Carload of Provisions for Needy of Western Canada Leaves Here Next Week

Citizens of This District Asked to Help Fellow Canadians In the West With Donations of Fruit, Vegetables, Provisions and Clothing.

A carload of provisions and clothing will be sent from this district next week to Western Canada to aid those who through crop failure are in dire distress. Citizens are asked to co-operate and respond to this appeal on behalf of our unfortunate fellow Canadians who are suffering from the lack of necessities of life. This very worthy undertaking is sponsored by the churches of the district and public spirited citizens and a generous response is hoped for. In Richmond Hill Reeve J. A. Greene is chairman of the local committee and "Don" Frisby is the secretary. Donations of potatoes, turnips, carrots, apples, all kinds of vegetables and provisions as well as serviceable clothing may be left at the Cities Service Garage, Yonge Street, Richmond Hill, any time up until next Tuesday. No donation is too small and your help and co-operation will be appreciated.

Donations from the Victoria Square district may be left in the United Church sheds Tuesday or Wednesday morning and anyone unable to deliver their donation may call Stanley Boynton or H. Collard. Citizens of the Headford district may leave their donations at Mrs. Stewart's or information may be obtained from N. Brodie or Charles Boynton. Residents of the Carrville district are asked to notify J. A. Vanderburgh or Cyril Baker and arrangements will be made for the collection. It is expected that the car will be loaded at Richmond Hill next Tuesday or Wednesday.

A request has been made for Ontario to send one hundred carloads of provisions to these unfortunate dried-out areas of the West where the need is very, very great. One car will be sent to each district and the contents will be distributed by agencies co-operating with the various churches and relief organizations.

Suggested donations include, potatoes, turnips, carrots, beets, pumpkins, squash, cabbage, or any kind of vegetable, canned fruit, honey, peas, beans, flour and all kinds of food-stuffs.

The condition of many of our fellow citizens in the West is most unfortunate. Year after year of crop failure and all resources gone hundreds of families are in dire need of the necessities of life. The need is great and we are confident that the response of the people of this district will be generous.

Charles Hoover New Treasurer Markham Twp.

Announcement has been made that this week the council of Markham township decided on a sweeping change in the business organization of the municipality. It has been decided that the office of Clerk and Treasurer, formerly held by one man, will now be divided and the township will have a Clerk and a Treasurer. Mr. Charles Hoover, a member of council, has been appointed to the position of Treasurer and his duties will also include the collecting of all taxes which will dispense with the services of two collectors previously employed. It is understood Mr. G. A. M. Davison, who for a number of years has occupied the position of Clerk and Treasurer, will carry on as Clerk of the municipality. The salaries of the officials has not yet been set, but will be agreed upon at the next meeting of the council. Mr. Hoover has resigned from the council but it is not likely that an election will be held to fill the vacancy until the end of the year.

VICTORIA SQUARE

The anniversary services of the United Church will be held on Sunday, Nov. 4th. Rev. J. C. Torrance, B.A. of Washington United Church, will preach in the afternoon and Rev. T. W. F. G. Andrews of Newmarket at the evening service.

On Wednesday evening, Nov. 7th, the annual Fowl Supper will be held. The committee are fortunate in securing Miss Elsie McLuhan, dramatic reader and impersonator, and an assisting artist to provide the program.

Those wishing to contribute to the car of vegetables and fruit for Western relief are asked to leave their donations at the United Church shed on Tuesday afternoon or Wednesday morning of next week. If any have contributions and are unable to deliver them to the church call Stan Boynton or H. F. Collard. The need is great and no contribution is too small. Full details elsewhere in this edition of the Liberal.

Everyone Invited To Horticultural Society Banquet

It is earnestly hoped that the citizens of the Village and surrounding district will patronize the Horticultural Banquet which is being arranged for Wednesday evening, Oct. 24th, at 6.30 p.m., in the School room of the United Church.

The banquet, proper, is in the very capable hands of the Women's Association, and the remainder of the evening will be given over to prize-giving music and the address of the guest speaker, Professor Duncan McArthur, Deputy-Minister of Education.

Anyone who is even slightly interested in the formation of our new Educational policy will not want to miss this golden opportunity of hearing that policy discussed by the man who is going to be so closely linked with it.

