.35; W. W. Gardhouse, County Hospital acc., \$68.37; J. Rattle, Relief Officer, salary and mileage, \$36.44; Ross Nichols, Tax Collector, stamps and telephone, \$2.40; Thos. Flett, equalizing school section, \$4.75; B. W.
