

WEEKLY NEWS NOTES FROM THE UNIONVILLE DISTRICT

— IF —
 "If Radio's slim fingers can pluck a melody from thin blue air,
 And toss it o'er a continent or sea;
 If the soft pedaled notes of a violin
 Are blown o'er a mountain or a city's din;
 If songs like fragrant roses are culled
 From thin blue air,
 Then how can mortals wonder
 If God hears Prayer?"

Sometime in seeking the far afield pleasant places we miss the nearby beauty spots. A visit to Hagerman School flower garden emphasized this fact and revealed how much may be accomplished in public grounds beautification by co-operation with our boys and girls and Ontario's reputation as "The Garden of Canada" would be forever assured.

The design of plot and the choice of plants are to be commended along with the well cared for appearance, although up to date weeding tools were not always available, however, a boy's jackknife can work wonders and it did not fail to do a good job on one plot. The varieties of plants included a large list of favorite annuals and many perennials, also some evergreen trees that made a promising growth this year. Many prize winning blooms were noted on several of the plots. In the plan of the garden, there is a border of plots along the North and East side of the playground, with two pupils responsible for each plot, whose duty consisted in the planting and caring of the plot during the season. A short time ago inspection was invited and the plots judged by two of our interested Horticulturists, Mrs. N. Ogden and Mrs. F. Conley, who expressed commendation both to the teachers, Mr. L. Perkin and Miss M. Hamill and the pupils for the work accomplished. The prize winners of the plots were: 1st prize, John Miller and Melville Milne; 2nd prize, Billie Milne and George Couperthwaite; 3rd prize, Marjorie Stonehouse and Ruby Miller tied with Stella Stackoff and Sophie Demiak.

"The most attractive feature at Markham Fair" is current opinion expressed regarding the splendid Grain Show and exhibits of the Junior Farmers and Girls Clubs shown at this event last week. The Grain Show is rated as being excelled by none other in Ontario up to date and the Girls exhibit showed the same high efficiency. At the opening of the show, Col. F. H. Deacon, Pres. of the C.N.E. officiated. Col. Deacon has always proved a staunch friend of these organizations and the interest is indeed appreciated by the members. A prize that will be given during the coming year has been offered by Col. Deacon for the best kept farm owned by the members and competition bids fair to be keen for this trophy.

Plans for the Community Hallowe'en Party that will be held in the Township Hall was important business at the regular meeting of the local branch of the Women's Institute that convened at the home of Mrs. W. Young, Hagerman, on Thursday last and was well attended by the members and several visitors. The Hallowe'en Party is the first of the kind to be staged in this vicinity and co-operation of all is urged to make the event a success. "Uses for waste paper, rags and old stockings" brought many timely suggestions during the Roll Call and the Soap-Making demonstration by Mrs. Smalley and Mrs. Young was a revelation to the ladies of what may be accomplished along this line and after which each lady was presented with sample of the soap made. "Soap Making" by

Nina Moore Jamison and given by Mrs. W. Young and two humorous readings by Mrs. Compton were also included on this interesting program. The music rendered by the visitors was a special delight to all and included instrumental music by Miss Morgan and songs by Mrs. Morgan and Mrs. J. Baird. The usual delightful social hour and refreshments were enjoyed at the close of the session. Mrs. E. E. Braithwaite presided. Hostesses for the afternoon were Mrs. Young, Mrs. W. J. Spears, Mrs. J. Young, Miss I. Nash, Mrs. R. L. Stiver.

Attractive services are planned for Brown's Corners United Church on Sunday next, Oct. 14th, when Prof. Causland of Emanuel College will address the congregation at the afternoon service and at 7.30 p.m. the Kinsman Quartette of Toronto along with Mr. Oliver Raymer as special speaker will have charge. A cordial invitation is extended to attend these services.

Dissatisfaction with the present telephone system used in connection with the Unionville Exchange of the Home Telephone system necessitated the calling of a meeting of the subscribers to meet the Executive of the Home Telephone Co. The meeting was held last Friday evening and was well attended and was opened by A. K. Harrington and with the appointment of Mr. Francis Dagger, Supervisor of the Ontario Municipal Telephone Board as chairman, complaints of the subscribers were heard. Most of the difficulties have arisen since the installation of the Automatic Telephone Central, and Mr. Hoover, the Manager, expressed regret that this trouble had occurred. Mr. Perkin, Chief Engineer of the Automatic Electric Telephone Co. of Chicago, assured the subscribers that 90% of the trouble had been located and that very shortly the system would be satisfactory. Mr. C. Cavell, British Representative of the firm, and H. L. Varcoe, Toronto Representative, were also present. While this is the first system of the kind to be established in Ontario, there are 100 in operation in U.S.A. and others in the British Isles, China, India, Australia, giving satisfaction. An expression of the meeting resulted in a three weeks further trial of the system. W. J. Perkin, F. J. Pollard and A. K. Harrington were appointed as a committee to look after the interests of the subscribers until these difficulties are settled.

Fourteen years ago the Unionville Exchange was transferred from the Bell Telephone Co. to the Home Telephone Co. and eight months ago the present system was installed. The sixth annual convention of the Hamilton District Sunday School Association held in the 1st Lutheran Church, 116 Bond St., Toronto, on Monday last was largely attended by representatives from all Churches in the District at all the three sessions. At the morning session greeting was extended by E. Nurnberger and the various reports were heard. The afternoon program included the presentation of the Christian Service Course with Miss Mary Pinke representing the Primary Work, Miss Muriel Stiver the Junior Dept., Mr. H. Crier the Intermediate Dept., and Rev. Stanley Gartung the Senior Dept. "The Lutheran Leadership" and "The Post-Confirmation Problem of the Sunday School" were discussed by Rev. E. Huenergard and Rev. N. A. Keffler at this session also.

The Rally address by Rev. J. H. Reble at the evening session issued a stirring challenge to all Sunday School workers and emphasized the responsibility in the formation of Christian character by the teachers in the Sunday School. A prosperous church, the reward for careful christian training in the home and Sunday School.

IN MEMORIAM

REED—In loving memory of my dear husband, Percival Reed, who died October 10th, 1933. As time goes by we miss him more. Lovingly remembered by Wife and Family.

IN MEMORIAM

NICHOLS—In loving memory of our dear Anson who passed away Oct. 7, 1932. October brings sad memories Of a loved one laid to rest, Who will always be remembered. By the ones who loved him best; Days of sadness still come o'er us. Tears in silence often flow, Memory keeps you ever near us. Though it be two years ago; The pearly gates were opened A gentle voice said "Come" And with farewells unspoken He softly entered home. Sadly missed and ever remembered by the Nichols family.

BICYCLE RACES

Winner of two of the Toronto six-day bicycle races, the youthful rider, Jules Audy will again start in the renewal of the classic which starts October 20. But the great winning combination of Torchy Peden and Audy, the Mutt and Jeff of the hazardous sport of six-day cycling will be split up this time.

A great combine is broken up with the splitting of the Peden-Audy winners of six races as a team, they have come to the point where they are ranked as one of the greatest combinations in history. Peden, the Western giant, weighs close to an eighth of a ton while his diminutive partner moves the scales at little more than half Peden's weight. Audy always provided a perfect foil for Peden, as one stiff push by the latter in a jam, was enough to send the Montreal blond twice around the ten-lap track.