Tickets are only 35 cents and may be procured from members of the Horticultural committee and also at Austin's or Glenn's Drug Store.

At a special meeting of the council of Richmond Hill Village held Monday evening it was unanimously decided by the members to take no action on the request of the local hotel proprietor that there be a vote taken in January on the establishing of a beer parlor authority in Richmond Hill. "I think it is time for us to take some action on a matter of this kind when we have a petition from the ratepayers," said councillor Mills. This was the opinion expressed by all other members and a resolution that the council take no action moved by councillor Alex Little and seconded by councillor Mills carried unanimously.

It was decided to continue the monthly garbage collection during November and December.

The local Veterans' organization was granted permission to hold a tag day on Saturday, November 10th.

Lacrosse Team Loses Two Games

Richmond Hill Young Canadians tasted two defeats this week but still hold the leading position in the Tri-County league. Last Friday night they were defeated by Owen Sound 18-11 and in Richmond Hill Tuesday night lost the game in the last couple of minutes to Alliston by a score of 8-7. To-morrow night (Friday) the boys play in Aurora and next Tuesday play the return visit to Allandale. The last game of the schedule is here Saturday, Oct. 27th, when Caledon East plays here. Then will follow the play-off games and the Young Canadians are almost certain to figure in these games to decide the championship.

Tuesday night the locals after a hard fought game had everything on ice, sitting pretty with a two goal lead with only about three minutes to go. It had been a hard fought game and the Young Canadians fighting a much heavier team had done exceptionally well to be leading with the long end of a 7-5 score at this stage of the game. However, just when everything seemed safe the Hill drew two penalties and with two Canadians in the penalty box the Allistonians drove in three goals in less time than it takes to tell it and the game was over and won by the visitors. It was a hard game to lose and a great game to end.

The first stanza ended 2-1 for Young Canadians, "Cal" Miller scoring on a pass from Bill Buchanan and Marold Weese getting a counter on a lone effort. The second period was a hard fought battle featured by close checking on both sides with neither team taking very many chances. Alliston got the lone counter of the period making the count a tie, two to two. Early in the third Alliston went out ahead for the first time in the game but in a few minutes Bill Buchanan got an equalizer taking a nice pass from "Cal" Miller. The visitors forged ahead once more and again the locals rallied to tie it up, Harold Weese scoring on a pass from "Cal" Miller. "Cal" made it one better for the Hill with another brilliant score and the period ended 5-4 with the locals still on top.

In the fourth and final stanza Alliston opened the scoring with a counter right from the first face-off, and tied the count. "Cal" Miller, who turned in a splendid game throughout the whole evening, scored on a lone effort and in a few minutes repeated the performance to put the Hill two up and the game looked to be in the bag for the Young Canadians. Within about three minutes of full time the locals drew two penalties and the visitors with a two man advantage ran in three goals in two minutes and won the game.

"Alf" Stong, popular local goalie, was guarding the nets for Young Canadians for the first time this season and made a splendid job of it. "Al" White, who was out of the Owen Sound game with an injured rib, was

Much interest is being shown in the Young People's Society. New members are coming in and over sixty were present on Monday evening. The anniversary services at Hope last Sunday were attended by large audiences. Rev. W. Hunnissett preached a very inspiring sermon in the morning, and Mrs. Gawley and Mr. Ernie Dennington gave several vocal numbers. The orchestra from Fred Victor Mission played for the singing and rendered a number of beautiful selections and as usual were well received. In the evening Rev. Stanley Elliott of Toronto occupied the pulpit and the Peaches' Quartette of Whitchurch sang a number of beautiful and suitable hymns. Rev. A. M. Partridge told of a Minister who said that the success of an anniversary depend-

ed on two things, the offering and the attendance. At the evening service it was announced that the services had been successful in both respects. Many felt that they had many beautiful thoughts to carry away and to remember from these services.

The funeral of the late Robert Walkington was attended by many relatives and friends. The interment took place in the Maple cemetery. Rev. C. H. Bowman conducted the services.

Mr. Allan Rumble is to be congratulated on winning the Silver Tray Service, the Tray, and the prize of twenty dollars worth of goods at the Ploving Match last week.
